R. A. BUMILLER DEAD.

Editor Bumiller, of the Millheim Journal, Expires after a Long Illness.

The death of Robert A. Bumiller, editor of the Millheim Journal, occurred at his home at Millheim on Sunday afternoon at about three o'clock, after an illness of several months duration, at the age of about 44 years.

Editor Bumiller's illness dates from about last July 4th, when he overtaxed himself on a bicycling trip. He was taken ill, and it was the hope of his friends that early recovery would soon follow. Later he suffered from partial paralysis, and gradually grew worse until death ensued.

Editor Bumiller was born in Munich, Bavaria. In 1873 he left his native country and emigrated to America, his destination being Millheim, where his uncle Adolph Miller lived. He entered the office of the *Centre Reporter*. A year later he entered the office of the *Bellefonte Republican*, and was employed on this paper for two years, when he returned to Millheim and became associated with the *Journal*, along with his father-in-law, B. O. Deininger, deceased. Several years later he purchased the plant and the paper has been under his management since.

He leaves a wife and two daughters to survive him. He was a member of the M. E. church, and took an earnest part in the church work.

The funeral will take place today, Thursday. Interment will be made at Millheim.

\$4,000 Every Two Weeks.

At Mill Hall the amount of money paid for wages at the several establishments will aggregate a handsome sum. The American Axe and Tool Company handed their employes \$2,000. The other industries run as follows: Mill Hall Brick works, \$500; Clinton county Brick works, \$500; Beech Creek railroad, from \$200 to \$300; Bald Eagle Valley road, \$200 to \$300; lime kilns, carriage shops and other small manufacturing plants, \$400 to \$500. These amounts aggregate about \$4,000. This sum is paid every two weeks, so it can be seen that Mill Hall's inhabitants at the present have no cause for fear of the wolf coming to the door.

The Georges Valley Hunters.

The Georges valley hunters had better luck this season than many others. The party composed of E. J. Sweetwood, H. E. Sweetwood, George Frederick, George Breon, and others, killed four deer, and quite a number of rabbits and pheasants, in the Seven Mountain region. This set lives so convenient to the hunting grounds that they need not camp and can get their night lodging at home, and be back again in time mornings for the chase.

In Hyman's Bands.

The home of Henry C. Campbell, of Fairbrook, was the scene of a brilliant wedding to-day, by the marriage of his accomplished daughter, Mamie C., to Howard Musser, one of the respected and popular young men of Ferguson township. The event was a most happy one for the contracting parties, a host of invited guests added greetings and valuable presents to the happy couple. The couple are extended the Reporter's fondest well-wishes.

More Creameries.

A company has been organized and is making preparations to erect a creamery at Penna. Furnace. The parties connected with the project are citizens of that section of Ferguson township with a few from outside.

The Bellefonte creamery company is about to establish a branch at Lemont with cream separators.

A Big Yield.

Harry Genzel, one of Spring township's foremost farmers, reports a good yield of corn this year. From eighteen acres he gathered 2815 bushels, or an average of 157 bushels to the acre. That is about as big a yield as we have heard of this season.

Died of Lockjaw.

Claude Potter, aged twenty-three, died at Philipsburg Thursday. He accidentally shot himself in the foot, took cold in it, was seized with lockjaw and died.

New County Officers.

January 2 Prothonotary-elect J. Mitchell Gardner will be sworn into office, and J. Newton Spangler, Esq., will take the office of district attorney.

DR. ZERO WANTED.

A Warrant for the Half Breed Indian Doctor.

Upon the information of a member at the instance of the Centre County Medical Association, a warrant has been issued for the arrest of Harry Zero, the half-breed Indian doctor, on the charge of practicing medicine without a license, or not having registered in compliance with the laws of the state.

Zero but a short time ago, was confined in the Chambersburg jail with another man, on the charge of a liveryman in appropriating a horse and buggy. He is well known in both Penns and Brush valleys. Up to within a few months ago he had his headquarters at Millheim, and claimed to possess healing qualities which many afflicted were willing to avail themselves of. He charged enormous fees. Many patients who were willing to pay almost any price for relief, employed him. Last week he returned again to the county, and the medical society took the matter in hands. He has not yet been apprehended.

Hastings' \$40,000 Mansion.

Mrs. Hastings, wife of Governor D. H. Hastings, spent several days at Bellefonte last week overseeing the work of remodeling their residence. It was hoped that the house would be completed and ready for occupancy by the time of the inauguration of Governor-elect Stone, but owing to the fact that work was not begun until late in October the mansion will not be half completed, and the Hastings will take up a temporary abode at the Bush house on their return from Harrisburg. The Hastings mansion will, when completed, be the largest and most imposing residence in Bellefonte. The estimated cost of the work when completed is placed at about \$40,000.

