ED. CENTRE HALL REPORTER. Dear Sir:—Please announce my name as a candidate for the nomination for the office of Register and C. O. C., subject to the decision of the Democratic County Convention.

Respectfully,  
G. W. RUMBERGER

THE canvass of the Democratic candidates for county nominations has, thus far, been of a friendly nature. Let it be thus until the end.

THE New Hampshire Republican state convention on Tuesday went half for Reed and half for McKinley. This is rough on czar Reed coming from his next door neighbors.

IN this county the Republican list of candidates for county offices is larger than that of the Democrats, and the wrangle is not of the most amiable nature. There are complaints of Republican set-ups and schemes which disturb the equanimity of those sought to be tripped. Among the Democrats the canvass has been rather good natured than otherwise.

IN some counties of the state the Republicans are getting it in on Quay by instructing for McKinley, for President, instead of making a favorite son of the Beaver statesman. We would not be surprised if Centre county Republicans would instruct for McKinley, there being a move to leave it to a vote at their primaries. What say the Hastings people about it? Judge Jas. A. Beaver has expressed himself in favor of Quay. This county was terribly Hastings and fearfully anti-Quay just one year ago.

THE passage of the pipe-line bill put five cents upon every gallon of coal oil. A family that uses one gallon per week, pays \$2.60 per year for having a legislature that sat in the interest of the monopoly. Taking Centre county alone, it robs the people annually of some \$40,000 per year, which is more than required to run the county. Taxpayers, what do you think of that? You can settle with these fellows at the polls next November for this and other flagrant wrongs, done at Harrisburg last winter. \$40,000 extra, from Centre county alone, per year, on coal oil, is an outrage that should be resented.

**Petitioned the Court.**

A petition was circulated and signed by citizens of the borough asking the court to condemn and vacate that part of the turnpike running through the borough. The borough wants to take charge of the road and free it of tolls.

In the proposed view to vacate the pike thro Centre Hall, the citizens need be on the alert that the boro is not made to pay too high for this part of the pike. In fact no money should be paid since the boro already paid handsomely for work done on it. This the citizens and council should bear in mind.

A VETERAN'S STORY.

"Several years ago, while in Fort Snelling, Minn., I caught a severe cold, attended with a terrible cough, that allowed me no rest day or night. The doctors after exhausting their remedies, pronounced my case hopeless, saying they could do no more for me. At this time a bottle of

AYER'S Cherry Pectoral was sent to me by a friend who urged me to take it, which I did, and soon after I was greatly relieved, and in a short time was completely cured. I have never had much of a cough since that time, and I firmly believe Ayer's Cherry Pectoral saved my life."—W. H. WARD, 8 Quimby Av., Lowell, Mass.

**KIDNEY TROUBLE CURED**

The importance of knowing just what to do when one is afflicted with kidney disease or troubles of a urinary nature, is best answered by the following letter which was recently published in the Poughkeepsie, N. Y. News-Press:

MILLETON, Dutchess Co., N. Y.

Dr. David Kennedy, Dear Sir:—

For more than eighteen months I was so badly afflicted with kidney trouble I could scarcely walk a quarter of a mile without almost fainting. I did not gain any until I began to use Dr. David Kennedy's Favorite Remedy. After using the first bottle I noticed a decided improvement which continued, and I know that

DR. DAVID KENNEDY'S FAVORITE REMEDY saved my life, for I was in a miserable condition up to the time I began to take it—my friends thought I would never be better.

My sister also has been very sick with bladder trouble for over a year, so bad that quantities of blood would come from her. She suffered at times most frightful pain, and nothing seemed to help her until she began the use of Dr. David Kennedy's Favorite Remedy. She is now using her third bottle, and is like a different person.
