Free silver means, that if you earn a dollar you get a coin that has 50 cents worth of silver in it and is called a dollar.

ALL Republicans and Democrats cursed the last legislature for its infamous doings. Womelsdorf and Curtin voted for the most of it.

P. H. MEYER, nominee for commissioner, is a gentleman of business qualifications and intelligence, is a farmer and hails from one of the oldest and best Democratic families in the county.

In nominating Daniel Heckman for county commissioner the Democracy paid a just compliment to one of the most prominent Democratic connections in the county.

On the bill to double the price of coal—the pipe-line bill—Harry Curtin voted for it and Womelsdorf was present and dodged it.

THE amount of silver coin in circulation in France, maintained at a parity with gold, because no further silver coinage is permitted there, is \$70,000,000.

QUITE a number of Republican soldiers have intimated they will not support "soldier" Abe Miller for sheriff and give reasons for it that are not complimentary to Abe.

WE print the ad. of the Harrisburg Daily Patriot in another column. It reaches this county in the morning, over half a day earlier than any of the New York and Philadelphia dailies.

ALL the disgraceful legislation of our last session received the votes of our mis-representatives, Curtin and Womelsdorf, in consequence of which the state treasury is bankrupt and short two million dollars.

SINCE Abe Miller does not have great credit among members of his own party as fit for the office of sheriff, the Democrats present a number one man in W. M. Cronister, who is a man of pleasing manner, good reputation and well qualified, and his majority will be swelled by the votes of right-thinking Republicans.

THERE is only one \$10,000 United States note in existence, and that has

never been issued, but is kept in the Treasury as a specimen. There are three \$5,000 greenbacks. Two of them are in the Treasury; the third was paid several years ago, and is probably in the vault of some bank, because it has never been heard from since.

We desire burglars to distinctly understand that none of the above stuff is to be found about the premises of the editor of this paper.

MANY Democrats, and Republicans, in this county favor the adoption of the Crawford county system of making nominations and doing away with the old delegate system, which is open to abuses in manipulation and buying and selling delegates at the county seat before the meeting of the convention.

ONE stands almost appalled at the task of enlightening voters on the dominant issue of the campaign. Here is a story to the effect that a local manufacturer went into his mill to sound his workmen on the subject.

REBERSBURG. What Our Correspondent Has to Give us from that Busy Town.

The farmers are beginning to make hay; the crop will be much better than was expected.

Mrs. Charles Gramley, from Kaneville, Ill., is visiting her relatives at this place; Mrs. Gramley is a daughter of Samuel Looe.

On Sunday afternoon the Union Sunday school at Kreamerville held their Children's day service, the children did well and the audience was well pleased, especially with "Thoughtful Pansy."

On Sunday evening the United Evangelical Sunday school held their Children's day service; the house was crowded to its fullest extent and enough on the outside to fill it another time.

The following teachers have been selected for our schools: Madisonburg, grammar, George Yearick, primary, Ammon Hazel; Harter's, John N. Moyer; Rebersburg, grammar, W. P. Hosterman, second grade, J. C. Morris, primary, Henry Deutwiler; Gramley's, Ammon Weaver; Wolf's, William H. Limbert; Brungart's, Forest Emerick; Stover's, Harry Yearick.

COBURN. The Fourth Passed Off Quietly, No Demonstrations.

Reuben Boyer and family were visiting friends at Spring Mills last Sunday.

Huckleberries are now in market at five cents per quart; they seem to be plenty this year again.

Miss Maggie Sheriff, of Watsonstown, Pa., is at present sojourning at the home of Prof. James E. Harter.

The veranda at the hotel is now completed and when the painter's brush has been applied it will have an attractive appearance.

Mrs. John Hoffa is at present spending a few weeks visiting her parents near Lewisburg. Her husband joined her in her visit one day last week and will remain a few days yet.

J. H. Fryer, wife and his mother left one day last week in a private conveyance, and drove to Northumberland county to visit R. J. Snavely, whose wife is sick.

A representative of J. H. Beers and Co., of Philadelphia, was in this vicinity last week hunting up data for a proposed biographical work of Central Pennsylvania. He received several subscribers at this place.

The members of the Lutheran Sunday school are now making preparations to have Children's service on the

evening of the 19th of July. The title of the service is "Temple Builders." Prof. Sharp had a Punch and Judy show in the vacant store room of M. Rockey's on Friday evening, which was well attended and was highly commended by all who were present.

The Glorious Fourth passed off quietly at this place. There was no demonstration of any kind, not even so much as a dog fight. The small boy got in his work with the fire crackers; a merry-go-round was here on a vacant lot to amuse those who wished a "Nelly Bly Flyer;" a few drunks were noticeable, but quietness reigned all day; in the evening a few sky rockets and Roman candles were exploded, and the bang of the cracker was kept up till a late hour, after which the people went to their respective homes, no doubt glad that they were citizens of the land of the free and the home of the brave, and probably free silver.

