Robbery at Eagleville.

COBURN.

A Large Crowd in Town Saturday to Witness the Flag Raising.

Last Saturday was flag day for this place. The handsome new flag, 28x42 feet in size, was flung to the breeze at 6.30 in the evening which was witnessed by over a thousand people, from all parts of the county. This flag is suspended on a wire 1500 feet long, and is about 500 feet above the ground, and can be seen for miles around. Preparations had been made for weeks, and the exercises attending the raising of "Old Glory" were very impressive.

The parade was formed on the diamond, with J. B. Kern as marshal, and was composed of the Sons of Veterans, of Spring Mills headed by a Drum Corps from Millheim and Aaronsburg, next in line came the Citizens Cornet Band, of Aaronsburg followed by the citizens of the town and surrounding country, all marched to the ravine over which the flag is suspended and after firing several salutes, amidst much cheering the procession marched to Vonada's lawn, where addresses were made by J. C. Meyer and J. H. Wetzel, Esq's, of Bellefonte, Dr. Peter Leitzell, of Spring Mills and Rev. Brown, of Aaronsburg. All the addresses were full of patriotic sentiments, and all received rounds of applause and cheering. A festival was held in connection with these exercises and enough was realized to pay for the flag, which was not made up by subscription. The ladies of the town were very assiduous in their labors to make the affair a success and it was their own hands that made the flag, thus reducing the cost of the flag considerably. All the people, old and young took a deep interest in the matter, and as the starry emblem now floats high at the entrance to our beautiful valley, every one feels proud that our flag still floats over "the land of the free and the home of the brave."

That despite our country is engaged in war with Spain, there are loyal hearts, who are willing to give their very lifeblood, to uphold the honor and integrity of our fair land against usurpation and treachery.

On Tuesday morning while attempting to board the train going west, R. F. Vonada missed his footing and fell to the ground with such force as to break his leg midway between the knee and ankle, both bones being broken. The train was in motion when he made the attempt to get on. He was carried to his home and Dr. Frank of Millheim, telephoned for, who came and set the broken limb. He is doing as well as can be expected under the circumstances.

G. R. Stover is not yet able to perform his duties at the station, on account of throat trouble. Mr. Bingham, of Millinburg, is looking after the office during Mr. Stover's sickness.

Miss Ida Weber, of Rebersburg, spent a few days at this place and returned home Tuesday morning.

Miss Bertha Young went to Millinburg on Tuesday and will be gone about two weeks.

SPRING MILLS.

Interesting Children's Service in the Presbyterian Church.

The male population of our village was very materially reduced on Saturday evening last. The flag raising at Coburn causing the exodus. Their absence was very observable.

John Shook of the Spring Mills creamery has about completed a very handsome and commodious portico to his beautiful residence; it adds greatly to the surroundings.

Harry W. Grenoble and his sister Ida are visiting here, the guests of Jas. N. Leitzell. Their father I. J. Grenoble fifteen or twenty years since, was a very prominent merchant of our village. The family now reside in Gettysburg. Harry is train dispatcher at Cumberland, Md.

Wm. Pealer has about completed all the improvements to his premises and grounds. The dwelling has been thoroughly remodeled with a very commodious piazza added and all handsomely painted. All the work about the property is finished in the best manner and presents a very attractive appearance. The front garden as planned, is very beautiful and inviting. Mr. Pealer has now a residence for beauty and attractiveness second to none in our village.

The Children's service in the Presbyterian church in our village on last Sunday evening, was of an unusually interesting and attractive character. The interior of the church and the platform for the speakers were artistically and charmingly decorated with ferns, flowers and a profusion of elegant and rare roses, presenting a beautiful and most enchanting scene. The music and singing were above the average, some of the pieces were especially well executed. Several of the recitations by the more advanced scholars were rendered in a very pleasing manner, the speakers displaying considerable ability. All the children delivered their little compositions in quite a lively manner and did them well. The ladies of the congregation deserve all honor and praise, for they evidently spared neither time nor efforts to make their children's service a brilliant and complete success. Last week in speaking of a similar service in the Reformed church, I neglected to state that it was by the Lutherans; in

its perusal one would infer that it was the Reformed, hence this correction.

Extensive preparations are being made for the proper celebration of the coming 4th of July. It will evidently be a gala day. The sons of veterans will have entire charge of the program which is a guarantee that the celebration will be a grand and brilliant success, as they are not accustomed to do anything by halves. The old veterans too, will have an important part to play, and by the way, they will have a regular army camp-fire, and give us an idea how soldiers cook meals—particularly beans, while grim visaged war is all around them. Ample amusements, such as games, contests, races and a beautiful flag made and presented by the young ladies of our village will be thrown to the breeze. Every accommodation will be afforded all visitors. The pyrotechnics in the evening will be a beautiful sight. A very large and unusual display is promised, many of the pieces being entirely new and of a patriotic character.

The Pennsylvania Railroad's Popular Excursions to the Seashore.

No other Summer outing appeals so strongly to the people of Western Pennsylvania as the Pennsylvania Railroad Company's popular excursion to the Atlantic seacoast. For years they have been looked forward to as the holiday event of each summer. The secret of their great popularity is the phenomenally low rate and the high character of the service. The limit of twelve days just fits the time set apart for the average vacation, and the dates of the excursions are most conveniently adjusted. There is also the widest field for choice in the selection of a resort. Atlantic City, Cape May, Sea Isle City, Ocean City, N. J., Rehoboth, Del., and Ocean City, Md., are the choicest of the Atlantic coast resorts, and any one of them may be visited under these arrangements.

The dates of the excursions are July 7 and 21, and August 4 and 18. A special train of Pullman parlor cars and day coaches will leave Pittsburg on above-mentioned dates at 8.55 a. m., arriving at Atlantic City 12.15 p. m., where stop for dinner will be made, reaching Philadelphia 6.25 p. m. and arriving at Atlantic City, via the Delaware River Bridge route, at 8.40 p. m., making the run from Pittsburg to the seashore via the only all-rail route in eleven hours and forty-five minutes. Passengers may also spend the night in Philadelphia, and proceed to the shore by any regular train from Market Street. What or Broad Street Station the following day.

Tickets will be sold from the stations at the rates named below:
