LAST year our county was intensely for Hastings. Now the Republicans lie crouching at the feet of Quay.

CONGRESS has passed resolutions recognizing the Cuban insurgents as belligerents. This will give them some rights and make Spain get up its Dutch at Uncle Sam.

THE Republican party in congress is broken into three or four pieces, and each piece has three or four cracks—all on account of presidential candidates.

THE silver senators in congress swear they will bolt unless the St. Louis convention puts a free silver plank into its platform. How the Republican pocket states are returning to plague the Republican party!

**Will Take His Departure.**

Dr. McClellan will depart this week for Pittsburgh, at which place he expects to locate. He will make sale of stock and household goods on March 21st, his family remaining here until after that time. The Dr. moved here about three years ago and in that time has made many friends, and has gained the esteem and respect of the entire community. Since first coming here he has been a most active and earnest worker in the Presbyterian church and Sunday school, being chosen superintendent of the latter, and it was mainly through his Christian example and faithful work that the Sunday school was built up to the present prosperous condition, and it is with the deepest regret they see him remove with his family. We wish him success in his new field of labor.

**Don't Forget the Editor.**

An exchange, out in the State, where the editor takes wood, hay, grain, butter, eggs, etc., on job work and subscription, says: "Don't forget the editor when you have a news item. If your wife whips you, let us know of it and we will make it right before the public. If you have company tell us, if you are not ashamed of the visitors. If a youngster arrives at your home begging for raiment, buy a quarter's worth of cigars and come around, and if you are a subscriber we will furnish a name for him or her as the circumstances permit; and if you have a social gathering of a few of your friends bring around a big cake, seven or eight pies and a ham, not necessarily to eat, but as a guarantee of good faith. We mention those little things, for we want news and we will have it."

Upon the day set for the operation I commenced the use of Dr. David Kennedy's Favorite Remedy, and from that moment began to gain, and it was not long before I was entirely cured and have had no return of the trouble since. My weight has increased and I never was so well as I am now. I have recommended
