It May do as Much for You.

Mr. Fred Miller, of Irving, Ill., writes that he had a severe kidney trouble for many years, with severe pains in his back and also that his bladder was affected. He tried many so called kidney cures but without any good result. About a year ago he began the use of Electric Bitters and found relief at once. Electric Bitters is especially adapted to the cure of all kidney and liver troubles and often gives almost instant relief. One trial will prove our statement. Price only 50c. for large bottle. At J. D. Murray's Drug Store.

Mr. James Perdue, an old soldier residing in Monroe, Mich., was severely afflicted with Rheumatism but received prompt relief from pain by using Chamberlain's Pain Balm. He says: "At times my back would ache so badly that I could hardly raise up. If I had not gotten relief I would not be here to write these few lines. Chamberlain's Pain Balm has done me a great deal of good and I feel very thankful for it." For sale by Wm. Peaser, Spring Mills, S. M. Swartz, Tusseyville, and R. E. Bartholomew, Centre Hall.

A New Swindle. Farmers look out for the man who wants to sell you the "right" to get more butter out of milk than the cow puts in it. Take the right to get out all there is in it, but pay no royalty for doing it. There are several such swindlers traveling through this and adjoining states, and one of them may happen around this way. Give them the grand bounce promptly on sight.

Health and happiness are relative conditions; at any rate, there can be little happiness without health. To give the body its full measure of strength and energy, the blood should be kept pure and vigorous, by the use of Ayer's Sarsaparilla.

SCROFULA CURED. E. C. Caswell of Brockport, N. Y., says: "I was terribly afflicted with scrofula, and had lost all hope of being cured. A friend advised me to take DR. DAVID KENNEDY'S FAVORITE REMEDY."

Which I did with great benefit, and I recommend it to others." It restores the liver to a healthy condition, and cures constipation, scrofula, rheumatism, dyspepsia, and all kidney, bladder and urinary diseases.
