THE NEW RACKET

No. 9-11 Crider's Exchange, Bellefonte.

IF IN DOUBT

When you come to Bellefonte for shopping, it might be a wise idea to look through THE NEW RACKET before making your purchases.

G. R. SPIGELMYER, SHEM SPIGELMYER, JR. Bellefonte, Pa.

THOSE TICKETS

We spoke of last week as moving off at railroad speed. If you want one don't wait too long.

Every person is pleased with the plan. Also with the sample pictures. It's a great scheme. Don't miss it. Ask for a card.

JUST OPENED

A beautiful fine of fine toilet soaps- Buttermilk, castile, Rose Boquet, Sweet cream, &c. Try them.

W. T. MEYER, Bellefonte.

Local Melange.

Johnny Neff has gone on a visit to his family in Elk county.

Tuesday, about noon, rain set in, which was welcome to all.

Many cisterns in Marion and Walker townships were lacking water.

The plague of candidates will soon be over—the crop is larger than the wheat crop will be.

Drs. Jacobs and Emerick inform us there is not much sickness in this section at this time.

Will Runkle is still on his paper wood job in Patton township where he has some twenty men employed.

Sam. Gingerick and John Bitner are putting up the spring-lock wire fencing, which gives entire satisfaction.

A kind word and obliging disposition costs you nothing and often gains for you the respect and good will of others.

Henry Stoner, one of the most successful farmers of near Tusseyville, made a business trip to town a few days ago.

Several thunder gusts passed north and south along the borders of our county Thursday evening and Monday afternoon, but left the rain on the other side.

The scramble for office among the Republicans in the county is livelier than among the Democrats. Will Krape of Gregg thinks he is far ahead of all others for sheriff.

NATIONAL PROHIBITION CONVENTION

Single Fare for the Round Trip to Pittsburg via P. E. R.

For the National Prohibition Convention, to be held at Pittsburg, Pa., May 27, 28, and 29, the Pennsylvania Railroad Company will sell from May 24 to 26, inclusive, excursion tickets from all points on its system to Pittsburg and return, at a single fare for the round trip (no less rates than 25 cents.) These tickets will be good for return passage until May 30, inclusive.

Millheim Indignant.

Millheim is justly indignant because a recent ruling of the postoffice department contracts her mail service so that letters cannot be mailed to towns east of her and be answered the same day.

The Philad. Branch, in their new room, Bellefonte, now carry a larger stock than any two stores in the town. The stock is all new and up-to-date, and the prices are away down. And then every deal is made satisfactory or money returned.

QUIETLY MARRIED.

Mr. Samuel Kreamer and Miss Sadie Scholl United in Wedlock.

A quiet and yet interesting wedding took place last Thursday evening at the home of the bride's parents, Mr. and Mrs. William Scholl, about one mile east of Centre Hall, in which their daughter, Miss Sadie, was joined in wedlock to Mr. Samuel S. Kreamer.

Very few of our citizens were aware of the approaching event, although rumors had been plenty and afloat for a week or more before. It was quietly arranged and consummated, and was witnessed by only the families of the contracting couple.

The ceremony took place at half-past eight o'clock in the parlor of the Scholl home. The bride and groom were unattended, and took their position before the officiating minister, Rev. Rearick, who tied the knot which made them one.

The groom, Mr. Kreamer, is a young man of excellent character, and for years has been connected with the firm of Harper & Kreamer. Several weeks ago he was taken into the firm through the withdrawal of Mr. Simon Harper, and is now the junior member of the firm of Kreamer & Son.

His bride is a handsome, and very accomplished young lady, possessed of more than ordinary musical ability. For several years she has been organist in the Lutheran church at this place, which position she creditably filled.

Mr. and Mrs. Kreamer will take up their residence in Centre Hall. They have the best wishes of their many friends for their future happiness and prosperity.

Out of the Ordinary.

The sessions of the town council have always been a dry and dull proceeding, and they are always conducted in the same routine of business. At the last session on Friday evening it was much varied and became quite interesting through a resolution introduced and passed by a good vote, that no member of the council be employed in any job or work sanctioned by that body.

Bloomed Early.

