TRIBUTE OF RESPECT.

Whereas, It has pleased the Great Commander of the Universe to remove Comrade Andrew Gregg from the arms of veterans below to the ranks of those who slumber within the silent halls of death, therefore be it

Resolved, That while we bow in meek submission to the will of Him who doth all things well, believing that our loss is our Comrade's Eternal gain, we mourn the loss of one who by his kind and sympathetic nature endeared himself to all with whom he came in contact.

Resolved, That in his death Samuel Shannon Post G. A. R. loses a member, who by his prompt and regular attendance at all its meetings showed the great interest he took in all his brother comrades, and his great love for the fraternity.

Resolved, That we tender to the bereaved members of the family our sorrow and sympathy in their bereavement.

Resolved, That a copy of these resolutions be spread upon the minutes of our Post, and that a copy be sent to the different county papers.

D. B. BRISBIN, DAVID BRIEHL, W. A. KRISSE.

The Latest in Swindling.

A peculiar swindle growing out of the gold and silver enthusiasm was practiced at Benton last week. Two men, who seemed to be strong silver and gold advocates, were in the Central depot and became involved in a heated discussion. The gold man offered to bet a gold double eagle that if he hammered the coin into a shapeless mass it would still be worth \$20. He was ostensibly taken up by the silver advocate, but when it came to selling the lump to Jeweler Roth, the store was closed. James Hagerty, a strong sound money advocate, who stood by and who had implicit faith in the value of gold, gave the man \$20 for the battered coin. The two enthusiasts disappeared shortly after, and then it was discovered that the metal left by them was spurious.

Good News Indeed.

A good many of our influential citizens have been trying some time to get the well-known Specialist on all Chronic and Private Diseases, Dr. M. Salm, of Columbus, Ohio, to return to Centre Hall, and make regular visits, as heretofore. The Institution to which he belongs, has at last, on account of a deluge of petitions and letters, consented to give us his valuable services again, beginning Monday, Oct. 5th, and every four weeks thereafter on the same day. Those suffering with Chronic Disease, of any kind whatever, had better call on him on the above date, at Ruhl's hotel. Consultation and examination free.

If your child is puny, fretful, troubled with glandular swellings, inflamed eyes, or sores on the head, face, or body, a course of Ayer's Sarsaparilla is needed to expel the serofulous humors from the blood. The sooner you begin to give this medicine the better.

The knack of looking well is due principally to the clothing one wears; to dress well does not necessarily mean that one must own a silver mine or have a "corner" on gold. Inquire at the Philadelphia Branch—what they don't know about fitting you out nobly and at a low figure no one else knows.
