The Philosophy of Advertising.

In the continuity of advertising is the good of it.

In the continuity of advertising is the strength of it.

To break the advertising connection is to break trade connection.

Trade connection can be broken, advertising connection can be broken, but the house still remain successful, but the business man is not satisfied with the minimum of success. He is everlastingly striving for the maximum of success.

When he cuts expenses he cuts proportionately everywhere.

He does not stop advertising.

He advertises a little less, perhaps, but he advertises.

He never allows the medium he uses to go to press without the mention of his name and of his business.

He advertises in off-season in order that the people may be better prepared to appreciate his efforts in season.

He keeps everlastingly advertising and wins.

SALT RHEUM

and Eczema cured. These two complaints are so tenacious the readers of the REPORTER should know of the success obtained by using Dr. David Kennedy's Favorite Remedy. Where all other treatments have failed, it has made a complete cure.

No more horrible case of salt rheum was ever reported than that of Wilbur L. Hale, quartermaster, Pratt Post, G. A. R., Rondout, N. Y. Several physicians utterly failed to render him any relief; finally

DR. DAVID KENNEDY'S FAVORITE REMEDY

was tried and steady improvement followed its use, and a permanent cure resulted. It is used with similar success in cases of scrofula, nervousness, kidney and liver complaints, and in all diseases brought about by bad blood and shattered nerves.
