His Pennsylvania friends will wish him success in his canvass.

A Peck of Trouble from a Duck Egg.

Olive Matthews, keeper of a boarding house at Butler, Pa., has sued Levi Slater, from whom she rents her house, for \$5,000 damages for slander. The trouble began when Slater accused the woman of stealing a duck egg and swore at her so vigorously that some of the people in the neighborhood caused his arrest for profanity. He was assessed 40 cents each for 10 oaths, 60 cents each for five and the costs, a total of \$25.25. Following this the Matthews woman caused his arrest for maintaining nuisances. Then came the suit for slander, based on the accusation of the larceny of the duck egg, and it is said other suits will follow. Some people will inspire strife in a community when there is not as much even as a duck egg involved.

Chamberlain's Pain Balm has no equal as a household liniment. It is the best remedy known for rheumatism, lame back, neuralgia; while for sprains, cuts, bruises, burns, scalds and sore throat, it is invaluable. Wertz & Pike, merchants, Fernandina, Fla., writes: "Everyone who buys a bottle of Chamberlain's Remedies, comes back and says it is the best medicine he has ever used." 25 and 50 cents per bottle at S. M. Swartz, Tusseyville; F. A. Carson, Potters Mills; J. H. Ross, Linden Hall, and H. F. Rossman, Spring Mills.

SPRING MILLS.

The Celebration on the Fourth of July Promises to be a Grand Success.

Another business presenting itself. G. C. King has discontinued the meat market in our village.

William McClellan and family, of Lancaster, formerly of this place, are here visiting relatives and friends.

What will the Democracy do at Altoona towards redeeming our state from its present deplorable political condition.

The Spring Mills Planing Mill Co. have had the roof of their building painted with a composition and then thoroughly sanded, making it water and fire proof.

C. P. Long the enterprising merchant of our village, has secured a chemical fire extinguisher for his large establishment here. It is very simple and easily handled.

Our farmers are busy with the hay crop, which proves to be quite a large one, but they don't take very kindly to the sudden collapse of the wheat bubble. Republican "prosperity" was of an exceedingly short duration.

Politics is beginning to boom up quite lively here. The shoe emporium of C. A. Krape is general headquarters for news and discussions. Quay's man Friday, (Stone) the Democratic nominee and the county ticket are now the main topics. Politics seems to have superceded the war news entirely, the fact is, the people have become weary and tired of reading bulletins announcing the destruction and sinking of a Spanish war ship about every other day, because like Banquo's ghost they won't stay down. They want something a little more substantial than shadows.

The celebration of the National holiday in our village will evidently be one of unusual interest. The Sons of Veterans have been untiring in their efforts and have made up a fine program. The morning will be enlivened with patriotic music from several bands, also a game of bass ball will be played between the Rebersburg team, and the junior club of Spring Mills. In the afternoon there will be a tub race on the dam, followed by a bicycle race, after which a large and beautiful flag will be thrown to the breeze. The grand parade having been previously formed, consisting of citizens, secret organizations, fanatics, with bands of music and drum corps, will then proceed to the grounds at the head of the dam. The grounds are ample and beautifully located, and every necessary arrangement has been completed to accommodate the multitude. The amusements will consist of potato, sack and pie races and shooting match, also a variety of drills. The great feature of the afternoon will be the sham battle, which promises to be very exciting and quite realistic. In the evening the scarred and war worn veterans will give us a scene in army life—a regular camp fire and bean supper. The days' celebration to conclude with a magnificent display of pyrotechnics. Refreshments will be served on the ground all day and evening. Ample accommodations have been provided for horses, etc. During the day addresses will be delivered by Hon. John Love, Thomas Harter, W. T. Cannon, Dr. D. W. Wolf and others. Cash premiums will be presented for best shot in shooting match, best display in the parade and superiority in all the races.

Potters Mills.

Miss Tamer Shirk, of Linden Hall, who has been on the sick list for some time, is visiting her sister, Mrs. Clark Bible, at this place.

