Coming and Going,-Visitors in and out of Town.

James Stewart, of New Bloomfield, Pa., spent several days in town this week.

-Mr. and Mrs. E. M. Huyett and daughter, of Warnersville, Pa. arrived last week on a visit to friends in this place.

-Mrs. W. P. Shoop after spending several weeks with friends at this place left for her home at Scranton last Saturday.

-Our old friend, Wm. Rishel, of Tusseyville, gave us a call, and informs us the general health over there is good.

-Miss Martha Wilson, on Church

street, has been confined to the house the past week, suffering from a severe cold. -W. H. Meyer, Coburn's retired

merchant, gave us a call, and put his label in good shape. He tells us things look healthy for Bryan down there.

-Mrs. Elmer Campbell, of Linden Hall, spent last l'hursday with her mother, Mrs. Jane Love, on Church, street, who has been sick.

Durst, of the Lock Haven Normal, visited the latter's parents, Mr. and Mrs. James Durst, east of town, over Sunday.

-Mrs. Martha Wood and two children, who have been visiting friends at this place for some time departed Wednesday for their home in Ridgeway, Ill.

-Our esteemed Democratic friend, John Shafer, of Madisonburg, was in town on Wednesday, visiting his aged mother at the home of her daughter, Mrs. D. Bartges.

---George Benner returned last week from Boston, where he and his wife had been visiting friends. George has accepted a position at Boston and will remove to that place in a short time.

-Mrs. Martha Orlady left on Wednesday, after having spent several months with friends at this place. She will spend the winter with her son, Superior Judge George Orlady, at Huntingdon.

-J. W. Runkle, of Middleburg, formerly of near this place, gave our sanctum a call, and advertises some valuable real estate for sale. Snyder county has not yet shaken his Democratic faith.

-Candidates Harrison Kline and Matt Riddle gave us a call while passing thro here on an electioneering trip; there is no doubt of both of 'em being elected if they could get votes enough.

-Commissioners Strohm and Adams illumined our sanctum with their presence a few days ago, to see how the work of printing the election ballots was progressing and were pleased to find all under first class headway.

-Henry Emerick, of Far. Mills, gave us a call and put his newspaper label in healthy shape. He keeps up to time in all things and has his fall work, corn husking, potato raising and such all done; he only needs to do his butchering yet and with lots of sausages he will be as independent as a prince until next spring.

To Clean Spectacles.

Sometimes the lense of spectacles become greasy, and no amount of ordinary rubbing will get them bright. A piece of tissue paper, dipped in a weak solution of washing soda, will prove effectual. When a lense becomes brown or nasty looking use a paste of rouge and water. This must be used by rubbing briskly, with either the point of the finger or the side of the hand. This applies also to photographic or other lenses, except the object glass of a telescope. Misty, unclean spectacles are extremely dangerous to the eyesight.

The Darlington, Wis., Journal says editorially of a popular patent medicine: "We know from experience that Chamberlain's Colic, Cholera and Diarrhoea Remedy is all that is claimed for it, as on two occasions it stopped excruciating pains and possibly saved us from an untimely grave.

We would not rest easy over night

Counterfeits at Jersey Shore. Jersey Shore citizens are excited over the passing upon their merchants several counterfeit dollars by a boy a few days ago. They are light in weight but good imitations of the genuine dollar.

No kitchen is kept cleaner than the premises devoted to the manufacture of NOME SUCH Mince Ment No housewife can be more fastidious in the matter of preparing food than we are in the selection and preparation of the materials of which it is made. The cleaning of the currants (for one thing) is more thoroughly done by means of perfected appliances, than it would be possible to do it by hand.

Its cleanliness, purity, wholesomeness and deliciousness are good reasons for using NONE SUCH Mince Meat. The best reason is its saving-of time, of hard work, of money. A ten cent package affords you two large pies, without trouble to you beyond the making of the crust. Makes just as good fruit cake and fruit pudding as it does mince pie. Sold everywhere. Be sure and get the genuine.

Send your name and address, and mention this paper, and we will mail you free a book—"Mrs. Popkins'Thanksgiving"—by one of the most famous humorous authors of the day. MERRELL-SOULE CO., SYRACUSE, N. Y.
