

PERSONAL MENTION.

Coming and Going.—Visitors in and out of town. Mrs. Belle Ward, of Bellefonte, visited her mother, Mrs. Stiver, on Church street last week. Emanuel Bower, farmer at Aaronsburg, gave the Reporter an hour's call, and reports crop prospects good. Mr. and Mrs. C. M. Hemphill spent several days of last week visiting among friends in Bellefonte. They returned home Friday. G. W. Spangler, one of the representative citizens of the south precinct of Potter, gave our sanctum an hour's pleasant call. John McCoy, of Harrisburg, a native of Potter's Mills, gave the Reporter a call; he resided in California a number of years. Mrs. Charles M. Arney and daughter Mabel spent Sunday with the family of Rev. W. K. Foster, at Watsonstown, Pa. Wm. Rishel, of Tusseyville, gave us a call and put his label into '99. He reports crops good, and that the post-office squabble is not yet quieted. Isaac Smith, who is employed in one of the large department stores in Altoona, after a week's visit with his family returned again last Thursday. Mrs. Michael Willow, Mrs. Amanda Spangler and Master John Lobough drove up from Millintown, Pa., last Friday on a short visit among their friends here. J. H. Wetzell, of Bellefonte, one of the aspirants for the nomination of Assembly, was in town last Friday, getting acquainted with the Democratic voters in the borough. John Conley left last week on a visit to his son James, at Freeport, Ill. He expects to be gone several weeks, and will visit among other friends in that part of the country. J. H. Reifsnnyder, Esq., of Millheim, has gone to the Williamsport hospital to have an operation performed from which he anticipates relief from the malady from which he has been suffering. Mr. A. B. McNitt, one of Millin county's most wealthy farmers and an old and esteemed friend of the Reporter, gave us a call and put his label into '99. He reports crops good in Millin county. George Koch, the Penns valley candidate for Assembly, was down through the east end of the county this week among the many admirers of Democracy. George is pushing his claim right along, and is very much encouraged, especially in his own district.

COBURN.

A Big Demonstration Billed for the Flag Raising Saturday. Mrs. A. J. Campbell and Mrs. Sarah Kerstetter are on the sick list. W. R. From, of Millintown, made a business trip to this place on Tuesday. The masons are now at work on the wall of the new Elk Creek school house. A. J. Stover and wife spent several days at Loganton last week visiting friends. Ephriam Bartholomew, Mr. Whitman, his son-in-law, and his father-in-law, Joseph Shaffer, are all on the sick list. Mrs. R. F. Vonada and Mrs. J. F. Garthoff are attending the Missionary convention at Rebersburg which is now in session. The school directors audited their accounts on Monday for the ensuing year, and found a handsome balance in their favor. G. R. Stover, station agent at this place, was unable to attend to the duties of his office on Monday, on account of a very sore throat. Mrs. Frank Hackenberg and her sister Mrs. Sarah Heckman, of Spring Mills, made a visit to friends at Centre Mills on Wednesday. Candidates C. U. Hoffer and M. I. Gardner were through this section on Tuesday and Wednesday, on the home stretch as it were. A. B. Meyer has his new house under roof, and is pushing it to completion rapidly; when it is finished it will be quite a handsome acquisition to the eastern portion of town. D. T. Raymond, Wallace Kerstetter, and F. W. Confer, of Poe Mills, took in the Odd Fellows picnic at Hecla Park on Wednesday. They joined a hack load from Millheim, and took the overland route. The delegate election on Saturday promises to be a warm one, as the candidates for the various offices have been doing considerable work in this section of the county. It is to be hoped that all loyal Democrats will turn out, and vote for their favorite candidates. The large flag at Coburn will be raised on Saturday, June 18th, at six o'clock in the evening. Services appropriate to such an occasion will be held, in which several addresses will be made by prominent speakers. A Cornet band will enliven the occasion with choice patriotic airs. Festival in the evening, when the delicacies of the season will be served. All the people are invited to come on this day and witness the raising of "Old Glory" on the high perch prepared for it. S. E. Parker, Sharon, Wis., writes: "I have tried De Witt's Witch Hazel Salve for itching piles and it always stops them in two minutes. I consider De Witt's Witch Hazel Salve the greatest pile cure on the market." For sale by Smith & Crawford.

SPRING MILLS.

