You Wonder

Why your friend is better dressed. You pay more for your clothes than he, but they never fit you so well—they never wear so long and never have the style, the chic, the certain something that shows clothes are just what they should be. Do you know that your friend is a customer of ours? Ask him, you will be sure to find such is the case. We not only sell you different clothes, better clothes, but also charge you less than others.

WE ARE SHOWING

A line of Men's Suits, twenty styles, at \$7.50, that will cost from \$10 to \$12 elsewhere. Our Ten line is the cracker-jack of the season. Not a style in the lot that you can duplicate in other stores for less than \$15, and many of them will cost you as much as \$17 and \$18. We know this to be the truth and can convince you of the fact if you only make the comparison. See others, then see us, and you will be sure to save money.
