

WOODWARD.

Death of Mrs. R. E. Stover and Wm. Galt-wite Last Week.

Thomas Hosterman is on the sick list. E. C. Ketter and Howard Bowersox, who have been working at Gordon Heights this winter are home on a visit.

Mr. William Galtwite died on Friday, aged 62 years, 4 months and 26 days. The funeral took place on Friday, Rev. J. D. Shortess officiating. Maggie, wife of Mr. R. E. Stover died on Thursday and was buried on Sunday, at St. Paul. She was aged 34 years.

Robert Miller moved to town on Monday from Millheim, and will take charge of the grist mill.

Samuel Mowery moved into the house recently vacated by Mrs. Elmer Bamer.

Mr. and Mrs. D. Engle, H. C. Brungard and wife, J. C. Brungard and wife, D. Engle's child, a child of L. D. Orndorf, and Mrs. J. E. Stover are all on the sick list.

John D. Snyder with his family will move to Shamokin on Friday, where he has secured employment.

F. M. Stevenson is now running the circular saw for Harter & Co.

A man by the name of Shade, from Bru-h Valley, is fireman for Engle & Brungard.

G. W. Frank, from Kreamerville, is again in our midst.

C. D. Motz, J. L. Kreamer and N. W. Eby surveyed the school districts of Woodward, Feidler, Voncida and Pine Creek in order to make a division and thereby secure a graded school at this place, but it is not yet fully settled whether they will get one or not.

George Harter was on the sick list several days last week but is pulling the ribbons again.

John L. Grenoble will move on G. W. Wolfe's farm lately purchased at public sale, while Andrew Moyer will occupy his own farm, the one vacated by Grenoble.

John Hess, of this place was married to Miss Katie Stover, of Wolfe's Chapel, last week; a happy life to you.

Miss Sadie Walter left for New Berlin on Monday, on a visit to her sister. H. M. Goodman purchased the old Ettlinger property at administrator's sale on Saturday, for \$752.

C. W. Hosterman bought a Spanish Coolie Shepherd dog at F. Smith's sale for \$3.25. Charlie says he will make a sheep drover of him next summer.

The factory of Orndorf and Harter will soon be in operation manufacturing Mel-na Ointment, the best in the world. They will soon distribute several thousand free samples.

COBURN.

Efforts Being Made for the Establishment of a New School.

Mr. Andrew Harter made a business trip to Bellefonte on Wednesday.

Miss Ida Long who had been attending Mrs. Speigelmeyer during her late illness, is now on the sick list herself at Speigelmeyer's and cannot be removed to her home.

Another young section hand came to the house of foreman John Gray's one day last week to stay. But he will not be ready to receive him on the road till spring opens up. Mother and child are doing well.

J. W. Glasgow was called away to his home at Tusseyville to attend the funeral of his brother George, who died of consumption at that place one day last week.

F. M. Emerick will open a select school at this place this spring providing he receives a requisite number of scholars. Parents should see the need of sending their children to school and should give Mr. Emerick their hearty support in getting up a school.

The auditors of Penn township met in the school house at this place on Monday, and on account of the increase of the number of poor who received aid from the overseers of the poor, and the drifted condition of many of our roads causing a great expenditure to open them, they found the finances at a low ebb. So low that all the obligations could not be met without borrowing money. Something that did not occur for several years.

A petition has been in circulation for the last few days to obtain signatures for the establishment of another school at this place. Judging from the overcrowded condition of our school during the last term, such a movement is a wise one. There are at least seventy-five pupils of a school age within the district, and that is too large a number to crowd into one school and under the supervision of one teacher. How it will terminate remains to be seen.

Chamberlain's Cough Remedy gives the best satisfaction of any cough medicine I handle, and as a seller leads all other preparations in this market. I recommend it because it is the best medicine I ever handled for coughs, colds, and croup. A. W. Baldrige, Millersville, Ill. For sale by Wm. Pealer, Spring Mills, and S. M. Swartz, Tusseyville.

