Electric Bitters.

Electric Bitters is a medicine suited for any season, but perhaps more generally needed in the spring, when the languid exhausted feeling prevails, when the liver is torpid and sluggish and the need of a tonic and alterative is felt. A prompt use of this medicine has often averted long and perhaps fatal bilious fevers. No medicine will act more surely in counteracting and freeing the system from the malarial poison. Headache, Indigestion, Constipation, Dizziness yield to Electric Bitters. Only fifty cents per bottle at J. D. Murray's Drug Store.

Died in the Penitentiary.

Tuesday last, Andrew Weaver, who was serving a two-year sentence in the Western Penitentiary for robbing a lumber camp, died in the institution. His body was brought to Penn township for burial. He had but a short time yet to serve his sentence. It will be remembered that Weaver and his wife, the notorious Fiatta, were in court several years previous to that, charged with having murdered Fiatta's father, old man Auman, but were discharged.

"Half a span of angry steel" will produce no more fatal results than a neglected cold or cough. For all throat and lung diseases, Ayer's Cherry Pectoral is the best remedy. It is invaluable in cases of croup, whooping cough, bronchitis and la grippe.

KIDNEY TROUBLE CURED

The importance of knowing just what to do when one is afflicted with kidney disease or troubles of a urinary nature, is best answered by the following letter which was recently published in the Poughkeepsie, N. Y. News-Press: MILLERTON, Dutchess Co., N. Y. "Dr. David Kennedy, Dear Sir—For more than eighteen months I was so badly afflicted with kidney trouble I could scarcely walk a quarter of a mile without almost fainting. I did not gain any until I began to use Dr. David Kennedy's Favorite Remedy. After using the first bottle I noticed a decided improvement which continued, and I know that

DR. DAVID KENNEDY'S FAVORITE REMEDY

saved my life, for I was in a miserable condition up to the time I began to take it—my friends thought I would never be better. My sister also has been very sick with bladder trouble for over a year, so bad that quantities of blood would come from her. She suffered at times most frightful pain, and nothing seemed to help her until she began the use of Dr. David Kennedy's Favorite Remedy. She is now using her third bottle, and is like a different person. MRS. THOMAS DYE."