A farmer says to an exchange: "Since the year 1836, at which time I began to notice the growth of vegetation, etc., I have never seen apple trees in bloom in the month of April till this year. Some apple trees were blooming as early as April 20. They usually bloom about the 10th of May.

Should be Held.

The mail service to Potters Mills and other towns across the valley could be greatly improved by having the mail leave Centre Hall one-half hour later. With the eastern mail train arriving at 3.31 and the mail leaving the post office at the same time, the patrons are compelled to await twenty-four hours for mail that could just as well be had the same day.

Death of Clara Dale.

Clara Dale, daughter of George Dale of near Lemont, died on Monday morning at Atlantic City. She had been in Philadelphia for several weeks for medical treatment, and upon advice of her physician she had gone to Atlantic City in hopes that the ocean breeze might benefit her.

Was Badly Needed.

Tuesday we had a corking good rain. It was badly needed. For several weeks it has been very dry, and parts of pulverized Penns Valley have been afloat and moving about in the high winds without legal formalities. It was dusty, and the rain settled it for a couple days at least. In several places in the community cisterns had gone dry and farmers had been driving their stock some distance to water.

Had His Arm Broken.

Last Friday evening Ellis, son of John Hall, of Bellefonte, while out riding on his bicycle ran foul of a cow. The animal kicked the wheel, throwing the boy to the ground with the result that his left arm was broken near the wrist.

Meeting of Grange.

Centre County Pomona Grange will meet in the hall of Washington Grange, one mile west of State College, Tuesday, May 23, at 10 a. m.

STUMBLED AND FELL.

John Durst, of Near Centre Hall, Met With a Serious Accident.

Last Thursday, John Durst, son of Philip Durst, east of Centre Hall, met with a serious accident while hauling baled hay, in falling and having the heavily loaded wagon pass over his arm, fracturing it and receiving other serious injuries.

John with his brother Charley was taking a load of hay to Spring Mills. There were four horses in the wagon, which had a load of over two tons. Going down a hill at Allison's saw mill, between Spring Mills and Farmers Mills, the lock failed to work properly and the wagon rushed forward on the horses.

John was locking and he ran forward to hold the horses, and had scarcely grabbed the lead rein when he stumbled and fell, and a wheel of the wagon passed over his arm, breaking and crushing it. He also received a severe cut on the head.

He was picked up and carried into the house of Mr. Strunk who lives near, and medical attention was given him. Owing to his critical condition he has not been removed to his home, but his condition is somewhat improved.

Accidentally Killed.

A fatal accident took place in a lumber camp, a mile north-east of Woodward, on Tuesday morning, by which an eight-year-old son of Mr. John Sheetz was killed by a nine-year-old son of a man by the name of Goodman.

On the fatal morning the little boys accompanied their fathers to work in the woods. When the men left the camp the boys remained to play. It was not long until little Goodman discovered a gun with which he began fooling. While working the trigger the gun was discharged, the load entering little Sheetz's breast, just below the heart, causing death in about half an hour.

Of Interest to Fishermen.

As to so called private streams the supreme court has decided that unless the fish have been propagated by a man living along a stream, that stream is not private. Fish that are merely put in a stream to grow are not private. Neither is a pond private that is not wholly on a man's land.

The Survey Made.

The surveyors of the new Sugar valley railroad have completed their work and dispersed for their respective homes. Now, we are all anxious to know when work on the new road will be completed. Might it not be well for the well-to-do citizens of Brush valley to make an effort to get this proposed new railroad to enter their valley and head for Bellefonte via Centre Hall?

Girl Horse Thief.

Carrie Matters, a young Milton girl, is in the Sunbury jail charged with stealing a horse from a liveryman in Shamokin. She hired the horse, ostensibly for the purpose of taking a drive in that town, but instead went to Sunbury and from that place to Milton.

Death at Boalsburg.

Miss Anna, daughter of Wash. Williams, deceased, of Boalsburg, died in that place on Sunday last, at 7 a. m. She had been at school at the Home at Loysville, and had an attack of diabetes. She was brought to her home at Boalsburg, where her disease resulted fatally. She was an estimable young lady and was beloved by all. Her age was about fourteen years.

Will Take Part in the Parade.

