#### ..... There Will be High Water.

According to the theory of an old fisherman, there will be high water all summer. The basis of this idea is the fact that the fish in the small streams are spawning in shallow water this spring. This authority on fish says that when sun fish, suckers and chubs spawn in deep water, as they did last year, the season will have but little rain fall, but when they spawn in shallow water there will be plenty of rain and corresponding high water.

#### AN ENDORSEMENT.

To the Democratic voters of Centre Co:

To the Democratic volers of Centre Co: Upon the solicitation of many citizens of Centre county, Mr. Issac S. Frain, of Marion township, has inslip consented to allow his name to be presented as a candidate for County Com-missioner, subject to the decision of the Demo-cratic county onvendon. We take pleasure in endorsing his action, because we know him to be eminently qualified for the many complex and trying duites which the position involves. To the taxpayer this is the most important office, and deserves our careful deliberations. We have confidence in his integrity, and his ability; and from his many years experience as a farmer and active worker in varions interests that tend to promote the welfare of the farmer, we firmly be-lieve he would be a valuable man for the posi-tion, where intelligent, conservative counsel is so much needed. Further, if he should become the choice of the party, we believe his name would bring strength to the tieke.

SENATOR TELLER, of Colorado says he will bolt the Republican nomination for President, unless he stands on a silver platform.

MANY Republican organs now call him "double faced McKinley," because he wants to straddle the money question. Go for him, boys.

To down McKinley is now the chief aim of Quay, Platt, Reed & Co. These bosses allege that McKinley does not have enough instructed delegates to insure his nomination of the first ballot, hence all the strength of the rival candidates is to be combined to lick the Ohio high tariff apostle-but who to unite on, that's the bother? There's Reed, Ager, Morton, Harrison, and four or five others, each one sighing to be centered on. It's a happy family.

Frescoing the Church,

S. H. Williams, of Bellefonte, was awarded the contract for frescoing the Reformed church, and with a force of men is on the ground doing the job this week. The plasterers have finished their work, and the edifice is being finished right along.

An Exclusive Water Right. Justice Fell handed down a decision

on Wednesday, in the Supreme Court in the case of the Gas and Water Company of Downington, against the corporation of the borough of downingtown. It is decided that the company has the exclusive right to furnish the borough with water. This applies to all water companies in the state, that they have the exclusive right to supply water.

A Big Catch,

Last Saturday afternoon Danny Snyder, who represents his Shamokin house through this section, left here with a big catch of trout. He put in two days with D. L. Bartges and a young man from Shamokin, and the Shamokin party's share just weighed 22 pounds. The catch more than filled large fish baskets. They were caught in the Seven mountains.

-Not a piece of old or shelf-worn stock is on the shelves of the Philad. Branch, Bellefonte. Their stock is new, their rooms new, and the prices are new to all competitors. The reputation of the firm in the past is a guarantee of their dealings with all customers at their store.

# **Over Thirty Years** Without Sickness.

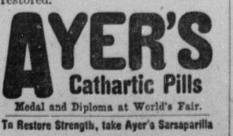

Mr. H. WETTSTEIN, a well-known, enterprising citizen of Byron, Ill., writes: "Before I paid much attention to regulating the bowels, I hardly knew a well day; but since I

learned the evil results of constipation, and the efficacy of

Pills, I have not had one day's sickness for over thirty years - not one attack that did not readily yield to this

remedy. My wife had been, previous to our marriage, an invalid for years. She had a prejudice against cathartics, but as soon as she began to use Aver's Pills her health was restored."
