Breezy News Items as Gathered by Our Correspondent

The laying of the corner stone of the United Evangelical church edifice was largely attended; many were compelled to remain outside, there not being room enough to seat them in the temporary building.

The wedding of Mr. W. E. Detwiler and Miss Sarah McClellan was quite a sly one, but the serenading Friday evening was not of a sly nature.

Miss Lydia Spangler returned home Saturday after the expiration of another school term.

Mr. David Stoner has been on the sick list but is able to be out again.

TRIBUTE OF RESPECT.

The following action was taken by the W. H. and F. M. S. of the St. Peter's Lutheran church of Rebersburg:

Whereas, God in his all-wise Providence has for the second time sent death into our circle and removed our beloved sister Gertrude S. Gramley; our recording secretary; a faithful worker in the cause.

Resolved, That while we mourn our loss, we bow submissively to the will of our Heavenly Father, believing that He doeth all things well.

Resolved, That we cherish the memory of our deceased sister and hereby express our highest appreciation of her labors in the cause. We lament her absence from our society, from the church and prayer-meeting, and from the community in which she lived. But we mourn not as those who have no hope, knowing that our loss is her eternal gain.

Resolved, That we extend to the bereaved family our warmest sympathy, commending them to their Heavenly Father's care.

Resolved, That our feelings as set forth in these resolutions be recorded in the minutes of our society; that each member wear a badge of mourning for thirty days; that a copy be sent to the family of the deceased, and they be published in the Missionary journal and one of the county papers.

How to Succeed.

Boys, the world is wide. If you wish to be somebody "pitch in." The brave always have friends. Where others have gone you can go. If the old track don't suit, make new ones. Success is never obtained without effort. If you fall once, try again. If you fall down, get up again. If it's dark, strike a light. Are you in shade? move around; for, if there's shade on one side, there is sunshine on the other. Take time, boys, don't hurry too fast. Go slow, especially till you know the road or become acquainted with your team. Mind your own business. Don't stop to retail gossip—but go right on, straight ahead, and—you'll get there.

New Music Book.

We have received a copy of a new music book, "Beirly's Day of Praise," consisting of solos, duets, trios, quartets and choruses, by Alfred Beirly, of Chicago, Ill. Mr. Beirly is a native of our county and is the head of one of the leading musical publication houses in Chicago, and all his publications are a success.

What a Noise There'll Be.

A device has been patented at Columbus, Ind., by which the steam whistles are to be sounded by electricity. From any given point all the steam whistles in the United States can be sounded simultaneously. The object is for sounding the whistles on correct time.

To Clean Knives.

To clean knives without soiling your hands use a good-sized piece of cork, which can be manipulated on the knife, and in a little while will give all the brightness and cleanliness desired.

CATARRH OF THE KIDNEYS.

Sometimes Called Bright's Disease—Dr. Hartman's Latest Lecture.

In the course of a recent lecture at the Surgical Hotel Dr. Hartman said: "Catarrh of the kidneys is a very common disease, growing more and more common each year. The symptoms are pain in the back; scanty, high-colored urine, containing albumen and various sediments; nausea, and sometimes vomiting; puffiness of the face and feet; dropsy of the legs; shortness of breath and general weakness, pallor and dryness of the skin, chilly feelings alternating with fever and sleeplessness.

"A tablespoonful of Pe-ru-na should be taken before each meal, between meals, and at bedtime, and enough Man-a-lin at night to produce one natural action of the bowels each day. When the disease is of long-standing heated Pe-ru-na should be applied to the back in addition to the above treatment, and the diet consist principally of milk and dry toast. Avoid liquors and tobacco.

Medical Books Free.

The Pe-ru-na Drug Manufacturing Co. of Columbus, Ohio, are offering free, post-paid, two medical books, one on catarrh and catarrhal diseases, the other on spring medicines and spring diseases. These books contain the very latest and most reliable information on these important subjects.

A lady in Tooleys, La., was very sick with bilious colic when M. C. Tisler, a prominent merchant of the town gave her a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. He says she was well in forty minutes after taking the first dose. For sale by Wm. Pealer, Spring Mills, and S. M. Swartz, Tusseyville.

MARRY THIS GIRL—SOMEBODY.

MR. EDITOR:—

I stained a blue silk dress with lemon juice; what will restore the color? I am making lots of money selling the Climax Dish Washer. Have not made less than \$10 any day I worked. Every family wants a Dish Washer, and pay \$5 quickly when they see the dishes washed and dried perfectly in one minute. It is easy selling what every family wants to buy. I sell as many washers as my brother, and he is an old salesman. I will clear \$3,000 this year. By addressing J. H. Nolen, 60 W. Third Ave., Columbus, Ohio, any one can get particulars about the Dish Washer, and can do as well as I am doing. Talk about hard times; you can soon pay off a mortgage when making \$10 a day, if you only work; and why won't people try, when they have such good opportunities.
