## WHAT PEOPLE SAY,

Is generally an indication of what they mean.

Many times we hear the expression of regret of not having come here first, ere buying at other places. Prices and goods seem to be more like they were looking for.

### OUR EMBROIDERIES

Are delighting our customers, some beautiful patterns.

### THOSE DIMITIES

And Batistes are moving rapidly at the sacrifice price of 8c. You can use some at that price, former price, 15c.

### DEATH FROM SCALDING.

**A Little Child Upsets a Tin of Hot Water Over Itself.**

The infant daughter of Clayton Duck, dec'd., and grand-daughter of H. E. Duck, Esq., of Millheim, died on Tuesday morning from the effects of scalding by pulling a tin of boiling water over itself.

The little girl was about nineteen months old, and was at the home of her grandmother at Madisonburg, where the accident occurred. The accident occurred several days previous to her death. A tin of hot water was standing on a table, and the little child reached for it, pulling it down, the hot water spilling over its face and side. Prompt medical service was given, but the burns were so deep that death resulted on Tuesday morning.

### Children's Day.

The members of Progress Grange No 96, Centre Hall, will celebrate Children's Day on the afternoon and evening of Saturday, June 20th, by holding a picnic and festival at Grange Park. The young people, with George Gingrich as General Superintendent, have entire charge of all arrangements. Every effort will be made to entertain the children and a pleasant time assured for all.

### Does Good Work.

A great hammer has been put into Mann's axe factory at Lewistown. The hammer has a striking force of 3,000 pounds and at one stroke completes the manufacture of an axe. It takes five men to work it, but the five men with the hammer do as much in a day as forty men can do by hand.

### Died in Union County.

Last Thursday afternoon, Jacob Spangler died at his home at New Berlin, Union county, after a brief illness, at the age of over 77 years. He was twice married, and was the father of four children, three of whom survive him. He was a brother of ex-Sheriff John Spangler, of Centre Hall.

### Spelling Match.

A spelling match will be held in the lecture room of the Evangelical church by the ladies of the Reformed church, tomorrow, Friday evening. All are invited; admission ten cents, children five cents.

—Not a piece of old or shelf-worn stock is on the shelves of the Philad. Branch, Bellefonte. Their stock is new, their rooms new, and the prices are new to all competitors. The reputation of the firm in the past is a guarantee of their dealings with all customers at their store.

### DECORATION DAY.

Memorial Services Conducted by the G. A. R. Post.

The Memorial services conducted at Centre Hall last Saturday evening, had a larger attendance than any for several years. The day was pleasant and the weather all that could be desired, and towards evening the town began to fill up from all parts of the community.

The Potters Mills band furnished the music for the occasion. Shortly after six o'clock the band headed the procession which started from the diamond, to the cemetery. The parade was small. Following the band was a detail of about twenty members of Co. B, N. G. P., under charge of Lieutenant George Jackson, who came from Bellefonte by hack. The Samuel Shannon Post, G. A. R., brought up the rear. The band played a lively march to the cemetery. At the cemetery a prayer was offered by Rev. C. H. Goodling, followed by a selection by the band. Three volleys were fired over the grave of a member of Co. B. by the N. G. P., after which a dirge was played by the band while the old veterans strewed the graves with flowers.

A floral monument had been erected in the centre of the cemetery to the unknown dead, and around this floral emblem the assemblage gathered.

An appropriate selection was read by Miss Stella Krise, which was followed by Rev. Rearick, who delivered the address of the day. Mrs. W. H. Thomas read an original poem, and the exercises closed with a benediction. The band interspersed the programme with selections. Prof. W. A. Krise, was in charge of the programme and master of ceremonies.

### Was Not Patriotic.

On Decoration day Kaup's hack team, running from Boalsburg to Oak Hall, was not patriotic, as horses should be on Decoration day. The hack was decorated in honor of the occasion. As the team neared Oak Hall, one of the horses looked back and seeing the flags and flowers, he began to run, and then to kick, until he dropped down and made a mess and a mix of the whole business. Young Kaup had to bring his pocket knife into use to free the unpatriotic critter from the fix, and found part of his hack damaged.

### Working a Big Gang.

About fifteen men and several teams are at work cutting down the hill back of D. F. Luse's on Hoffer street. About five feet will be taken off this bump and the ground hauled on the street on both sides of the hill. The hill is a mass of limestone, easily quarried, and these will be crushed later to be placed upon the Main street. The excavations require an immense amount of work and will cost the borough a considerable sum. But there will be a permanent improvement, and a nice pile of good stone for building up the Main street. Will Floray, street commissioner, is in charge of the men, and bossing the job.

