Jonathan Auman, of near Rebersburg, sold his farm last week to Charles Bierly. Consideration, about

Dr. J. W. Stam has again located here, and is picking up patients. His family will move here sometime next

month. De Voe's forecast of the weather for February, as published in the World, has not panned out according to his ideas so far in this locality.

It is about time for the borough dads to see about clearing the boardwalks of drifted snow. In many places people are compelled to take to the middle of the streets.

Michael Rishell, an old resident of Miles township, was buried last week, aged about 60 years. He had been sick and unable to do anything for a long

The snow drifts on North street are sights worth seeing. At Charlie Albrights, a tunnel has been dug through the snow on the boardwalk of about thirty feet in length, and about three feet wide and six feet high, and people now walk through the tunnel. Many people visit the locality to see how it looks.

The snow tunnel at the residence of John Stoner, is a very pretty sight.

Dr. Samuel G. Gutelius is under the weather somewhat, and the condition of Uriah Reifsnyder is not improved much, as also Isaac W. Raven.

Horace Winkelman and sister, and Miss Mattie Rogers, from Nittany valley, paid a visit to our town last week, and were snow bound for three or four days.

The Index Medicine Co. that were here last week, did not do much business. Some of the party were a little too flip, and our people became disgusted with them, in the manner that the head man talked about our people. They should have the cold shoulder wherever they go.

Harry Mathers, of Lewisburg; E. L. Detwiler, of Philadelphia; George Spaid, of Beavertown, and Charley Walleze, of Danville, were snow bound from Thursday of last week until Tuesday the next week. All registered at the Musser house. A good jovial set of fellows.

The public sale at the residence of George M. Rupp, at Aaronsburg, last Saturday, was largely attended.

Interlined "Celluloid" Collars and Cuffs turn water like a duck's back and show neither spot nor soil. They are not effected by perspiration, and always look as if right out of the box. When they get soiled you can clean them in a minute by simply wiping off with a wet cloth. These are but a few of the advantages of wearing the "Celluloid" Collars and Cuffs. There are many others that you will readily discover the first time you wear one.

They are the only waterproof inter-

lined collars and cuffs made. Be sure to get the genuine with this trade mark

stamped inside, if you desire perfect MARK. satisfaction. Made in all sizes and all styles. If you can't get them at the dealers, we will send sample postpaid, on receipt of price: Collars, 25 cents each. Cuffs, 50 cents pair. State size, and whether you want a stand-up or turned-down collar.

WITHOUT THE

BOW (RING)

it is easy to steal or ring watches from the pocket. The thief gets the watch in one hand, the chain in the other and gives a short, quick jerk-the ring slips off the watch stem, and away goes the watch, leaving the victim only the chain.

This idea stopped that little game:

The bow has a groove on each end. A collar runs down inside the pendant (stem) and fits into the grooves, firmly locking the bow to the pendant, so that it cannot be pulled or twisted off.
