There is nothing to prevent anyone concocting a mixture and calling it "sarsaparilla," and there is nothing to prevent anyone spending good money testing the stuff; but prudent people, who wish to be sure of their remedy, take only Ayer's Sarsaparilla, and so get cured. —The Philadelphia Branch in Temple Court, Bellefonte, leads in all that pertains to gentlemen's attire. They have made a study of their customers' wants and know exactly how to please you in quality, style and price.

POTTERS MILLS.

What our Correspondent Across the Valley Has to Say. The band festival was a fizzle, on account of the bad weather, and they have concluded to hold it on Saturday evening, Sept. 12. Alexander McCoy left on Monday for a visit to his daughter, Mrs. Potts, in Youngstown, Ohio. Edwards Evans left for Tyrone today, Thursday, where he will visit friends and then return to his home in Williamsport. L. Armstrong is cleaning up the machinery in the factory at this place. Miss Mabel Moyer, of Millheim, is visiting among her friends here. The farmers are getting their work in shape so that they can attend the Granger picnic. The supervisor of our roads is quarrying stone at the quarry near the Rock Grove school house; he expects to make some road. Have Your Deeds Recorded. Recorder Hershey, of Harrisburg, says John Carwell, of Londonderry township, is the man whom he alleges bought a farm, paid for it and received the deed. Five months after making the purchase he came to have the deed recorded, but in doing so found that a judgment of \$362 was entered against the property. This money, it is said, was borrowed by the man who sold the place to Carwell some time after the sale was made, and gave the note on the property sold. Recorder Hershey says Carwell was obliged to pay the note. The law is that all deeds must be recorded within three months after the sale of the property. Ayer's Hair Vigor tones up the weak hair-roots, stimulates the vessels and tissues which supply the hair with nutrition, strengthens the hair itself, and adds the oil which keeps the shafts soft, lustrous, and silky. The most popular and valuable toilet preparation in the world. —The Philadelphia Branch leads in common sense clothing at common sense prices—hard time prices. They look for only a fair profit there. In many of the goods they sell they don't get any.

A Sufferer Cured "Every season, from the time I was two years old, I suffered dreadfully from erysipelas, which kept growing worse until my hands were almost useless. The bones softened so that they would bend, and several of my fingers are now crooked from this cause. On my hand I carry large scars, which, but for AYER'S Sarsaparilla, would be sores, provided I was alive and able to carry anything. Eight bottles of Ayer's Sarsaparilla cured me, so that I have had no return of the disease for more than twenty years. The first bottle seemed to reach the spot and a persistent use of it has perfected the cure."—O. C. DAVIS, Wautoma, Wis.
