Mifflin county Republicans, on Tuesday, voted down a resolution endors- this fight. ing Gov. Hasting's superior court

judges.

THAT was a cute thought of Quay not to let chairman Gilkison doctor up the roll of the convention, but have a meeting of the state central commit- Selinsgrove. His weight is 715 pounds asked by the heirs disgusted the school tee called to fix up the roll on 26th, two days before the convention meets.

tana and was to arrive here Friday evening, did not get here at all, and Cap. Eckenbarger sized him up and what became of it no one knows. Perhaps it got switched off by the hot train, after which he bandanaed his fight between the Quay and Hastings face and neck remarking it was the sinners.

IT is asserted the Standard Oil monopoly made 11 million dollars by the signing of the Marshall pipe line bill. That much is wrung from the pockets of the people who use oil lamps, and well could this octopus spend a couple of millions for the passage of the bill.

THE weather and crop bulletin issued by the weather bureau contains Blanche Jones, of Pott Matilda. the following reports from Pennsylvania: Injurious drought extending and becoming general and causing crops to ripen prematurely.

We think the weather bureau is off, crops in this state are good.

THE counties of Chester, Cameron, Fulton, Lycoming and Mifflin on Saturday night held their primary elections for the choice of delegates to the Republican state convention. Chester Cameron, Fulton and Mifflin went for Quay, as had been predicted, giving him 8 delegates. Lycoming elected 3 delegates, who will vote for Chairman Gilkeson's retention.

THERE was a time when Quay didn't from four to six young in a brood. send personal appeals to the counties for support. He has come down to that in the past few weeks. Formerly he issued commands—now he appeals. It is well enough even for a boss to get into a corner sometimes, and to learn | Thursday, 29; excursion rates on railthat the people must be recognized. roads. Everybody invited. Such as Should Quay be deposed, and it does have no baskets can get meals on the not look like it, the new bosses will ground. There will be speaking and not be better than the old.

THE esteemed statesman who sits on the editorial tripod of the Lewisburg News, advises the re-print of editorials from these colums during war 16 to 21. The affair promises to be up times. Well, they would be found to the usual, and the attractions will sound productions. But why go back be about the same. The management The United Evangelical Church Nearly so far? there is a little war on just now | will be kept busy from now until the between Quay and Hastings and no affair is over. reading of the News indicates which side it is on-a statesman is going to decay out of sheer lack of courage.

of Clearfield, comes forward with the rent school year will please attend. startling announcement that it is not unlawful to kill fish with dynamite. We propose the Judge turn himself into a fish for an hour and swim around in a deep and pretty pool with the other fish and we'll have some heart- sylvania must have a board of counless chap dynamite the pool,—and cilmen composed of seven members. then see whether "his honor" will be of the same opinion about dynamiting fish, after being knocked sky high with the little and big fry.

WONT it be humiliating for Governor Hastings to preside over a convention in which a majority of the delegates are under the control of his enemy Quay? It would be equivalent to is being made at Lewin's, Bellefonte. the Governor's agreeing to occupy the chair with his hands tied by Quay. In any ruling distasteful to Quay the latter could appeal from the decision of the chair and knock out the ruling every time, which would make the chair feel that he was occupying both an unpleasant and ridiculous position. Take the REPORTER'S advice, Governor, and don't go near, don't go near.
