Married at Fairbrook.

A pretty wedding took place Thursday last at the home of Mr. and Mrs. H. C. Campbell, of Fairbrook, this county. The contracting parties were their eldest daughter, Nannie, and Herbert Meek, of State College. The ceremony, witnessed by over seventy relatives and friends, was performed at high noon by Rev. Asbury W. Guyer. The wedding march was played by the bride's sister, Miss Mamie Campbell. The attendants were Miss Mary Meek, sister of the groom, and the bride's brother, J. Milo Campbell. After congratulations had been showered upon the newly married couple the company repaired to the dining room where a bountiful collation awaited their coming. An array of handsome presents in an upper room bore evidence of the high esteem in which the young couple are held by their many friends. They left on the evening train for a few days' trip to Washington, D. C., and on their return will take up their abode at State College, where the groom is engaged in the drug business.

An Interesting Belle.

A Centre county man who attended the market exhibited a pair of hand cuffs which he said had been found near Bellefonte and are believed to have been used in shackling one of the noted highwaymen, Lewis and Conley, who flourished in this section many years ago. The hand cuffs had been made by a country blacksmith, were of crude workmanship and were badly eaten by rust. What reason there is for thinking they had been on Lewis or Conley was not learned.—Lock Haven Express.

To Preserve the Game.

The State Sportsmen's association will draft a bill that will be presented at the next session of the legislature that will enroll all the fish and game bills in one and have a chief game warden for the state, who will receive a small salary and have power to appoint sub-wardens, who will be paid for the work they do.

Last Day for Making Cider.

Next Thursday, November 5th, will be the last day for making cider at the press at Luse's planing mill at the station.

FISHBURN STUMP.

A Pretty Wedding Took Place Tuesday, Near Tusseyville.

On Tuesday the home of Mr. and Mrs. Levi Stump, of near Tusseyville, was the scene of a very pretty wedding, at which time their daughter, Miss Perie was united in marriage to Mr. Harry Fishburn, of Bellefonte.

The hour appointed for the wedding was 12 o'clock, noon, and before that time over eighty invited guests had arrived to witness the happy event. The ceremony was performed by Rev. S. H. Eisenberg, of this place, and the ushers were Miss Mamie Keller, of Bellefonte and Miss Lizzie Slack, of Tusseyville. Immediately after the ceremony a sumptuous repast was served the guests.

The bride was the recipient of many pretty and useful presents. Among the guests from a distance were Rev. and Mrs. S. H. Deitzel, of Pleasant Unity, Pa., Rev. D. J. Wolf, of Ruffsdale, Pa., Mr. and Mrs. Weaver, of Coburn, and others.

The bride and groom departed in the afternoon on a wedding tour and expect to be absent for some time. Mr. Fishburn is an industrious young man and has secured a congenial companion and helpmeet.

Will Pay Their Way.

Hereafter when the Lutheran Brethren of the East Pennsylvania synod assemble in convention as delegates they will not be under the necessity of feeling that their presence is an affliction upon the household that has opened its doors to them. A new rule was adopted by the East Pennsylvania Synod of the Lutheran church in session at Easton last week, which will be appreciated by the guests as well as the hosts. The old custom, which required the congregations where the synod met to entertain the members of the synod during its session was abolished. After much discussion the synod resolved to pay all expenses of the sessions, including entertainment, out of the synodical fund, the churches to be assessed to replenish the same. Hereafter each minister and layman will be allowed \$1.25 a day to provide entertainment for themselves while attending synod. It is a timely abrogation of the old custom and all denominations should adopt this rule.

State College and Bucknell.

The annual contest in foot-ball between State College and Bucknell will take place next Saturday afternoon, Oct. 31, at Athletic Park, Williamsport. The game this year will be more exciting than ever as both teams are going in to win. The State team, this year, is coached by S. B. Newton and Arthur Knipe, of the University of Penn'a, and the Bucknell team is being coached by Will Young, of Williamsport, an old Cornell player. This week Coach Young is being assisted by Harvey Smith and Geo. Megargey, of the University of Penn'a. A great crowd is expected to witness the event and it is estimated that over 5,000 people will take in the game. Reduced rates will be secured on all railroads into Williamsport.

