Got Lost.

A week ago an 8 year old son of David Wantz living at the foot of the mountain, near Aaronsburg, while with his father and sister on the mountain after huckleberries, strayed off and wandered away aimlessly until he reached the house of John Auman, late in the evening, in Brush valley.

'PHONES STRIKING

COUNTRY SUBSCRIBERS ASK FOR A REDUCTION.

Centre County 'Phones Must be Lower or There will be no more 'Hello' from Pennsylvania.

The telephone subscribers of this county have struck for lower rates, demanding a reduction from \$4 to \$3 per month, and their ultimatum is that this reduction be granted forthwith, otherwise the 'phones must be taken out by 15 August next, and after that the 'Hello' will be for another telephone company to step in and receive the patronage heretofore enjoyed by the old monopoly, at rates that will be satisfactory to the subscribers.

The demand is signed by all the telephone subscribers in Penn's valley, and the Bellefonte subscribers have informed the telephone company that with the country 'phones dropping out, there will be no need of 'phones in the business places of Bellefonte.

This is taking the bull by the horns and means business. Telephone service has been mighty profitable—the best stock in the world—and has paid from 50 to 100 per cent. every year for seventeen years.

The patents of the monopoly have expired and the field is now open for new telephone companies to engage in the business, and, happily, competition will bring with it lower rates, for the use of 'phones and still earn large dividends.

The following is the demand signed by the Penn's valley subscribers: To the Central Telephone and Supply Company:

We, the undersigned petitioners, having respectfully petitioned you in a former petition asking for a lower rate, and the reply to that petition being unsatisfactory, we again petition you, asking for the rent of telephones to be reduced to three (\$3.00) dollars per month, and if you cannot grant it, we ask that you remove our 'phones by Aug. 15th, 1895.

Dale, M. D., Lemont.

The Bellefonte telephone subscribers have notified the Company as follows: To the Central Penn'a Telephone and Supply Co.

We, the undersigned subscribers to the Central Penn'a Telephone & Supply Company, fully understand that the subscribers to the above Company expect to abandon the use of the telephone at the following named towns: Spring Mills, Centre Hall, Pleasant Gap, Lemont, State College and other places, unless they are on equal rates with us, or, as they ask in their petition, a three (\$3.00) dollars per month rate.

As the rates were equal, when our contracts were entered into, and we are interested that they should still continue to be, for, as a matter of business our 'phones are not worth to us, what they should be, if the country village subscribers cease to use them.

B. Maitland, C. P. Hewes, Montgomery & Co.

The telephone company would argue that it is more expensive to keep up the country line. But let it bear in mind that Bellefonte has as much, yes more, benefit from it as the country, hence it is sound logic that it is wrong to charge the country users higher rates.

About Torn Down.

The old Reformed church building purchased by Boozer Bros., is about razed to the ground. Howard Hoffman and son George had the contract of demolishing the building and made quick work of it.

A neat and stylish fitting suit is every young man's delight, and Lewins, Bellefonte, has a fine and complete stock from which to select. Prices are away down and a dollar goes a great way at this store.

BIG BICYCLE RUN.

Stop at Centre Hall on Trip from Denver to Philadelphia—Guests of the Reporter.

Two young men, C. H. Mitchell and W. B. Taylor, members of the Denver Wheel Club, arrived here at noon yesterday on their wheels, on a run from Denver to Philadelphia, for a wager of \$700, and to earn \$500 on their way by mandolin and guitar concerts.

They left Denver June 1, and have until August 25 to make Philadelphia, and were thus just eleven days ahead of time. From Denver to the 'Reporter' office their cyclometer registered 2440 miles. They said that at no time were they tired on the trip.

Each one bore on his wheel a small American flag presented to them by Gov. McKinley at a reception in Columbus. They expected to reach Lewisburg, last evening. Thus far they had earned \$440 on their trip.

Died at an Advance Age.