OAK HALL. Visitors Who Have Been Circulating Among us the Past Week.

W. H. Rishel is repairing his home. Our young people had a jolly time on the fourth.

Edward Sellers left on a business trip this week; we wish him success. Samuel Gilliland returned from school on Monday evening, on account of sickness.

Irvin Johnson, of Hollidaysburg, is visiting at his grand-parents, I. J. Irvin.

Harry Frantz, of Pine Grove Mills, was transacting business at this place on Monday.

Mrs. Alex. Kuhn, of Boalsburg, was visiting at the home of Mrs. Ella Sellers on Tuesday.

Mr. and Mrs. Jared Kreamer, of Centre Hall, dined at the home of Daniel Korman on Friday.

Miss Boyles, of Altoona, and Miss Williams, of Lemont, visited Mrs. William Rishel at this place.

Harry Tressler and sister, of Fillmore and Mrs. Johnson, of Bellefonte, were visiting at the home of Wm. Sellers.

Emanuel Korman and wife, of Bellefonte, and C. W. Korman and family, of Buffalo Run, were visitors at the home of Daniel Korman the past week.

Mrs. Harry Wagner, of Rock Forge, who has been on the sick list for some time, is now visiting at the home of her parents, E. B. Peters, of this place.

One Way to be Happy. Is to attend to the comfort of your family. Should one catch a slight cold or cough, call on R. E. Bartholomew, Centre Hall, and G. H. Long, Spring Mills, and get a trial bottle of Otto's Cure, the great German Remedy free.

We give it away to prove that we have a sure cure for Coughs, Colds, Asthma, Constipation, and all diseases of the throat and Lungs. Large sizes 50c. and 25c.

Stopped Work. The council has quit work on the hill back on Hoffer street. The work will be continued later on.

Few medicines have held their ground so successfully as Ayer's Cherry Pectoral. During the past fifty years, it has been the most popular of all cough cures and the demand for it today is greater than ever before.

MILLSHEIM.

The Elocutionary Entertainment a Great Success.

Andy Anderson, the horse dealer, left for his home in Iowa on Monday last.

George H. Small, the insurance agent was seen on our streets last Monday and Tuesday.

The bricklayers are at work on the new school building; Charley Bell, of Bellefonte has the contract.

The band was to State College on the 4th, and received a good droning; they returned on Sunday afternoon.

Whortleberries and raspberries are very plenty; the former are selling at four cents, and the latter at six cents per quart.

The festival of the United Evangelicals was fairly well patronized, but the rain kept many away. About forty dollars was realized.

Miss Marion Musser, a very interesting and bright young lady, formerly of this borough, but now of Scranton, is visiting friends and relatives here.

Quite a number of people were in town on the 4th; a great many more would have been here but the rain interfered. The usual horizontal refreshments were served.

Squire F. P. Musser, who has been in West Virginia for some weeks, returned on Tuesday last, and is now ready to dispense justice and equity to all who may have business in that line.

Among those who went to Lock Haven on the 4th were John Goodhart, Ed. Woomer, Israel Confer, Samuel G. Ulrich and W. A. Tobias; they report having had a good time. The eagle did scream for certain.

R. E. Bumiller, the editor, and his daughter Ida, started for Williamsport on their wheels, on Monday afternoon to be gone a few days. Miss Bumiller is the most accomplished rider in this part of the country.

Dr. Jones, the veterinary surgeon, of Watsonstown, is stopping at the hotel Musser for a few days. He has with him a fine Percheron Stallion, which he is endeavoring to dispose of; any one wishing a horse of this kind would do well to call on him.

The elocutionary entertainment in the town hall last Friday night, given by Miss Stapleton and her class was well patronized, and the young ladies acquitted themselves well. Miss Stapleton expects to raise a large class in Rebersburg and will give an entertainment at the close of her teaching at that place.

Mrs. Rhodie Noah, of this place, was taken in the night with cramping pains and the next day diarrhoea set in. She took half a bottle of blackberry cordial but got no relief. She then sent to me to see if I had anything that would help her. I sent her a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy and the first dose relieved her. Another of our neighbors had been sick for about a week and had tried different remedies for diarrhoea but kept getting worse. I sent him this same remedy. Only four doses of it were required to cure him. He says he owes his recovery to this wonderful remedy.—Mrs. Mary Sibley, Sidney, Mich. For sale by Wm. Pealer, Spring Mills, S. M. Swartz, Tusseyville, and R. E. Bartholomew, Centre Hall.