-You will want a new suit. You want it cheap and good, as well as of the latest cut. Lewins, Bellefonte, can accommodate you in every particular, and is bound to please.

"WHEN SPRING COMES"

"I Recommend Pe-ru-na to All Sufferers," Says Editor W. T. Powell, of Clarington, Ohio.

W. T. Powell, editor of the Independent, of Clarington, Ohio, writes that he was taken sick with bronchitis and catarrhal fever, head was in a terrible condition, lungs were badly affected, being so tight and sore he could hardly breathe, and coughed almost incessantly. For two months tried local physicians, took cough medicines and other medicines. Took three bottles of Pe-ru-na and was entirely cured.

It is needless to attempt to give only the vaguest outline of the wonderful success which Pe-ru-na has met with in the cure of catarrh. This success is entirely due to the fact that Pe-ru-na eradicates the disease from the system, instead of temporarily relieving some disagreeable symptom. Not only is catarrh in all stages and varieties cured promptly, but also colds, coughs, bronchitis, la grippe, catarrhal dyspepsia, all yield, surely and permanently, to the curative virtues of Pe-ru-na.

As a spring medicine Pe-ru-na is a never-failing remedy. It cleanses the blood through digestion, and gives tone to the whole system by increasing the nutritive value of the food. "Spring fever," as it is sometimes called, which produces a tired out, sleepy feeling, and inability to do much mental or physical work, is the result of a sluggish digestion, and no blood medicine will be of any use whatever unless it is able to rectify the impaired digestion. The great popularity that Pe-ru-na has is due to the fact that in all such cases it at once corrects digestive derangements and enriches the blood by purifying this very important source of that vital fluid. Send for book on spring medicines and spring diseases. Also a valuable treatise on catarrh, la grippe, consumption, coughs and colds, by Dr. Hartman, sent free. Address the Pe-ru-na Drug Manufacturing Company, Columbus, Ohio.

For free book on cancer address Dr. Hartman, Columbus, Ohio.

GOING for disobedient officials, county, borough and township, has been occupying the attention of tax-payers in a number of counties of the state. This is right. When township, borough and higher officials disobey the law and their oaths, any citizen can appeal to court, and without expense to himself in a just case, can get the desired remedy. Officials must obey the law and their transactions can be investigated ten years after their term.

County officers, councils, auditors, all are amenable to law, and none will be allowed to plead ignorance of the law. Fine and imprisonment, and removal from office are the penalties imposed upon unfaithful officials.

HE is even with the State Grange, R. H. Thomas is, for voting him out of the trusteeship last January. Gov. Hastings last week appointed him assistant secretary of the department of agriculture, with a salary of \$2500. This is one of the new offices created by the present legislature.

-Extraordinary reductions in Winter clothing and overcoats by Lyons, Bellefonte, and this means a reduction from the wonderfully low prices they have had during the past season. The reductions last only a short time.

Waterproof collars and cuffs that will not wilt, are not effected by moisture and look just like linen are all the fashion now. They are made by covering a linen collar or cuff with "celluloid" and are the only waterproof goods made with an interlining, consequently the only ones that will stand wear and give perfect satisfaction. Try them and you will never regret it. Always neat, and easily cleaned. When soiled simply wipe off with a wet cloth or sponge. Every piece of the genuine is stamped as follows:

TRADE MARK. ELLULOID MARK.

Ask for those so marked and refuse any imitations, as they cannot possibly please you. If your dealer does not keep them, we will send a sample direct on receipt of price. Collars 25c. each. Cuffs 50c. pair. State size and whether stand-up or turned-down collar is wanted.

THE CELLULOID COMPANY, 427-429 Broadway, New York.

GET AN EDUCATION.

Education and fortune go hand in hand. Get an education at the Central State Normal School, Lock Haven, Pa. First-class accommodations and low rates. State aid to students. For literature and catalogue address, JAMES ELDON, Ph. D., Principal, Lock Haven.

You can get it at faibles.

Say, Farmers!
