CENTRE HALL, PA., THURS. April 25

ANNOUNCEMENTS.

We are authorized to announce the name of William F. Smith, of Bellefonte, as a candidate for the nomination of Probationer, subject to the rules and regulations of the Democratic county convention.

We imagine by this time the Philadelphia Times thinks Judge Gordon ought to be pensioned.

NOBODY, except perhaps the Standard Oil Company, has a good word for the Pennsylvania legislature—its got no friends.

OUR Republican legislature keeps running wild in raising salaries and creating new offices. Well, go ahead, you have lots of rope, hang yourselves.

HIGH beef and high oil—to counteract these go it on buckwheat cakes, potatoes, fish and sich, and light up the old tallow dips and fat lamps. Where there's a will there's a way.

The legislature has been in session since the beginning of January without having passed a single measure for the general good; what it has done has been obnoxious to the great majority of the people.

The rise in oil has stimulated the drilling of new wells in all the oil territory and hundreds of holes have been put down. Should there be correspondingly rich strikes in finding oil, a collapse in oil would follow.

The representatives from this county in the legislature by accident, are voting with the crowd on most of propositions for raising salaries and creating new offices. If the people of our county like that they will re-elect Womelsdorf and Curtin, if not, these gentlemen will stay at home, and this is likely to be the fate of scores of others who are recklessly voting away the public funds.

It seems as if the bill to pension the judges is going to pass. If Gov. Hastings wishes to please the people of all parties he will veto the unjust measure when it comes before him, for nine-tenths of the people are opposed to giving judges a pension.

The worn-out farmer and mechanic have just as good a right to a pension. The worn-out blacksmith and hod-carrier have as good a right to be pensioned as the sleek and fat salaried occupant of the bench.

HOW TO MAKE MONEY.

I understand now why I could not make money with the plater that I had. There are so many things about the plating business that I did not understand. It was not until I saw the advertisement of Gray & Co. Plating Works, Columbus, Ohio, that I commenced to make money. The Royal Plater is sent by this house and all the trade secrets connected with the plating business, such as are necessary in the great gold and silver plating factories are given free. As soon as I got the Royal Plater I made money right along. Last week I cleared \$72.50, and everybody is delighted with my work. Anyone who has had trouble with their plating machines, as I have, should send to the above firm and obtain their circulars, and they will be able to make lots of money as I have done. The Royal Plater is fitted out complete, everything ready for business; you do not have to spend a cent for materials. During these hard times this information is valuable.

Those who never read the advertisements in their newspapers miss more than they presume. Jonathan Kenison, of Bolan, Worth Co., Iowa, who had been troubled with rheumatism in his back, arms and shoulders read an item in his paper about how a prominent German citizen of Ft. Madison had been cured. He procured the same medicine, and to use his own words: "It cured me right up." He also says: "A neighbor and his wife were both sick in bed with rheumatism. Their boy was over to my house and said they were so bad he had to do the cooking. I told him of Chamberlain's Pain Balm and how it had cured me, he got a bottle and it cured them up in a week. 50 cent bottles for sale by Wm. Pealer, Spring Mills, and S. M. Swartz, Tusseyville.

—Our spring stock of clothing is now in and a more complete assortment cannot be found in any store. Clothing never was so cheap and you get surprisingly big returns for your money.—Lewins, Bellefonte.

—Extraordinary reductions in Winter clothing and overcoats by Lyons, Bellefonte, and this means a reduction from the wonderfully low prices they have had during the past season. The reductions last only a short time.

TIRED WOMEN.

The Housewife, the Farmer and the Teller of all Vocations.

Depression of the nervous system at the approach of spring is a fertile source of blood impurities. That tired feeling, which is the natural result of the depressing effect of warm weather immediately after the invigorating cold of winter, quickly disappears when Peruna is taken. Thousands are daily testifying to its priceless benefit. General lassitude, dull, heavy sensations, continual tired feelings, with irregular appetite, and sometimes loss of sleep. Peruna meets every indication and proves itself to be perfectly adapted to all their varied peculiarities. Peruna invigorates the system, rejuvenates the feeling, restores the normal appetite and procures regular sleep.

This tired-out feeling is especially true of the housewife in spring time—used up, fagged out, jaded and weak. There are thousands of them to everywhere. A few bottles of Peruna would do them untold benefit. As a tonic and nerve invigorator it has no equal. It builds up the nerves, it gives strength to the circulation and at once restores the appetite and digestion. No feeble woman should be without Peruna.
