day Morning at Oak Hall.

Harris township's venerable and most respected citizen, Hon. Samuel Gilliland, passed from earth to the beyond, at his home near Oak Hall, at 7.30, on Wednesday morning. He belonged to a past generation in which he was a well-known personage of influence and usefulness. He represented this county very creditably in the legislature some 35 years ago and his stern integrity would not permit him to draw several hundred dollars of extra pay which the members voted themselves. He was a Christian and a consistent member of the Presbyterian church. Of life-long honesty and ber. uprightness, he was widely respected, and never shirked a duty or hesitated to uphold that which was right.

Farmers' Institute Season.

The season for holding farmers' institutes in this state opened on Monday. These gatherings are held under the direction of the Department of Agriculture and will continue through the winter and spring. John Hamilton, deputy secretary and superintendent of institutes, has arranged for a series of these meetings in every county in the state. Senator Critchfield, of Jenners Cross Roads, and George B. Powell, of Meadville, have been engaged as speakers by the department, to assist at the institutes whenever the local managers find they can be of service. The expenses of the speakers will be borne by the department.
