REGISTER.

ED. CENTRE HALL REPORTER. I hereby announce my name as a candidate for the nomination for the office of Register and C. O. C. subject to Democratic Rules. G. W. RUMBERGER

The last Republican legislature and the present congress should be ugly dose enough to set the whole country against having that party in power.

This Republican congress is a grand success in doing nothing, altho it had promised to do wonderful things. Its expenses for doing nothing will be over one billion dollars.

Twenty millions of meters are said to fall upon the earth every day, their aggregate weight amounting to several tons. If you don't believe it count and weigh them yourself.

If the Republicans run Col. Reeder for congress and the Democrats put up Col. Spangler, Bellefonte would get credit for having handsome men in the race. Lets trot out our finest timber, and see which raft first surmounts the rapids.

Harry Curtin voted for the Standard Oil Company's pipe-line bill. This takes \$40,000 out of the pockets of the people of Centre county in the extra 5 cents a gallon on coal oil, every year, and puts it into the pockets of the great monopoly. Harry Curtin is out for a re-election.

The Quay and anti-Quay lines are being drawn in this county for delegates, and may also enter into district and county nominations. This is the situation among Republicans in many other counties, and a simmering of it can already be seen in this county. So far as the congressional district is concerned, we believe Quay will control the delegates to the St. Louis convention.

W. F. REEDER, Esq., of Bellefonte, is a candidate for the Republican nomination for congress in this district. Arnold, the present member, is also a candidate for re-nomination. Reeder is likely to be supported by the Heatings wing of the party, while Arnold will get the support of the Quay people. The district will elect a Democrat however, next fall.

WOMELSDORF has not yet announced himself as a candidate for re-election to the legislature, there being a disposition to crowd him off because, it is alleged, he was not obedient to all commands. Harry Curtin, his colleague, is asking for a re-nomination, but when the campaign opens and Harry's votes in favor of last winter's extravagant legislation are published, he will find himself badly crowded out at the polls in November.

JOHN A. DAILEY, of Curtin township, is a recently-announced candidate for the Assembly, and it is believed his candidacy will be the means of shoving Representative P. E. Womelsdorf, of Phillipsburg, off the ticket, as it is the general opinion that he is not in favor with the leaders, because of some of his work at Harrisburg during the last session, and also because he stood for Quay in his contest for the state chairmanship last year.

SPECIFIC FOR SCROFULA.

"Since childhood, I have been afflicted with scrofulous boils and sores, which caused me terrible suffering. Physicians were unable to help me, and I only grew worse under their care."

At length, I began to take AYER'S Sarsaparilla, and very soon grew better. After using half a dozen bottles I was completely cured, so that I have not had a boil or pimple on any part of my body for the last twelve years. I can cordially recommend Ayer's Sarsaparilla as the very best blood-purifier in existence.—G. T. REINHART, Myersville, Texas.