A Breezy Account of the Events of Interest as Seen by Our Scribe. Our roads are becoming very dusty; a light shower would be quite acceptable just now—but no deluge. The shoe emporium of C. A. Krape of our village can now boast of a covered porch—it is quite an improvement and adds greatly to the appearance of the building. Mr. Krape is doing quite a large business. James N. Leitzell had his front garden fence whitewashed last week, and it is a great improvement; he also had iron bands placed around the tops of his hitching posts, to prevent horses from gnawing and amusing themselves to the posts detriment. Well, as was expected, W. A. Stone is the Quay machine candidate for Governor. Will Wanamaker the great reformer (?) fall into line? Stone's popularity here is rather of a negative character, and his nomination not very favorably received by the Republicans in this locality. D. A. Ruhl, our jolly landlord, returned last week from a ten days' vacation in Berks county; here in his early years Mr. Ruhl would frequently go on the "war path" cry havoc and then quietly start for a neighboring peach orchard. He reports having had a delightful trip. His son Edward had charge of the hotel during his absence and he can play "mine host" to perfection. Howard Rossman, of our village is forging straight ahead as a live merchant. He has just received a large line of crash suits, just the goods for warm weather. Mr. Rossman bought them from a firm who had largely overstocked themselves, and the purchase was a decided bargain, of course at the ridiculously low figures he sells these goods he'll hardly have a suit left by the end of the month. C. U. Hoffer, of Philipsburg, Democratic candidate for the nomination of Prothonotary was here on Saturday last, of course circulating among his political friends. From all the scattering information I have received, Mr. Hoffer has more than an even chance for the nomination. His friends down this way are very busy and leave no loop or hinge to hang a doubt on, but are endeavoring to make assurance doubly sure. If nominated Mr. Hoffer would unquestionably prove a strong candidate. The Children's service in the M. E. church of our village on Sunday evening last, was of an unusually interesting character, and the church was crowded to its utmost capacity. The interior of the building was tastily and quite elaborately decorated with evergreens, etc. Immediately in the rear of the pulpit were six large lithographs of the founders and early advocates of Methodism, surrounded with a white star and two beautiful flags, while the platform for the speakers was a perfect bower of ferns and flowers, all presenting a very beautiful and inviting appearance. The music and singing was excellent and the children did remarkably well, reciting their little essays with a dash and vim and proving that they were really interested in the service. The ladies of the church cannot be too highly complimented for its success and the admirable manner in which everything was arranged and conducted. LINDEN HALL. A Letter of Interest from Our Correspondent. The Linden Hall lumber company is putting a large elevator in their mill at this place, to carry away the refuse wood. The U. Ev. Sunday school will hold Children's service on Sunday, June 12th, at ten o'clock a. m. Miss Sadie Lee, of Colyer, who has been visiting friends at this place, left for her home on Sunday. Henry Zeigler and wife attended the funeral of Mrs. John Ream at Farmers Mills on Monday. J. B. Wagner graduate of the Linden Hall telegraph office, was called to a distant telegraph office on Monday. J. J. Gettig left for Buffalo Run on Tuesday, where he expects to spend a week among friends. Potters Mills. Our town is dull this week. Quite a number went from this place to Hecla Park Wednesday Odd Fellows' picnic. The M. E. church will hold their Children's Day services in one week from Sunday. John McCoy, of Harrisburg, was visiting his brother at this place. Alexander McCoy was to Jersey Shore to visit his son last week and returned on Sunday. John Wolf is remodeling his barn. Miss Katie Kessler, of Spring Mills, was in town on Sunday. George Koch and family, of Centre Hall, were visiting Mrs. Landis at this place. War news is not so plenty since the Sunday paper does not come through our place. E. M. Huyett of Centre Hall, is still gathering in cattle for his pasture in the Seven mountains. S. C. P. Jones, Milesburg, Pa., writes "I have used De Witt's Little Early Risers ever since they were introduced here and must say I have never used any pills in my family during forty years of housekeeping that gave such satisfactory results as a laxative or cathartic. The Weather Outlook.

My last bulletin gave forecasts of the storm wave to cross the continent from June 8 to 12 and 13 to 17. The next disturbance will reach the Pacific coast about June 18, cross the west of Rockies country by close of 19, great central valleys from 20 to 22, eastern states 23. Warm wave will cross the west of Rockies country about June 18, great central valleys 20, eastern states 22. Cool wave will cross the west of Rockies country about 21, great central valleys 23, eastern states 25. Temperature of the week ending 8 a. m., June 20, will average below normal in the northern, above in the southern and above in the Pacific slope states. Rainfall for the week will be generally below normal east of the Mississippi and north of the Ohio, about normal in the southern states and above in the Rocky mountain countries. From about June 18 to the last of the month drouth conditions will prevail north of the Ohio and east of the Mississippi. This will concern the corn more than it will other crops. July and August are the critical months for corn and if this June drouth continues into July corn may suffer. General forecasts of July weather will be given in bulletin of June 30. Cotton will catch a drouth this year and in some parts of the cotton states considerable damage will result. Special Navy Supplement. The subject of our navy is one which is all-engrossing at the present time, and the desire for accurate and reliable information concerning our vessels has induced the Scientific American to publish a Special Navy Supplement of 40 pages, with 90 illustrations. Every effort has been made to explain what the Navy is. Comparisons have been drawn, not only between the various types of vessels of the same class. It is beautifully illustrated by half-tone engravings and woodcuts showing not only the naval vessels themselves, but guns, turrets, conning towers, steering apparatus, etc., including a colored map of Cuba. Price, 25c. Munn & Company, 361 Broadway, New York. Celebration at Spring Mills. Spring Mills will demonstrate her patriotism by having a grand celebration on July 4th. The program for the day will be parades, races, base ball games and other games, drills and good music and speaking. In the evening there will be a camp fire followed by a magnificent pyrotechnical display. There will be an abundance of refreshments and every effort will be put forth to make this gala day a source of instruction and pleasure to all who attend. Special attention is called to a bean supper. A Diminutive Constable. The smallest constable in the world was appointed by Judge Lynch at Wilkesbarre for Hunlock township, Luzerne county. He is Thomas M. Bonham, who is only 49 1/2 inches tall, weighs 61 1/2 pounds and is 48 years old. During the summer of 1891, Mr. Charles P. Johnson, a well-known attorney at Louisville, Ky., had a very severe attack of summer complaint. Quite a number of different remedies were tried, but failed to afford any relief. A friend who knew what was needed procured him a bottle of Chamberlain's Colic, Cholera, and Diarrhoea Remedy, which quickly cured him and he thinks, saved his life. He says that there has not been a day since that time that he has not had this remedy in his household. He speaks of it in the highest praise and takes much pleasure in recommending it whenever an opportunity is offered. For sale by S. M. Swartz, Tusseyville; F. A. Carson, Potters, Mills; J. H.
