This war has been going a month | says: and nobody killed yet. An improvement on wars.

Spain says she will fight on to the ginning and will have a woefully bitter ending.

It is now plainly to be seen that Wanamaker's campaign is having a chine, and we wouldn't be surprised provided they decide in sincerity, what if it got smashed.

now in the fix of not knowing wheth- sufferings is almost as visible as if the er Quay or Wanamaker is the right fellow to stick to, since the Quay element has been shuffled out of the post office department.

New and rich discoveries of gold above Dawson City, many of these being located on small islands in the rivby prospectors.

Hastings to form a new Pennsylvania National Guard as soon as the present guard, now assembling at Mount Gretna, is mustered into the regular service. The services of the thousands of men who have volunteered their services in defense of their country will be utilized in the formation of the new guard.

Sour grapes, eh? Spanish naval authorities are satisfied that Spain can easily force the blockade of Cuba when she desires to do so. But in the mean- drawn into such an impasse (blind altime it is explained that, as the governors of Cuba and Porto Rico have cannot escape without great injury." advised the government that they do not need the fleet, it has been decided to utilize the warships elsewhere.

tional bank of Philadelphia are on the middle ages as understood by the increase. The "Singerly plan" of adjustment has been abandoned, and it is also announced that the full amount tical spirit which in the Spaniards is of the late Mr. Singerly's debts and li- absolutely wanting. abilities is much greater than anyone ever supposed, and that "they may exceed \$5,000,000," Where most of this great amount of money went is a mys- have any right to interfere in the af- marked at the very lowest prices tery, on which thus far little light has fairs of Cuba, but the Spaniards cerbeen shed.

One thing has been demonstrated by the Pearl of the Antilles. the experience of both parties during the pending war-namely, that torpedo boats are practically unable to cross the ocean. In wars between countries tion is the general state of ignoranceseparated by the ocean this class of in the upper, as well as in the lower vessels will have to be eliminated as classes. It is the priesthood, absolutefactors from the calculations of naval ly sovereign everywhere, which has strategists. The "destroyers," which led that fine country into ruin." are seaworthy, and which have a larger coal capacity, may give a better account of themselves; but the field of action of the torpedo boat seems to be Uncle Sam! limited to narrow seas. Its proper place is in the mosquito fleet, not in foully blowing up the Maine! the great seagoing navies.

French sympathy with Spain is Manila, and next it'll be Havana! more easily to be accounted for than the German, aside from the race ques- the American navy is the equal of any tion. The London correspondent of in the world. Manila tells the story. the New York "Financial Chronicle" writes under recent date : "It is esti- get will be at Havana, unless they beg mated that French investments in for mercy soon.

THE CENTRE REPORTER Spain are not less than four milliards, the Spanish government, followed boy. probably by a further great depreciation of the paper money and wide- and Deweyed it again at Manila. spread failures in commercial and financial circles, would inflict terrible bor, but the Spaniards are far more losses upon French investors." One down in the mouth just now. of the puzzles of the time, says the correspondent, is how Spain can go on paying the interest on her debt while defraying the cost of the Cuban and now interfered with. Philippine operations. The best explanation is that Spain doesn't do it. that others can blow up ships too. Her 4 per cents selling at 33 cents on the dollar tell the story of defaulting pork; since Sunday Spain will keep

> Porto Rico, a Spanish island 1100 miles west of Havana, is the fourth in Lock Haven Democrat: A few days size of the Antilles, contains 830,000 ago while Mrs. Furst Krider, of Blaninhabitants, of which 300,000 are col- chard, was in this city on a shopping hundred streams water the island, 50 he was completely off his mental base. of which are sizeable rivers.
