Greece up to date keeps defiant and up to date has not been scared by the powers of Europe.

ONE Swallow don't make a summer but can make a deal of trouble among the state pilferers at Harrisburg.

Intelligence may come any hour of a great war breaking out in Europe on the Greece and Turkey difficulty.

IT seems certain the Senate will pull the ugly shark's teeth out of the Dingley-McKinley trust tariff bill that is about to be railroaded thro the House.

THE friends of John Wanamaker are organizing to have him nominated as the anti-Quay candidate for state treasurer.

THERE is a loud cry from conservative Republican quarters against the Dingley tariff bill-it is a bolster for trusts and monopolies.

The swearing is both loud and deep from the gold Democrats. Locally it is heard on

THE CENTRE REPORTER the streets, in clubs, in stores and in banks. They have been deceived, humbugged and sold out, and they feel it. The gold Democratic papers that did so much to elect McKinley are boiling over in the anger and bitterness of humiliation. The same may be said of the independent press, so powerful in

gaining votes for McKinley last year. Postmaster General Wilson, after Mr. Cleveland and Mr. Carlisle, was the most effective of the Democratic bolters. In a letter to the New York "Herald" he characterizes the Dingley bill as "a vast and voluminous scheme of class taxation, the production of public revenues being an incident and entirely subordinate to the purpose of taxing all the American people for the on both sides. benefit of a small part of the people."

WHAT Rev. Dr. Swallow gave in his testimony on Saturday:

Paying \$400 for putting up a flagpole at Scotland school, altho another man offered to do it for \$40;

Keeping a bar-room at the same school by its managers;

Giving official Boyer \$25 bonus on a contract:

Getting five sets harness for two horses, cost \$257;

Buying two horses for \$330 for Scotland school which were not worth over \$100.

And Swallow has more for these fellows to swallow.