### No Celebration in the County.

There is no 4th of July celebration billed for any town in the county, and for once in a few years, we'll stay quiet and let other fellows blow off. Lock Haven is the nearest point where they are putting the eagle's voice through a course of training, and it is intended that a big howl and roar will be let loose on the 4th. A nice purse has been subscribed to defray expenses.

### Called to the Pastorate.

Rev. George S. Bright, who has been called to the pastorate of the Lutheran church at this place, has accepted the call, and will it is expected enter upon his duties here the second Sabbath in June.—Philipsburg Ledger. Rev. Bright is a son of Rev. I. A. Bright, formerly of Aaronsburg.

### Did Well.

The festival held last Saturday evening in Harper & Kremer's hall by the ladies of the Methodist church, netted over twenty dollars. The ladies did not anticipate a rush and sold out early in the evening, otherwise a larger sum would have been taken in.

### Crowded with Orders.

Boob's wheel works is being pushed to its fullest capacity. They are behind on orders, and a big force has been employed, which will be increased right along. The shops are now working on a big order to Norway.

### A Great Improvement.

The new veranda around the front and side of the Musser House, at Millheim, is a great improvement. Mr. Musser intends to still further improve the hotel. Painters are now at work on the exterior.

### Teachers' Examinations.

County Superintendent Gramley will hold examinations at Centre Hall next week, 11th, for Centre Hall borough and Potter township. He is now holding examinations in various parts of the county.

### Wanted.

A few industrious and intelligent young men to learn wheel making. Apply at once to W. W. Boon.

### SUICIDE AT ROCK SPRINGS.

Arthur O. Goheen, of Tyrone, Shoots Himself at His Father's Home.

Arthur O. Goheen, of Tyrone, who had been spending several months past at the home of his father, J. J. Goheen, at Rock Springs, this county, in the hope of recovering from the effects of recent serious illness, committed suicide shortly after the noon hour Thursday last, by shooting himself. He lingered a short time, but never rallied, and death resulted about two hours after committing the deed.

Arthur Goheen was a strong and healthy young man until last fall, when he had a severe and lingering attack of pneumonia, which left him with health shattered, his heart being very seriously affected. Recovery was progressing very slowly, and it was in the hope of a more speedy return to health that he went, with his wife and babe, to the old homestead at Rock Springs some time ago. His continued ill health had caused him to become despondent and it was undoubtedly his despondency over this that led him to the act which proved fatal.

It was shortly after one o'clock Thursday afternoon, only a few minutes after his wife had left him in his room up stairs, that he committed the deed. He had found the revolver belonging to a farm hand in a trunk and with this weapon ended his life, the shot being fired into his head. After the shooting he was conscious, and lingered until four o'clock when death released him from his suffering. The funeral took place at two o'clock Sunday afternoon from his father's residence at Rock Springs, the services being conducted by Revs. J. C. Kelly and T. S. Armentrout. Interment at Graysville.

The deceased was aged 29 years, 3 months and 28 days. He was born at Rock Springs, and about eight years ago went to Tyrone, and since that time he has been engaged as clerk in the store of his brothers, J. C. and J. M. Goheen, in that place. On June 30 last he was united in marriage to Miss Mary Gray, of State College, and to them a little babe has since been born.

### The Ettlinger House.

On Monday Mr. Hiram M. Goodman, of Haines township, was in Bellefonte, to look after his claim for damages, against the county, for the destruction of the Ettlinger house, at Woodward, by fire. Mr. Goodman was the owner of the property and naturally wants to be paid. The county commissioners are not certain of the county's liability in the matter. For that reason they hesitate. In order to settle the matter a stated case will be presented to the court for a decision. In case the county is liable, a board of arbitrators will likely be appointed to estimate the real damages.

Neither party desires to engage in an expensive suit and think the matter can be amicably adjusted.—Bellefonte Gazette.

### Sworn In.

The school board met on Monday evening and organized for the ensuing year. Two members, John T. Lee and John Krumbine, of the old board, retired, and W. W. Boob and W. O. Rearick elected. The new board elected M. L. Emerick, president; J. A. Reesman, secretary, and George W. Ocker, treasurer. The auditors found a balance in the treasury of about ten dollars, and everything in good shape. No business was transacted, and the board adjourned to meet on June 8th, when the selection of teachers will be considered.

### Pleased Everyone.

The Potters Mills band furnished the music for Decoration services here on Saturday, and the boys acquitted themselves in first-class manner. The band is comparatively in its infancy, but they handle the instruments like veterans. Everyone was pleased with them, and when any music is needed in the future at Centre Hall, the Potters Mills band will get a call.