Water Companies Consolidate.

Rebersburg's two old water companies have consolidated with the recently incorporated water company, and the three are now one. There was considerable feeling between the old and unchartered companies at the unexpected birth of a new company with charter. An amicable merger has taken place and now all is one and peace reigns. The new order of things, we understand, will have upwards of 200 feet of head from the mountain 1 1/2 miles south of town and the supply of water adequate for all its needs.

Watch for Them.

The Lock Haven papers say that a number of counterfeit silver half dollars have been seen in that city during the present week. They are a well made imitation of a good coin and have the date of a late issue. They might find their way up this way, so it will be well for Centre Hallers to look out for them.

A Hugger in Bellefonte.

Bellefonte has a sensation in a masked man who lately has been prowling the darkest streets and grabbing women and girls who are traveling alone and hugging them. All efforts to catch the man have proved futile. The man attempts no harm to his victims other than to hug them.

Special Train.

On account of the Democratic meeting at Bellefonte on Saturday the 31st, arrangements have been made for special return train leaving Bellefonte at 10.30 p. m. for Coburn, stopping at intermediate stations; tickets to be sold at single fare for round trip.

Communion Services Postponed.

Phillipsburg Brick for Russia.

The Phillipsburg Fire Brick Works are having an exceedingly busy time of it just now, working night and day shifts. We understand that the company is working on a heavy order for the Russian government, amounting to about a half million brick. The object on the part of the Russian government is to build a steel plant similar to Carnegie's for making armor plate. Several car loads have already been shipped, and the balance of the order will be filled without delay. When this order is filled, there will be very few brick about the place, so that the works will likely be busy replenishing their stock for the balance of the year.—Phillipsburg Journal.

Ex-Judge Whitmer Dead.

Ex-Judge William Whitmer, whose death occurred in Philadelphia, 4600 Chester Av., on 29th, was formerly a well-known business man at Sunbury, and some eight years ago had a number of lumber operations near Centre Hall and other parts of this valley. He had been ill for some years with kidney trouble, and the immediate cause of his death was heart failure. He was taken sick early Tuesday morning, and he died at 6 o'clock in the evening.

He was born in McAllistersville, Pa., Dec. 11, 1835. For many years he lived at Hartleton, and kept store at that place. In 1872 he moved to Sunbury and embarked in mercantile business. About three years ago Mr. Whitmer retired.

After living in Sunbury for over 20 years, in 1894 he built a handsome residence in West Philadelphia. He was a member of the Presbyterian church.

Working a Swindle.

A slick swindler is working the towns in near by counties by securing orders for cabinet photographs at a reduced rate, collecting part of the price, and that is the last heard of him or the money. It will be well to lookout for him.

—The knack of looking well is due principally to the clothing one wears; to dress well does not necessarily mean that one must own a silver mine or have a "corner" on gold. Inquire at the Philadelphia Branch—what they don't know about fitting you out nobly and at a low figure no one else knows.

A TOT PLAYS WITH BEAR CUBS.

Found in a Woods by Searchers Who Have a Desperate Fight With the Mother.

Early Saturday morning, Helma Oethli, a five-year-old girl wandered away from her home at Snow Shoe. Later in the day her parents grew alarmed at her absence, and a party of neighbors searched in quest of the missing tot. The child was finally discovered in a small clearing, where to the surprise of the searchers, she was seen romping with two bear cubs.

After the child had been carried to a place of safety an effort was made to capture the cubs alive. The animals made such a commotion that a large female bear, evidently the mother of the cubs, was attracted to the scene. She charged the party of woodsmen who were attempting to carry off the cubs, and made it quite interesting for them for a time. The men were unarmed, except with revolvers and clubs and a desperate struggle ensued at close quarters. Her bearship was finally killed, but not before several members of the party were terribly bitten and clawed by the enraged bear. The carcass of the bear weighed 250 pounds.
