# LA GRIPPE REMAINS.

**For Years in the System if Not Cured.—Try Per-ru-na.**

This country contains a large multitude of men and women who are debilitated and weak as the effect of la grippe. If every one would do as the Reverend Petty, of Virginia did, this vast multitude of sufferers would soon be well and strong again. He writes: Last winter I had a very bad case of la grippe which left me enfeebled and liable to cold at the slightest exposure. I tried a number of remedies, but they afforded only temporary relief. I saw an advertisement of Per-ru-na and concluded to try it. I have been using it for two months, and it has afforded me much relief. It is indeed a panacea to me. It has invigorated me more than anything I ever tried. I have recommended it to others and advised them to send for your pamphlet. I have written of it to distant friends. You can use this statement in any way you choose. Rev. H. Petty, Baptist, Dry Fork, Pa.

For further particulars and a multitude of witnesses write to The Per-ru-na Drug Manufacturing Company, Columbus, Ohio, for a free copy of their illustrated treatise on la grippe. Per-ru-na is a sure cure for catarrh, cough, colds, bronchitis, first stage of consumption, and all climatic diseases of winter.
