Mr. G. Gaillouette, Druggist, Beaversville, Ill., says: "To Dr. King's New Discovery I owe my life. Was taken with La Grippe and tried all the physicians for miles about, but of no avail and was given up and told I could not live. Having Dr. King's New Discovery in my store I sent for a bottle and began its use and from the first dose began to get better, and after using three bottles was up and about again. It is worth its weight in gold. We won't keep store or house without it." Get a free trial bottle at J. D. Murray's Drug Store.

It is not because we love profit less, But because we love business more,

That we are selling suits for \$10.00 that are equal to the ones sold elsewhere for \$15.00. It is a new departure in the clothing business in Bellefonte to give such values.

BUT WE FIND IT PAYS....

Our sales on these goods have been enormous. Your confidence and good judgment have made it possible for us to actually save you a \$5 bill on a \$10 purchase.

WE ARE SATISFIED...

Our profits on the whole is just as large as if we sold only one-third as many. The gap made by your liberal patronage, last week, has been filled, and we are now ready once again to please all comers, even better than before. The season being so far advanced enabled us to make several large purchases of suits that were intended to retail at from \$18 to \$20, we have placed them on our counters at the quick sale price of ten dollars.

Special: Men's Blue and Black Serge Suits, strictly all wool, elegantly made, usual price, \$10, our price, \$7.