Mrs. Catharine Judge, the oldest resident of Clinton county, died at her home at Renova Friday night, aged 108 years. She was born in Ireland in 1787 and came to this country forty years ago, spending the last thirty years of her life with her son at Renova, who is now eighty-five years of age and a daily worker in the railroad shops at that place.

Mrs. Judge retained her faculties to the last, and could read without the aid of glasses up to within a few weeks of her death. She was a familiar figure on the streets of the town up to within a few weeks ago, walking without any trouble and able to recognize all of her acquaintances.

Sociable Near Shingletown.

About fifty friends assembled at the home of Mr. Jacobs, father of Dr. Jacobs of our town, on Tuesday, to have an enjoyable social time, and had it too, among them some from this place. After spending a part of the evening in pleasant chat, a hop was called and a platform provided for the purpose, was occupied by those fond of "tripping the light fantastic." At 11 o'clock supper was announced and an elegant set out faced the happy guests, and they feasted like princes. After supper dancing was resumed and kept up to the wee sma' hours o' the morn. All had a most delightful time.

P. O. S. of A. Picnic.

Last Saturday the Patriotic Order Sons of America picniced at Centre Hall, in Smith's grove. The picnic was attended by about seventy-five members of the order, and in the morning a parade was made through the streets of the town, headed by the Aaronsburg band. The order made a good appearance in their full regalia of caps, sashes and swords. Very few visitors were attracted to the town, and everything passed off very quietly and orderly.

Filed an Opinion.

Judge Biddle, of Cumberland county has filed an opinion which interprets the new fee bill relative to constables' and justices' costs, deciding that the fee for serving a warrant does not entitle the constable to \$1 for each defendant, but for all. The suit was brought by W. D. Humer, constable of Carlisle, against the county commissioners in a case stated, which will affect every constable in the state.

Bought a Sawmill.

Jonathan Harter and Cyrus Brunhart, of Millheim, says the Journal, bought the sawmill and 100 acres of timberland, located in Sugar valley, and formerly owned by Jacob Emerick, of Coburn. They intend to dispose of the property as soon as they can find a purchaser.

Have Closed Down.

The Centre Hall Implement works have closed the shops and have discontinued manufacturing of implements, among which was the famous cornplanter. All the employes have been discharged, and our most important industry will remain idle for the present at least.

On Saturday, August 24, the Lutheran and Reformed cemetery, at Tusseyville, will be cleaned. All who have dead buried there are hereby notified to be present and fix up their graves.

Lyon & Co., Bellefonte, are making a big drive in shoes. They carry a full line in this department, and at prices that are way below their competitors. It is useless to pay a big price for shoes when you can get the same article several dollars cheaper at Lyons. Don't pay any dealer an extravagant price, until you inspect their stock.

WON ANOTHER.

Centre Hall Falls Another Game Out of the Fire.

The Centre Hall ball club did battle with an aggregation of players from Lemont, State College and Boalsburg, last Saturday, and won the game after an exciting contest by a score of 10 to 9.

The game was played on the grounds in Grange park and was witnessed by a good sized crowd. The game was anybody's from the start to the finish and neither club had a lead pipe cinch on it until the game was over. The Hartwick brothers were the points for the visitors, while Frank Ross and Tom Barges did the elegant for Centre Hall. At the sixth inning Skip Smith relieved Ross, both doing good work throughout the game.

From the mass of errors made by each team the surprising part is that the score was not larger. Fumbles, wild and stupid throwing were to be seen in every inning, and Centre Hall excelled in these, but did good work at the bat. The game was won in the ninth inning. The visitors were one run ahead at the end of their ninth. Centre Hall had two runs to make to win the game. With one out and three men on bases, Holly made a hit bringing in two runs, ending the game.

Leg Crushed.

