Weather Forecast.

My last bulletin gave forecasts of the storm wave to cross the continent from 12 to 16, and the next will reach the Pacific coast about 17, cross the west of Rockies country by close of 18, great central valleys 19 to 21, eastern states 22.

A warm wave will cross the west of Rockies country about 17, great central valleys 19, eastern states 21. A cool wave will cross the west of Rockies country about 20, great central valleys 22, eastern states 24.

Temperature of the week ending 8 a. m., July 25, will average about normal in the northern and Pacific slope states and below normal in the southern states. Rainfall for the same period will be below in the northern and about normal in the southern states.

The hottest part of July in the northern states will cross the continent from west to east from 11 to 16, and will be followed by a cool wave from 17 to 22. My temperature forecasts for the first week in June were not good, but for the last 23 days they were almost perfect.

To correctly forecast the rainfall of the arid districts adjacent to the Rocky mountains is one of the most difficult features in meteorology. Thousands of people in those districts will testify to the wonderful accuracy of my rainfall forecasts for the crop season of this year.

A Peculiar Claim.

A singular case has just been decided in the courts at Scranton, according to the Tribune of that city. L. B. Thompson brought suit against Mrs. Joseph Mott, alleging that the latter employed him to take her husband home whenever he became intoxicated for which services Thompson was to receive five dollars for each time. He claimed to have escorted Mott home on eight occasions and was only paid five dollars. The court allowed him his full claim.

Reader for Senator.

Wilbur F. Reeder, of Bellefonte, announces himself a candidate for the Republican nomination for state senator in this district.

Thousands of persons have been cured of piles by using De Witt's Witch Hazel Salve. It heals promptly and cures eczema and all skin diseases. It gives immediate relief. For sale by Smith & Crawford.

HARVEST-HOME PICNIC.

Shall We Have a Farmers' Institute Harvest Home and Picnic All in One, at Centre Hall?

At the annual meeting of the County Board of Institute Managers, it was suggested that a one-day Summer Institute be held this year, similar to the one held at Pinegrove Mills a few years ago. It was also suggested that Centre Hall would be a proper place for it.

Acting upon these suggestions the farmers of the neighborhood, and all others interested, are invited to meet at Reesman's office, at 7:30 on Tuesday evening, 19th, inst., to make arrangements for such a Farmers' Institute, Harvest Home and Basket Picnic combined. A very small sum of money saved from the regular Institute appropriations in the past two or three years, is yet in my hands and will be used in aid of this Institute. I will be present at the meeting for arrangements and give such needed information as I can.

JOHN A. WOODWARD, Chairman County Institute Managers.

We take pleasure in urging farmers and all others to second the above movement for a day of recreation and intellectual benefit. All in the county, who can do so, heartily join in for a good social time when the date is fixed for so agreeable a coming-together—a day of kindly greeting, good eating, profitable talks and sweet music, and all free. We would especially urge the citizens of this vicinity to attend the preliminary meeting, Tuesday evening, and assist in perfecting such arrangements as will ensure the success of the picnic.

Bellefonte Soldier Dead.

Frank H. Taylor, regimental bugler of the Fifth Pennsylvania regiment, and a member of Company B, that went out from Bellefonte in April, died at Camp Thomas, Chickamauga, on morning of 8th, of typhoid fever. He had been sick two weeks. His death has cast a gloom over Bellefonte as he was one of the most popular young men of the town.

He was buried at Bellefonte on Sunday, with military honors. After services in the Presbyterian church, conducted by Rev. Dr. Lowrie, the local fire companies and the G. A. R. escorted the remains to the Union cemetery. Here three volleys were fired over the grave and "taps" sounded.

Barn Burned.

The large barn on the farm of the John Curtin estate, about two miles east of Milesburg, was destroyed by fire on Thursday evening, 7, about 6 o'clock. The farm had just been rented this spring by John Peace, who occupied it, having just purchased all his farm implements at public sale. He lost all his hay, a good portion of his grain, along with one valuable bull, a colt, several hogs, harness and other articles which were burned.

The loss on the barn is \$500, covered by insurance. But its contents, owned by Mr. Peace, were not insured, and his loss is \$700. The fire started in a straw stack beside the barn, and it is supposed to have caught from a pipe or lighted cigar.

Improvements.

The Grangers have a gang of carpenters at work on their new hall. The building will be a frame one faced with brick.

George Benner, the Star store man, has staked off ground for a new dwelling house near his store building. He has lumber on the ground and will erect it before fall.

John Martz is finishing the foundation of his new dwelling and expects to have it completed before winter sets in.

Church Re-opening.

The United Evangelical church in Centre Hall, will be re-opened, July 17, 1898. Bishop R. Dubbs, D. D., LL. D., of Chicago, will be present to preach morning and evening; also, will preach at Lemont, July 18, at 7:30 and at Tusseyville, July 19, at 7:30. All are cordially invited.

A. STAPLETON, P. E. W. W. Rhoads, Pastor.

Rise in Twine.

Many of our farmers were caught in the heavy rise in binder twine. The war doubled the price on this article necessary in modern farming. Some contracted during the winter at six cents, while now it is quoted at twelve cents and above. There will not be any kick though if war time prices are received for wheat.

