We are nearly through enclosing bills to subscribers in arrears. It is evident that some have lifted the REPORTER a number of years without intending to pay. We may be able to stand being imposed upon sometimes, but we don't want to be imposed upon all the time, hence will be obliged to go over the list soon, and strike off such long standing delinquents. We have acted kindly and indulgently in this matter with them, and had a right to expect we would be fairly dealt with. We have many thanks to such as have acted honorably with the REPORTER.

AN IMPORTANT CLUB OFFER
SCRIBNER'S MAGAZINE

By special arrangement with the publishers we are enabled to offer SCRIBNER'S MAGAZINE for 1895 and a full year's subscription to the REPORTER for \$4.00. If purchased separately these periodicals would cost \$5.00

IT IS THE PLAN OF SCRIBNER'S to give its readers next year a history of the past 25 years in the United States. (1869-'95) These years have been unparalleled in the history of the world for national development and material progress. The narrative will be written in a graphic and picturesque style by President Andrews, of Brown University, and capable artists will illustrate it.

ROBERT GRANT, whose "Reflections of a Married Man" will long be remembered, has written a series of articles on "The Art of Living," in which he sets himself to solve, as far as such problems can be solved, questions which beset every well-to-do family: The Income—The Dwelling—Household Expenses—Education of Children—Married and Single Life—The Summer Problem, etc. Beautifully illustrated.

GEORGE MEREDITH, whom more than one good authority has pronounced the greatest of living novelists, has written a strong serial, "The Amazing Marriage," to begin in January.

W. D. HOWELLS will contribute a novel entitled "The Story of a Play."

IN THE LAND OF DON QUIXOTE will be a series of three sketches illustrated by a number of Daniel Vierge's wonderful drawings.

SINGLE ARTICLES in great variety have been arranged for and the illustrations will be elaborate.

Scribner's for 1895 Will be Better Than Ever.
