IN WHITE DRESS GOODS

We can show you a fine assortment from 8c up. We have some fine white Persian lawn at 35 and 45c.

W. T. MEYER,

Bush Arcade, Bellefonte.

Co. Superintendent Sustained.

The superior court has sustained the county superintendent, S. G. Rudy, of Huntingdon county, in refusing a teachers' certificate to E. E. Kell, of Shade Gap.

Warm and Hot.

We've had a regular summer heat the last week with the thermometer hugging the nineties. Straw hats and light clothing was the rage and then we sweated.

To Rebuild.

Hotel Muser is to be improved in various ways this summer. The proprietor contemplates a complete renovation of the building by way of a new and modern awning and balcony, new siding, fresh paint, and other appliances that go to beautify the house.

Religious Services.

By the kindness of the members of the M. E. church, of Centre Hall congregation, the United Evangelical congregation worshiped in their church gratis, since deprived of their own, and will continue to hold their services there regularly, as the former have rented the same to them for that purpose.

C. H. GOODLING, Pastor.

For District Attorney.

A. L. Little, formerly principal of the Centre Hall schools, was nominated for District Attorney, by acclamation, by the Bedford county Republican convention last week.

New Spring Millinery.

Mrs. M. C. Ishler has just received her spring stock of Millinery goods. All are invited to come and inspect the goods, at her store at Tusseyville.

BOOZER-BOAL WEDDING.

Last Thursday Evening's Event Largely Attended.

Last Thursday evening the marriage ceremony of Mr. David A. Booser and Miss Martha Boal, was solemnized at the home of the bride's parents, Mr. and Mrs. George M. Boal, about two miles west of Centre Hall.

The ceremony was witnessed by a very large assemblage, and the spacious and roomy Boal mansion was crowded with invited guests who had gathered from all parts. It was an expectant and representative assemblage, and as the stated time was nearing, the guests arranged themselves where the ceremony could best be seen.

A short prayer was offered by Rev. Eisenberg, after which Rev. Boal began the simple and impressive ceremony, according to the rites of the Presbyterian church, and in a few words the couple were bound in the holy bonds of matrimony.

Lap tables were spread and the guests disposed themselves to the best advantage to secure the good things that were coming. An elaborate and splendid supper was served, and the guests did ample justice. The evening was spent in social intercourse in which the large and spacious lawn was pressed into service, and every one had a jolly good time.

The presents received by the bride were both useful and ornamental, and attested to the bride's popularity among her numerous friends. China, cut glass, silverware, and linen figured prominently.

Mr. and Mrs. Booser departed unannounced from the assemblage and were driven to Spring Mills, where they took the next morning's train for a wedding tour to Philadelphia and Atlantic City. They returned Tuesday evening and took up their residence at the groom's home in this place.

Accidentally Shot.

Monday morning Harvey Hassinger, aged nineteen years, accidentally shot Henry McMullen in the right temple while the former was hunting ducks, along the creek, near McCoy's works, below Bellefonte. McMullen was making a fence around his residence when Hassinger shot at a duck with a rifle. The ball glanced and struck McMullen on the forehead over the right eye, penetrating the skull.

Heavy Storm.

Monday evening a heavy thunder storm passed over this section and sent the thermometer down several degrees. The storm was general all over this valley and a heavy rain fell with frightful thunder and lightning on the side. No damage was done, and everyone welcomed the down-pour. Vegetation got a good start, and took a big jump.

Voted for the Debt.

A special election was held last Friday by the citizens of Millheim on the question of an increase of debt for the purpose of erecting a fine new school building. The vote was 70 for and 7 against. It is the purpose to erect a school building of modern design with about six rooms, with all conveniences, and to cost about \$5,000.

Bicyclists and Tolls.

According to the ruling of the supreme court of Pennsylvania, turnpike companies have the right to charge bicyclists toll at the rate of a cent a mile. As there is extremely little wear caused by a bicycle to a pike, wheelmen consider this one cent a mile rate exorbitant. Bicyclists are going to ask for the passage of a bill making the bicycle toll one cent a gate.

Will Hold a Festival.

The members of the M. E. Sunday school, of Centre Hall, purpose holding a festival on the evening of Decoration Day. The refreshments will consist of ice-cream, cake and coffee. A cordial invitation is extended to all. The place of holding the festival will be announced at a later date.

Fatally Burned.

At Loysockville, Clinton county, on Thursday evening last, Mrs. Thomas Casselberry was fatally burned by her dress catching fire from the kitchen stove. She died from the effects of her burns.

Is Improving.

Mr. Reuben Hartman, one of Millheim's respected citizens, who was ill several months, we are pleased to learn is able to be out again.

See our great assortment of Straw Hats—Faubles.

CRUSHED TO DEATH.

A Little Girl Mortally Injured by a R. R. Turntable.

May Minerva, daughter of Mr. and Mrs. John G. Emerick, who removed from this place several years ago and now resides at Karthaus, met with a fatal accident on Sunday noon of last week, and died the same evening from being crushed under a railroad turntable while at play with some companions.

