Ladies' Ald Society Reorganized.

The members of the Ladies' Aid Society of the United Evangelical Association of Centre Hall, which disbanded some time ago, came to the conclusion that neither the pastor or the congregation could well get along without the vigorous push and help the women can and do give-when properly organized-to all church enterprises. On Thursday evening last they came to the parsonage and first helped the preacher and his family by replenishing their larder with groceries, etc., and then organized as the Ladie's Aid Society of the United Evangelical church of Centre Hall, to help the congregation, to all of which the male members will say-Amen-and

will thank them heartily. C. H. GOODLING.

### Successful Operation

Many of our readers remember seeing a colored man in Bellefonte named Miller, who had a large tumor growing on one side of his face which had already grown to a size larger than a pint tincup. He went to Philadelphia a few weeks ago to have the tumor removed. The operation was successfully performed and he was able to return home last week looking a little thinner from the effects of the operation.

Had Two Fingers Cut. A few days ago Tony Garver had two fingers badly lacerated in the saw mill along the mountain, east of town. He was carrying some boards in the mill and slipped, and in trying to recover himself, got his hand in contact with a rapidly revolving cut-off saw. The middle finger was split to the second joint and another hurt. Amputation was not necessary.

Burglary at Madisonburg. One day last week the house of David Shaffer, of Madisonburg, was entered by a thief, who stole a pocket book out of a trunk, in an up-stairs room, containing \$9.65 belonging to his daughter Sallie; also \$25 in bills out of his son's vest in an adjoining room, and a silver watch.

### Will Meet at Centre Hall.

The next meeting of the W. H. & F. Missionary Society of the Northern Conference Lutheran Central Penn'a Synod, will be held in this place.
