WOLF & CRAWFORD.

They Mean Business.

There is one school board in the state that means to prevent its female teachers getting married, if possible, and Dunbar has it. For years the board has had trouble in filling vacancies caused by the marriage of its women pedagogues, and it has finally become so weary of its task that a drastic move was decided upon.

An Eclipse of the sun.

On the 29th of this month one of those phenomena will take place that from time immemorial have never failed to engage the attention and elicit a wonder of mankind—a solar eclipse. Even those who are quite familiar with the causes that produce it cannot suppress a feeling of awe on beholding this most interesting of all the phenomena of nature.

L. A. W. Meet, Philadelphia.

For the annual meet of the League of American Wheelmen at Philadelphia, August 4 to 7, the Pennsylvania Railroad Company will sell special tickets from all points on its system to Philadelphia and return at rate of a single fare for the round trip.

July 22-23

Council Meeting.

Friday evening, July 16, council met in regular session in council room; members present, Deininger, Ritter, Bradford, Emerick, Luse and Wolf. On motion of M. L. Emerick the tax for 1897 was fixed at three mills.

—It will be to your advantage to read G. O. Benner's ad. in another column; you will find there the articles you want, and at greatly reduced prices.

DEATH FROM HEAT PROSTRATION.

Wallace Murray Dies Tuesday from the Effects of the Excessive Heat.

Wallace, a 15-year old son of Levi Murray, dec'd, of this place, died on Monday afternoon last, from the effects of heat prostration by which the lad was stricken during the hot spell some three weeks ago; intense pain in the head were the first symptoms, his condition becoming worse, until he was obliged to take to his bed about two weeks ago during which time he grew worse and became unconscious remaining thus to his end.

Little Wallace was respected by all as a good boy; obedient and dutiful to his widowed mother, and industrious for one of his tender years. A twin brother preceded him to the other shore, followed later by the father. Funeral this forenoon, Rev. Rearick, of the Lutheran church, conducting the services.

Left Her Husband.

The Millinburg Times says on Sunday Mrs. Fanny Shriner left her husband. Monday morning he posted a number of notices in town, written in his peculiar style, stating that George Heiser, of Mazeppa, had taken his wife away, together with some bedding and glassware.

All the parties to this affair are deaf mutes. C. H. Shriner was married to Miss Fannie Funk some months ago. A couple of weeks ago he abused her in a shameful manner and to such an extent that a physician had to be called.

It is supposed that Heiser had instructions from the lady's relatives in Centre county to take her away.

Sudden Death at Rebersburg.

The community of Rebersburg was startled on Sunday evening by the announcement of the sudden death of Susan, wife of William Bair. The lady had been in her seeming usual health, and late in the afternoon was stricken with apoplexy, and in about half an hour thereafter, before the arrival of a physician, she expired. She was a daughter of Solomon Wert, of Aaronsburg, dec'd, and a woman of kind disposition and dutiful in all her domestic relations. Funeral on Wednesday was largely attended. Her age was about 54 years.

Exchange of Pulpits.

Rev. Gruver, of the Lock Haven Lutheran charge, on Sunday last filled the appointments of Rev. Rearick of the Centre Hall charge, while the latter filled Rev. Gruver's pulpits.

Rev. Eisenburg last Sabbath did not have services in the Centre Hall Reformed charge in order to have services in the vacant Bellefonte charge.

Rev. John Tomlinson, area pastor of the Aaronsburg Lutheran charge having been back on a visit, on last Sunday preached in all the congregations of that charge and had large audiences.

Second Week Postponed.

Upon a petition being presented to Judge Love, signed by every attorney of the Centre county bar except ex-Judge Furst, the second week of the August term of court has been continued until the November term, and the persons summoned for the second week August term, have been notified that they need not appear. Most of the attorneys desire to take a vacation at this season. It no doubt is more convenient for all to postpone litigation until November.

Post Mortem at Pleasant Gap.

An 8-year old son of Oscar Wasson of Pleasant Gap, died suddenly on Friday last. The cause of his death being a mystery a post mortem was held on Friday evening, by Drs. Emerick and Jacobs, which resulted in finding a knot in the intestines of the lad, caused, as supposed, by an accumulation of gas in the intestines causing a strain that produced the knot.

Something New in the Line of Inventions.

A stove has been invented to cool rooms in summer. Salt, a small quantity of ice and a patent chemical are used, and the stove becomes so cold that, if a hand be placed on it, the skin will instantly blister. As salt is cheap, the chemical not dear, and as the stove can make its own ice in the oven, the device is one that will be likely to come into general use in warm weather.—Ex.

New United Evangelical Church.

Linden Hall is to have a new church this summer. The United Evangelical congregation of that place has purchased a lot adjoining the old church which is in possession of the Esher people. We understand work is to be started upon the new edifice at once.

Heals for Picnics.

Hecla Park, on the C. P. R. is having a number of large gatherings this season for which it is a charming spot. There is a suggestion to make this resort the place for holding joint fairs of Centre and Clinton counties. Capital idea.

—One of the largest stocks of Spring and Summer clothing ever received in this part of the state, was received recently by Lewins, at the Philad. Branch, Bellefonte. It is a tremendous stock and the prices are as low in comparison, and move it.

CRUEL TORTURE.

Thieves Attack a Toll-Gate Keeper and His Family.

George W. Smith, his wife and 8-year-old daughter were the victims of brutal masked burglars Saturday morning.

Mr. Smith is a toll-gate keeper on the Nittany valley pike, near Flemington. At 1 o'clock Saturday morning he was awakened by somebody placing a hand on his throat. He found a masked man with a pistol at his bedside, while two other burglars were ransacking the room. The burglars demanded of Mr. Smith where he kept his money, and on being informed that he had none they tied him hand and foot, and forced a rag in his mouth for a gag.