With several playmates on the day the little girl was playing about and on the turntable, when one of the little ones moved the table. May Minerva was on top. She became frightened and jumped off the landing on the track and was caught by the turntable. She was so badly crushed that she died the same evening, suffering greatly. One leg was broken above the knee and several ligaments cut. On the other leg the bone was supposed to have been crushed and a piece of iron forced through the fleshy part of the thigh. Her age was 11 years and 4 months.

Her remains were brought to Centre Hall for interment last Friday afternoon, burial being made in the cemetery at this place.

To Build an Extension.

Work will be commenced within the next ten days to lay rails on the Pine Grove Extension of the Bellefonte Central Railroad, says the Daily News. Altogether, about four miles of new road will be built, three miles of which are already graded. The work will be commenced on this end and pushed right through until the whole thing is completed. It will take about two months to complete the job.

Big Band of Gypsies.

Tuesday afternoon one of the largest bands of Gypsies passed through Centre Hall, that has visited this section for years. There were ten or twelve wagons and about twenty horses. The band had the fine fancy wagons which were so common years ago, and they looked quite decent and respectable, and attracted more than ordinary attention. They went on through town across the mountain.

Busy at Work.

The farmers are getting down to hard work, and the last few weeks have been busy as bees getting their land into good shape for the spring seeding. The ground works nicely and is in good shape.

MOUNTAIN FIRES.

Large Sections of Timber Destroyed by the Flames.

For several days of this and last week the atmosphere in the valley had been heavily laden with smoke, which arose in great clouds from mountain fires burning in different parts of the county.

Across in the Seven mountains one of the ranges was burning fiercely for several days and it covered a territory of several miles. The timber in the mountains has been very dry and a fire once started moved rapidly. The timber destroyed will reach a large figure, and some one has lost a little pile through carelessness or maliciousness. Nittany mountain had been burning for several days on the other side, but had not reached our side. The heavy rain Monday evening extinguished the flames and stopped further progress, and the air is again free of smoke.

Our Court House.

The Bellefonte court house was erected in 1804. From the organization of the county in 1800 up to the completion of the house of justice, courts were held in the stone house on corner of Spring and High streets, now occupied by Mr. Valentine. In 1855, the court house was "repaired" by tearing it down all but the front pillars and constructing the same on a large scale, the contract price being \$9,228. George W. Tate was the architect and builder. During the "repairing," as the grand juried ordered, court was held in the basement of the old Methodist church, on East High street, now owned by Mr. Myer.

Caught Between the Tracks.

Samuel Rager, of Milroy, was caught between the lumber trucks on Culp's tram-road on Monday and was badly crushed. He lingered until Thursday when he died. The funeral was held on Saturday and was very largely attended. The deceased was thirty-two years old and leaves a widow and three children to survive him.

Death of a Centre County Lady.

Mrs. Jacob Gobble, of Snydertown, Centre county, died Sunday at 12:30 o'clock, of a gripe, aged 70 years. Deceased is survived by her husband, two daughters and two sons. The funeral was held on Wednesday.

When you purchase a spring suit you want the latest style and most popular goods. The Philadelphia Branch, Bellefonte, will give you just what you want.

Will Encamp at Lewistown.

Lewistown has been practically decided upon as the place for holding the divisional encampment this year. The fact has not been officially announced, but it is known that last week Governor Hastings, Adjutant General Stewart, Major General Snowden, Brigadiers Gobin and Wiley, together with Quartermaster General Logan and Commissary General Ripple visited Lewistown and practically settled that the division should go into encampment there on July 18 to 25.

An Important Decision.

Deputy Superintendent of Public Instruction Stewart Wednesday rendered an opinion in an important matter that interests the teachers of the state. The McKeesport public school directors at a recent meeting adopted a motion to the effect "That all teachers be required to undergo an examination regardless of their normal diplomas, permanent or professional certificates." The question was referred to the Department of Public Instruction as to whether the board had a right to adopt such a rule. In the opinion Mr. Stewart says that "Graduates of State Normal schools hold normal school certificate or diploma lawfully granted to them by the State Board of Examiners, which certificate or diploma exempts the holder from further examination in any of the branches named thereon."

More Ore Near Clintondale.

The Lock Haven Democrat says that A. N. Heckman, who resides near Clintondale, also found quantities of ore on his farm. The ore is said to be of fine quality and is believed to exist in paying quantities. Mr. Heckman's farm is less than a mile east of Mr. Dornblazer's place, upon which ore was found some time ago. Gentlemen from this city have been looking over Mr. Heckman's farm with a view to purchasing the place.

Seriously Injured.

William Reitenbach, a freight brakeman on the P. & N. W. R. R., while making coupling was caught between the draw-heads and had one finger cut off and one mashed so badly that it will be hard to save it. The accident occurred near LaJose, on the 16th of April.

Much Crowded.

The columns of the REPORTER have been very much crowded the last two weeks through overplus of advertising. It will be but a week or so until we can devote our usual space to reading matter.