All the Grand Army posts, Camps of Sons of Veterans and the Union Veteran Legions in Cambria, Clearfield, Centre and Huntingdon counties will be united to participate in the military parade at the Blair county semi-centennial in Hollidaysburg next month.

Change of Time.

On Monday morning a new time table went into effect on the railroad. The only change however from the former is that the evening train west to Bellefonte arrives here one-half hour earlier than before, its time being 3.31 instead of 4.01. The other trains arrive same time as before.

Mails Close.

The time for closing the mails at the mails at the Centre Hall post office is as follows: East 6.30 a. m.; west 7.30 a. m.; east, 2.30 p. m.; west, 3.15 p. m.; south, 3.20 p. m.

Painting the Parsonage.

The Reformed parsonage down the street is undergoing repairs on the exterior and a new coat of paint is being applied.

—Not a piece of old or shelf-worn stock is on the shelves of the Philad. Branch, Bellefonte. Their stock is new, their rooms new, and the prices are new to all competitors. The reputation of the firm in the past is a guarantee of their dealings with all customers at their store.

DIED NEAR MADISONBURG.

Henry Fiedler Expires on Friday from Typhoid Pneumonia.

Last Friday morning at nine o'clock the death of Henry Fiedler occurred at his home near Madisonburg, from typhoid pneumonia, at the age of about 65 years.

Mr. Fiedler was a farmer by occupation, and was one of Miles township's most highly respected citizens. His health had been not of the best for several years, suffering from various ailments.

He was the father of five children, all of whom are living. They are, J. A. Fiedler, formerly editor of the Bellefonte Gazette, now located at Williamsport; Newton Fiedler, at home, Isaiah Fiedler, in Missouri; Mrs. J. E. Reber, of Lewisburg, and Miss Bertha Fiedler, at home.

The funeral took place on Monday morning from the late residence of the deceased, and was largely attended. The interment was made in the cemetery at Madisonburg.

Crop Prospects not Encouraging.

The crop prospects in this county at this time, are any thing but encouraging for the farmer. The wheat at best will not yield one third of a crop, and if timely rain does not set in, it will be worse yet. Those usually productive valleys, Penn's valley, Brush valley, Nittany valley and Bald Eagle valley, do not have their usual promising appearance for a wheat crop—many fields are almost bare, others are spotted showing enough of winter-killed spots to not pay for the labor of harvesting; some fields promise a third and some a half a crop, while it is rare to find a good field of wheat.

The grass is short for want of rain, and if no rain sets in soon the hay crop will be a light one, even at best it will not be a full crop.

The corn is about all planted but it needs rain to start its growth, and if the season proves favorable there may be a large corn crop. The same may be said as to potatoes.

The oats is up all right but rain is needed to push it ahead. The prospect for fruit is fine; trees laden with blossoms cheer the hills and valleys, and only a prolonged dry spell will interfere with an abundant fruit crop. Some of the choicest farms of our county present the most unpromising appearance this year.

Not Serious.

Warner E. Barr, the young man, formerly of Bellefonte, who shot a boarding house mistress at Mansfield, Ohio, a short time ago, is still confined in the prison at that place. The young lady has about recovered from the wounds and left the state so that she would not be called to appear against her assailant. What the authorities will do towards the prosecution of young Barr is not known.

His friends at Bellefonte have taken up a subscription and will make an effort to have the young man released. He is said to be a physical wreck and in need of medical treatment.

A Dreadful Accident.

Nathan Dorman was the victim of a dreadful accident in Watts township, Perry county. While out driving his horse ran off, and in trying to get out of the carriage one of Dorman's legs slipped between the spokes of the wheel. He was dragged for a mile, his body going around with every revolution of the wheel. Although nearly every bone in his body was broken, he was conscious when rescued, but he died soon afterwards. Dorman was forty years old.

Sold their Church Lot.

A meeting of the Reformed and Lutheran cemetery association was held in the Evangelical church last Monday evening. The old Reformed church stood on the corner of the cemetery, and this lot, one-fourth acre, was purchased by the association for \$250.

Pulmonary consumption, in its early stages, may be checked by the use of Ayer's Cherry Pectoral. It stops the distressing cough, soothes irritation of the throat and lungs, and induces much-needed repose. Hundreds have testified to the remarkable virtues of this preparation.