Penns Valley Again.

At the Democratic county convention held in Freeport, Ill., a short time ago, Cyrus Grove, a son of John Grove of near Spring Mills, was nominated for county superintendent of schools. Mr. Grove is one of the rising young men of Stephenson county. His nomination was made by acclamation.

No Services.

There will be no services in the Presbyterian church at Centre Hall next Sabbath, on account of the re-dedication of the United Evangelical church. Services at Spring Mills at 2.30 p. m.

Win your battles against disease by acting promptly. One Minute Cough Cure produces immediate results. When taken early it prevents consumption. And in later stages it furnishes prompt relief. For sale by Smith & Crawford.

Sudden Death of Dr. Burd, of Snowshoe.

About 6:30 o'clock Friday morning the dead body of Dr. Edward J. Burd, of Snowshoe, was found lying along the road side near that place. The cause of death is supposed to have been heart disease.

He had been called to see a patient a distance from Snowshoe and used a railroad truck for part of the way the evening before, which he left at the point nearest his patient and proceeded thence afoot, and it was between the latter points where his body was found.

The Doctor was a son of John Burd, of Rebersburg, dec'd. Dr. Burd enjoyed a large practice, and was 32 years of age. His remains reached Rebersburg on Friday evening for burial in the cemetery of that place.

He was married, his wife being a daughter of Thaddeus Stover.

Tarred and Feathered at Mill Hill.

While Rev. Mr. Pomeroy was making a speech at a flag-raising one evening a short time ago, at Mill Hill, David Williams leaned out of the hotel window, called the speaker a liar and yelled "hurrah for Spain." Instantly the crowd was in an uproar and started to mob the hotel, but Williams was taken in charge by town officers and protected.

Later in the evening it was ascertained that Williams was at the railroad station preparing to leave town. The irate Mill Hillers succeeded in capturing him. He was taken to a woods bordering the town and the upper portion of his body was treated to coat of tar and feathers. The material ran out or the job would have been completed.

Bellefonte's Postmaster.

The Bellefonte postoffice fight which has waged for over a year, is apparently settled in Congressman Arnold recommending the appointment of W. W. Montgomery to the position. The position is a paying one, having a salary of \$2000, and there were about ten applicants for the job. The fight has been a hot one from the start, being waged along the anti-Hastings lines, and the appointment of Mr. Montgomery is considered a direct slap at the Gov. The Governor's favorite in the race was S. H. Williams, but the President has followed a policy of leaving all appointments to the congressmen, and there is no apparent reason why this Bellefonte instance should be made an exception. The Senate having adjourned Mr. Montgomery's appointment cannot be confirmed until congress convenes in December, but it is thought he will take charge of the office about August 1st. D. F. Fortney has served his full term of four years and three months.

G. A. R. Reunion at Island Park.

Thursday July 21st, 1898, the Pennsylvania Railroad Co. will sell excursion tickets from Renovo, Glen Iron, Wilkesbarre, Tomhicken, Mt. Carmel, Lykens and intermediate stations to Sunbury and return, good only on day of issue, at single fare for the round trip, no less rate than 25 cents. For the accommodation of persons attending this Reunion from points on the Lewisburg & Tyrone Branch, returning, Train 101 which leaves Montandon on arrival of Train 1 leaving Sunbury at 5.45 p. m., will be run through to Glen Iron.

A Fire Equipment.

The council recently contracted with an eastern firm with their representative for a full fire equipment for the town. 700 feet of 2 1/2 inch cotton hose at 35 cents per foot was bought, along with a hose cart, nozzles, and other necessary apparatus in giving the town the promised fire protection. About the time the new plant is completed the hose will be on hand ready for a trial.

Organized a Camp.

Saturday evening a meeting was held in the G. A. R. room to organize a camp Sons of Veterans in this place. The organization was the effort of Wm. Snyder, and it was well attended. The camp will start with seventeen members, and it is expected that at least as many more will join later on. The officers will be elected and installed in about two weeks.

Badly Burned.

About two weeks ago Mrs. Wm. H. Runkle, on Church street, was applying a patent polish to her kitchen stove. The preparation contained gasoline. There was a little fire in the stove which ignited the gasoline, and in an instant the top of the stove was a sheet of flame. Her face was severely burned where the flames struck her, and she has not yet fully recovered from the burns received.

A SAD ACCIDENT.

Heister Hoy, of State College, Drowned While Out Bathing.

On Saturday afternoon a jolly party of sportsmen left State College for the Black Moshannon, near Karthaus, with the intention of spending a week hunting and fishing. In the party were Henry Grieb, Dr. John Harter, Harry Shawley and Heister Hoy.

On the afternoon of the 4th an unfortunate accident happened which cost the life of one of the members of the party and brought their outing to a sad close.

They were all out swimming in the Moshannon river when Mr. Hoy, one of the party, got too far out in the current and was caught in a whirlpool and drowned before any help could reach him. His remains were recovered and sent to his home at State College.

Heister Hoy was born at State College and was 32 years of age. He was unmarried and was employed for a long time as a clerk in Meek's hardware store at the College. He was a son of Albert Hoy a farmer residing there. He is survived by his father and mother, a brother and sister.
