—Miss Agnes Murray returned home Tuesday from Buffalo, N. Y., where she is taking a course in pharmacy. She will spend the summer vacation with her parents at this place.

—George Benner will not return again to Boston, but intends to devote all his time to the store at the station. His brother Frank intends remaining among the bean eaters, and has a very good position there.

—Alfred Brisbin, of Bellefonte, was the guest of his friend John Van Pelt, last week. Together they tried the trout streams around here, and met with fair success, but left a few for the others.

—Simon Harper, the acknowledged champion among our fishermen, added five fine beauties to Murray's aquarium last week. None of them measure less than eight inches, and they are beauties. Simon says he won't be satisfied until he has caught one not less than fifteen inches.

Repulse for the Turks.

A dispatch from Arta on Monday morning announced that fighting between the Greeks and Turks continues at the entrance of the gulf of Arta and elsewhere in that vicinity. The Turkish batteries at Hamideh and Pentocrators are replying feebly.

The crossing of the river Arakhepos by the Greek army under Col. Múnos, numbering about 25,000 men, was attended by severe fighting, during which the Greek artillery battery distinguished itself. This Greek force is now in Epirus.

The Turks in considerable force have been attacking Reveni, not far from Tyrnavo, northwest of Larissa, which would indicate that the Greeks have not advanced far into the Damazi plain. It is added that the Turks were repulsed at Reveni.

Change of Lutheran Appointment.

TUSSEYVILLE.

Quite an Excitement Over the Appearance of a Panther.

We are sorry to learn that our young friend Milton Benner is very sick with pneumonia. His many friends wish him a speedy recovery. Blanche Houseman was a pleasant guest at the home of Peter Smith, at Centre Hill one day last week. She says that is the place to go to have a good time.

The Gill Bros., from Pleasant Gap, were through our vicinity delivering fruit trees, etc. for Glenn Bros., N. Y. Their stock is first-class and in good order, and all seem to be pleased.

There is quite an excitement in our part of the valley, on account of the sudden appearance of a panther, which was first seen by William C. Farner. It followed him while out plowing; it was again seen last Saturday by Peter Jordan up in the Kettle. Where are our nimrods.

Fred Moyer, of Penn Hall, visited his brother Henry over Sunday. Henry Moyer was taken sick very suddenly last week, with heart trouble; he was in a very critical condition for a few days, but the physician has pulled him through successfully this time.

Gardner Grove and Miss Kate Hockman Married in Illinois.

Esq. M. L. Rishel made a business trip to Bellefonte this week.

Clara Hockman has gone to Bellefonte, where she intends to learn sewing; she is a fine young lady, and we wish her success.

Our supervisor Thomas Scholl, has erected a new fence between the public road and Fisher's dam; now there is no danger of the big suckers interfering with the travelers.

We are informed that Gardner Grove and Miss Kate Hockman, formerly of this place, were married at Freeport, Illinois, April 7, and have chosen that place for their future home.

Made from Human Hide.

L. A. Whitmire, a Muncy shoemaker, has been engaged by a Williamsport physician to make three pairs of slippers from human hide. The leather is from the leg of an unidentified tramp, who was killed on the railroad at Williamsport six months ago. The leather was prepared by a tanner in Williamsport, and the strip when completed was over three feet long.

AARONSBURG.

News of the Past Week as Gathered by Our Correspondent.

A son of Benjamin F. Stover broke his arm near the wrist, and came in to Dr. Musser and had it attended to. Prof. Edmunds opened a select school on Monday, and has some thirty pupils in attendance. Pine Creek, Coburn and Millheim are represented.

Abs. Musser who had been seriously ill with pneumonia is slowly getting better, and for the present Frank Burd has taken his place at Dr. Musser's doing the farm work.

Billy Korman's horse which he got from the drover a few weeks ago has the new disease; one hind and one front leg seems to be locked, so that he can only move with the greatest difficulty.

At the pike letting very few people took the toll by the year; most preferring to drive around rather than pay the prices asked. There is now a road to Millheim north and one south of the toll-gate.

Unfortunately one of D. H. Rote's black carrier pigeons got caught in a rat-trap he had set for a weasel, and the leg is broken at the hock joint. He had a skilled surgeon dress the broken leg and will anxiously watch the result. The birds are hatching and he at once gave the eggs to a pair of homing pigeons.

Consul Hyatt's Double Affliction.

Word has been received at Lewisburg of a very severe double affliction that has befallen United States Vice Consul Hyatt, of that place, who is now at his post at Santiago de Cuba. On Sunday evening, April 4, his only child, Margarita Allen Hyatt, died at the age of four months and two days. She was the only child born in Cuba of native-born Americans since the outbreak of the insurrection. On Wednesday evening following the wife and mother, Margaret McLaughlin Hyatt, died. Both deaths resulted from interlunatic troubles, superinduced by climatic conditions.

Our esteemed young friend, vice-consul Hyatt, has the heartfelt sympathy of the Reporter.