Mr. James Downs, a very estimable citizen and one of the oldest employes of the tannery at this place, says the Philadelphia Ledger, met with a dreadful accident early on Wednesday morning, which may be the cause of his death, or should he recover, will leave him badly crippled. He was oiling the machinery, which was running at half speed, as it was not yet time to go to work, and was leaning over a revolving belt when he slipped and fell and was instantly whirled over the pulley, which ran only about three inches from a heavy wall. His one leg was jammed by the revolution of the belt between the pulley and the wall, and his other leg was caught at the knee between the spokes of the pulley and was churned round and round until it was twisted and torn into sausage meat. Fortunately another workman saw the accident and ran as quick as possible to the engine room and stopped the engine. Before Mr. Downs could be extricated from his dreadful plight part of the wall had to be torn away. He was taken to his home and a surgeon was brought, who examined his injuries and found one leg from the knee down crushed to a pulp. The knee cap was torn loose and forced to the rear of the leg and the joint completely mashed. The other leg is hurt, but not so badly. The leg has not been amputated and will not be unless symptoms of blood poison appear, but if he recovers he will be badly crippled.

Milton's Big Fair.

The eleventh annual meeting of the Milton Driving Park and Fair association will occur on the 3rd, 4th, 5th and 6th of September, and it will be the biggest and best meeting the society has ever held. The premiums and purses are more liberal than those of any other fair in the central part of the state. Extensive improvements have been made in the buildings and grounds and a fine exhibit in all departments of the fair is promised. There is every promise of a large field of horses for the races. The society has just signed a contract with Fenz & Co., the famous booking agents, for exhibitions daily by the great Arab Troupe, Bark Ben Achmet—composed of three men and three ladies. The feat of this troupe are marvelous and they will give exhibitions each day of the fair. The railroads will all run specials and sell excursion tickets.

The Oats.

Our farmers are busy cutting oats; it is tall in some fields, medium in others, while in a few fields it is short. In many fields there is a mixture of green with ripe oats, which is second growth following the spring freeze, and an observing farmer tells us that all this second growth will have only chaff.

Children's Service.

The Reformed and Lutheran Sabbath school will have a children's service in the Tusseyville church on Saturday evening, 17.

The merchant tailoring establishment at Lewins, Bellefonte, is turning out more and finer work than any in this part of the state. The prices are just right, and once a customer always a customer there.

IS HE THE MAN?

CARPENTER SUPPOSED TO HAVE BEEN NABBED.

A Milesburger Arrested for Passing the Forged Check on the Penns Valley Bank.

On Monday Boyd Stonerode, of Milesburg, was arrested on a warrant sworn out by Enoch Hugg, merchant of that place, charged with forging Hugg's name on a check which was paid by the Penns valley bank at Centre Hall.

The check was made payable to Carpenter, and was for \$197, which was paid by the bank, but the money was recovered before Carpenter got out of town. The bank allowed the man to go free after recovering the money, but Mr. Hugg thought otherwise, and believing that Carpenter was none other than Stonerode, had a warrant issued for his arrest.

Stonerode demanded a hearing and gave bail for his appearance before justice of peace Keichline, at Bellefonte, on Friday morning. Frank Crawford, the pseudo constable, who made the arrest, and William B. Mingle, who cashed the check, have been subpoenaed to appear at the hearing and if possible identify the man Carpenter.

A Bicycle Race.

There will be a great bicycle race in Tyrone on the 24th. The clubs from Centre, Huntingdon, Cambria, Clearfield, Bedford and Blair counties are to be invited and the race will be open to all in class A. It was the intention of the Tyrone club to bring the race off on a five-mile stretch of road from Tyrone to Bald Eagle, but Charles Woodin offered them the use of his racing track just below town and they have accepted his proposition and the race will be brought off there.

Will Preach at Hubbersburg.

Rev. John A. Bright, of Topeka, Kansas, formerly of Nittany valley, will preach in Hubbersburg, Pa., on Sunday evening, August 18th, in the Presbyterian church. His son, Geo. of Wittenberg Theological Seminary, Springfield, Ohio, will sing some choice selections. He has won quite a reputation as soloist.