### Improvements.

A new porch is being built on the property of John Wolf, occupied by W. O. Rearick, down street, which will do much towards improving the exterior.

The new house at the station being built by A. P. Luse and Sons is under way, and another vacant lot at that end of town is occupied.

Prof. Krise made several improvements on the exterior of his residence, and has made the building more convenient.

### Handle Factory.

Mr. Poulson, of the Howard handle factory, we are informed, is about to remove his business to our town and occupy the new building put up by Mr. Colyer, near the station, thus adding a new industry to our town, which we trust will be a success. This is a good point for business enterprises in many respects.

### Appointments Changed.

Because of the re-opening of the brick church at Tusseyville on Sunday June 7, at 10 a. m., the services of the United Evangelical church are changed as follows: Centre Hall 10 a. m., Tusseyville 7.30 p. m.  
C. H. GOODLING, Pastor.

### FIRE AT POTTERS MILLS.

J. W. Smith's Tannery Totally Destroyed This Morning.

The large tannery owned and operated by Mr. J. W. Smith, at Potters Mills, was totally destroyed by fire about two o'clock this morning.

The tannery was in operation yesterday, and the engine was running the bark mill. When closed down in the evening Mr. Smith made his customary inspection and everything appeared all right when he left. The buildings were large and covered about eighty feet square. The tannery is situated along the bank of the creek and is near Allison's woolen factory.

When the fire was first discovered and the alarm given, the building was a mass of flames and it was impossible to save any of the contents. It burned rapidly, being a frame building, and was soon down to the ground.

The tannery was heavily stocked with hides and finished leather, which is a total loss. At one time it was thought the fire would communicate to the Allison residence, but the wind fortunately turned and the danger was averted.

Mr. Smith's loss will be about \$5,000, on which he has an insurance of \$3,800. No reason can be assigned as to origin of the fire. Insured in a cash company.

### Family Almost Burned.

Early Tuesday morning, while the family of Mrs. Sarah Mott, of Mill Hall, were asleep in their beds, one of her daughters was awakened by burning wood and plaster falling on the bed. The room was full of smoke, and she had considerable difficulty in rousing the rest of the family.

All narrowly escaped with their lives as the roof was almost burned away before the flames were discovered. Beyond a few pieces of furniture nothing was saved. The fire was incendiary.

### The Missionary Convention.

The Women's Home and Foreign Missionary Society of the Northern Conference of the Lutheran church, convened in the Lutheran church at this place last evening. There are a large number of delegates present, and the sessions will continue until this Thursday evening, when the convention ends. The sessions will be of interest and there will be a good attendance throughout. About forty delegates will be present.

### Not Correct.

A report has been in circulation the last few days that Julian Fleming, late a citizen of our town, was numbered among the victims of the fatal St. Louis Cyclone. As far as can be learned the story is without foundation, and no word to that effect has yet been received by Mr. Daniel Fleisher, Mr. Fleming's father-in-law. The report originated from seeing a name similar to Mr. Fleming's among the list of the dead victims.

### Will Change the Lamps.

It is the intention of the town council to change the position of several of the street lamps, and place them where the lamps will be of actual service, instead of lighting up the alleys as they now do. The lamp that was safely hidden away in the trees in the centre of the diamond has been placed at the corner of M. L. Emerick's lot, and it is now doing business. Another lamp should be placed in the diamond, as there are not enough lamps in that part of the town.

### No Ball Team.

Centre Hall for years has had a good ball team, and they nearly always had the highest perch in the roost. We will have to forego the pleasure this year, nearly all the timber having left the town, and hardly enough boys can be found to fill the bases, let alone the rest of the field. Several adjoining towns have tried to arrange games, but 'twas no good.

### Short Items of Interest.

The hay crop will be light. Oats and corn are on a fair way just now. The fruit crop is still safe.

There was a light frost on Tuesday morning. Saturday night we had .53 in. rain, which was quite welcome.

Reuben Hartman and John Frank, two of Millheim's esteemed citizens, recently quite ill, are fast improving and able to be about.

B. F. Kister, an active Democrat of Millheim, will be urged by his friends as a Democratic candidate for County Auditor.

### A Special Train.

A special train will be run from Bellefonte to Coburn next Tuesday evening, June 9th, to accommodate those who desire to attend the Democratic county convention. The train will leave Bellefonte at 5 o'clock, p. m., and stop at all stations.

### Plants for Sale.

Mrs. George Flora, of this place, has a lot of nice cabbage and tomato plants for sale; also late celery plants.

—The Philad. Branch, in their new room, Bellefonte, now carry a larger stock than any two stores in the town, and the prices are away down. And then every deal is made satisfactory or money returned.