Henry McClaskey, an aged gentleman of this place, is suffering from a stroke of paralysis since last Friday.

Supervisor Krumrine was crushing stone for the roads in our section last week.

The cherry crop, like the wheat and hay crop, with us, is plenty.

A number of our young folks went to the Synagogue and to Zion to attend the children's day service and report large crowds at both places.

Don'ts for Mothers of Boys.

Don't keep nagging your boy. Don't treat your boy as a hardened criminal if you discover him in sin.

Don't forget that if you make your boy think he is going to the devil he won't be apt to disappoint you.

Don't deny your boy the healthful, restraining influence of plenty of outdoor sports and athletics. There is a whole sermon in the phrase "Muscular Christianity."

Don't make his room a sort of a junk shop for all the odds and ends of furniture too shabby or old fashioned to be used anywhere else in the house.

Don't be above apologizing to your boy if occasion arises. He will honor you for it.

Don't have a thing in the house too good for him to enjoy and share with you and don't make him use the back stairs in order to save the front hall carpet.

Don't shut him entirely out of the confidential talks concerning home, business and neighborhood affairs, but teach him to respect the confidence.

E. C. Blanks, of Lewisville, Texas, writes that one box of De Witt's Witch Hazel Salve was worth \$50.00 to him. It cured his piles of ten years standing. He advises others to try it. It also cures eczema, skin diseases and obstinate sores. For sale by Smith & Crawford.

The Weather Outlook.

My last bulletin gave forecasts of the storm wave to cross the continent from July 1 to 5th, and the next will reach the Pacific coast about July 15, cross the west of Rockies country by close of 5th, great central valleys 7th to 9th, eastern states 10th.

Warm wave will cross the west of Rockies country about July 5, great central valleys 7th, eastern states 9th. Cool wave will cross the west of Rockies country about July 8th, great central valleys 10th, eastern states 12th.

Temperature of the week ending 8 a. m. July 11 will average below normal in the northern, above in the southern and about in the Pacific states. Rainfall for the same period will be above normal in the Rocky mountain countries and the Missouri valleys west of the river, below normal in the upper Mississippi and lower Ohio valleys, about normal in the New England and the Southern states.

Temperature of July will average above normal in the great central valleys and the southern states. Rainfall of July will be below normal in the southern states, upper Mississippi and lower Ohio valleys and on the Atlantic coast, about normal in the New England states, above in the upper Missouri valleys, the Rocky mountains and arid districts generally, in most of southern Canada and on the Pacific slope.

In many places in the great central valleys and the southern states drought will materially damage the crops, but indications are that sufficient rains will fall in the arid countries about and immediately east of the Rockies to insure fair crops.

In the northern states the first half of July, usually the hottest, will be the coolest this year, and the last half of the month will be very warm in the northern states. The reverse of this will be true for the southern states.

Most rain will fall in the southern states from 10th to 23d, and most rain in the northern states during the first and last weeks.

Most of the northern states will experience drought conditions from 8th to 23d, the southern states from 1st to 10. Nearly three weeks of a gradually average daily warmer will be experienced in the northern states from 5th to 26th, and the reverse in the southern states from 10th to 31st.

A remarkable feature of my long range forecasts for this year, made before the close of 1897, was that this would be above an average crop year for the western arid countries. Prospects are good at this time for the fulfillment of this prediction. The predictions were that during this year the wet weather districts would slowly drift westward across the continent.

Sick headache, biliousness, constipation and all liver and stomach troubles can be quickly cured by using those famous little pills known as De Witt's Little Early Risers. They are pleasant to take and never gripe. For sale by Smith & Crawford.

To Be Held at Hunter's Park.

The executive committee of the Union Veteran Legion met at Bellefonte and fixed September 10th as the date for the next annual reunion to be held at Hunter's Park.

Bob Moore, of LyFayette, Ind., says that for constipation he has found De Witt's Little Early Risers to be perfect. They never gripe. Try them for stomach and liver troubles. For sale by Smith & Crawford.