When Mrs. Smith awoke one of the men placed a pistol at her head and she fainted. While unconscious the burglars bound and gagged her also.

An 8-year-old daughter slept in an adjoining room, and she too was tied and cruelly gagged and then carried over to her parents' bed. While one of the burglars stood guard and tantalized the helpless trio by threatening to shoot them and kindred threats of violence, the other two ransacked the house, finding \$50 in a cupboard. The men were in the house for two hours.

The eight-year-old girl suffered intense agony from the tight rope about her arms, but her struggles had no effect on her torturers. Before they left the burglars surrounded the bed on which their helpless victims lay and bid them good bye. Two hours later Mr. Smith managed to free himself, and he untied his wife and child. The latter was in a pitiable condition from exhaustion and fright, and there is a likelihood of her going crazy.

Reformed Reunion.

The grand picnic and reunion of the Reformed pastors and people, and their friends, of Central Pennsylvania, will be held at Island Park, near Sunbury, on Thursday, August 5th—not on Friday the 6th as has been announced. The forenoon of the day will be given to social enjoyment. At two o'clock p. m. an interesting program of music and addresses will be carried into effect. The speakers engaged for the occasion are Prof. J. W. Knappenberger, A. M., president of the Allentown College for Women; Rev. J. S. Stahr, D. D., president of Franklin and Marshall College, Lancaster, Pa.; Rev. J. Spangler Kieffer, D. D., of Hagerstown, Md., and Rev. F. F. Bahuer, D. D., of Waynesboro, Pa. Special railroad rates and a return train in the evening over the Lewisburg and Tyrone branch will be secured. All are invited to attend and have a pleasant "outing-day."

A New Counterfeit.

Chief Hazen of the Secret Service has given notice of the discovery of a new counterfeit \$10 silver certificate. It is of the series of 1891, check letter D, with a small carmine seal, the portrait of Hendricks and the names of Messrs. Tillman and Morgan as register and treasurer respectively. The counterfeit is described as an apparently woodcut production very poorly executed, the seal being light pink instead of carmine, the numbering irregular and the printing and engraving bad.

Stands First.

In the list of salaries paid the post-masters of Centre county for the year 1896, no better argument can be put forth that Centre Hall has the greatest bustle and does the most business, than that it stands at the head of the fourth-class offices. Millheim, Milesburg and Howard, all claiming as high as several hundred more population than our town, the salaries are about one hundred dollars less. Post-office receipts is the best manner in which to judge the business done in a town.

Narrow Escape from Drowning.

A sad catastrophe was narrowly averted at the big spring at Bellefonte Friday by the quickness and presence of mind of one of the employes of the water works, Henry Spicer. Little Willie Ward, the five-year-old son of Michael Ward, who is employed at Valentine's iron works, was playing there with some of his playmates when he accidentally fell in the spring and had gone down for the third time when rescued by Mr. Spicer.

No Sunday Shaves.

Jerry Miller, the tonsorial artist, will in the future refuse to work in his shop on Sundays. He believes in working six days in the week and taking one off, and those customers who wait until Sunday to have their hair cut and their mustaches removed, will wear them until a week day.

Up at the Top.

Harter, of the Gazette, we omitted mention in our article on trout catching the past season, with fly managed to basket 137 beauties in one day, which puts him at the head of the list and taking his average he stands highest, several times counting 100.

FARM for Sale: Situate 1/2 mile from Potters Mills; 80 acres good limestone land, good water, good fruit and fair buildings. Address, M. Shires, Spring Mills. 229181

TROUT ELECTROCUTED.

A Telephone Wire Attached to Water Pipe Kills the Fish in Murray's Aquarium.

On Monday morning on entering his drug store, Mr. Murray was surprised to find the dozen fine trout in his aquarium "dead as a mackerel." The only theory upon which the death of the fish was caused is by electricity. The ground wire of the telephone line connecting Wolf's store, is fastened to the water pipe which feeds the aquarium, and there being a thunder gust Sunday night, the telephone line was, no doubt, struck by lightning and the electric current conducted to the aquarium, the shock killing all the trout. A jar containing a half dozen small gold fish stood in the aquarium, but none of these were hurt, the glass being a non-conductor.

The Coming Picnic.

The grangers picnic in September at Centre Hall, is the next big event billed for this part of the state. From present indications the picnic promises to eclipse that of any former year, and already preparations are being made by the committee in charge. Through the grounds cinder walks have been laid out connecting all buildings and streets. This will be a great improvement much appreciated. There will be very little building done this year. The park is well supplied and no new ones are needed.

Some Hope for Fish.

Gov. Hastings asked the fish commission if it could get along the next two years with \$25,000, the legislature having neglected to make the annual appropriation of \$17,500 a year for its support. The commissioners replied in the affirmative and the governor agreed to raise this amount by private subscription with the understanding that the subscribers shall be reimbursed by the next legislature.

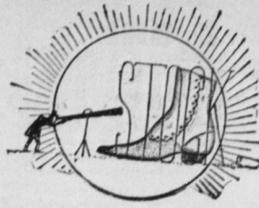

Arm Broken.

A daughter of Scott Tate, of Pleasant Gap, on Monday had the misfortune to fall from a cherry tree, resulting in a broken arm. Dr. Jacobs was called to attend to the case.

Death of an Infant.

Margaret, the seven-months-old daughter of Rev. and Mrs. W. J. Wagner, pastor of the Lutheran charge at Glasgow, Blair county, died last Sunday.