A Brave Act.

Last week Emma, daughter of J. W. Wolf returned from the hospital in Philadelphia. Diphtheria had broken out in the ward where she was undergoing treatment for a spinal disease, and she was sent home. In a few days she was taken ill with the disease in a mild form, and means were taken for preventing its spread. On Friday evening the little girl figured in a deed of heroism. Her mother was standing by the bed holding a lighted lamp. She had been examining Emma's throat, and fainted. The lamp fell to a rug by the bedside and set fire to it. Emma promptly leaped out of bed and with her bare feet stamped out the fire. She was badly burned about the feet and slightly cut by the broken glass. Although ill with diphtheria she suffered no ill effects beyond the injuries incident to putting out the fire.

Took the Supplies.

The town council has taken the fire department supplies from the freight house where they have lain for several months. One hose cart and a couple hundred feet of hose has been stored in Boob's shop, opposite the Reporter office, and the other is out at the other end of town in Colyer's shed. A test should be made. The thaw and the recent rains have raised the springs and there need be no danger of draining the reservoirs.

Will Use the Red Stamp.

After January 1st the stamped envelopes issued by the postoffice department will bear a red stamp of exactly the same shade as the carmine 2-center. This is in accordance with an article in the international postal agreement, which requires all issues of the same denomination of a stamp to be uniform in color. The department will this month begin substituting the red stamp on envelopes for the green.

Fire Insurance.

The quarterly meeting of the directors of the Farmers' Mut. Fire Insurance Co. was held on Tuesday, at Runkel's hotel, in this place. Insurance risks to amount of \$57,969 were taken. The loss by the Pinestump school house fire was adjusted and ordered to be paid. The loss of Wagner Bros. by the Rock Mills fire was ordered to be paid as adjusted. There was a full attendance of the board.

Golden Wedding.

On Thursday, last, Lawrence B. McEntire and wife, of Fillmore, this county, celebrated their golden wedding. Among the sixty guests were Jonathan Shuey and wife, of College township, who were groomsmen and bridesmaid respectively at the McEntire wedding a half century ago. May they live to have many anniversaries yet, is the wish of the Reporter.

Have the Contract.

Malone brothers, who constructed the Centre Hall boro water plant, have the contract for erecting the water system for the new company at Boalsburg. They are now at work. About 7,000 feet of mains will be laid, and a reservoir built, at a cost of about \$1500.

A pair of fineness shoes, or slippers, makes a holiday present always to be appreciated. They are serviceable and always a part of the apparel needed. There is no better place to select them than at Mingle's Shoe Store, Bellefonte. He has the reputation and has the largest stock.

A COWARDLY ACT

A Deerlayer Was Caught after a Year and Will Suffer the Consequences.

About a year ago a deer disappeared from John G. Uzzle's park at Snow Shoe. It was evident that somebody had shot it and, working it over the high pale fence surrounding the park, made off with it.

The Bellefonte *Gazette* says, who had committed the deed was a mystery until a short time ago; when it was learned that a young man by the name of Ambrose Davis was the guilty party. Mr. Uzzle had valued the deer at \$50. He arrested Davis and a hearing was had before Squire Brown on Friday evening of last week, when the matter was compromised by Davis giving his note for \$25, Mr. Uzzle compassionately agreeing to pay the costs. After the matter was adjusted Mr. Uzzle left the squire's office for his home, and when passing Reeser's butcher shop he was waylaid by Emanuel Starke, (a friend of Davis) who struck him on the back of the head with an axe handle, rendering him unconscious for several hours and causing him intense suffering ever since. Starke was arrested and gave bail for his appearance at court, where he will learn to his sorrow that waylaying and trying to murder an old man past sixty, who had done him no harm, is expensive business.

Can Get Ideas Here

The Bellefonte boro council has been wrestling the last couple weeks over the question of erecting an electric light plant in competition with the plant of a private company. The electric light company of that town has spent thousands of dollars in the enterprise, and with the boro operating, the stockholders who are taxpayers in the town would be compelled to help pay for the ruining of their investment. To some narrow minded and bigoted persons such would be justice. If the county seat stands in actual need of such to push the scheme through we can import enough of the stripe from Centre Hall to aid in the work. No town will prosper where the policy of its councils is to ruin the investments of its citizens and taxpayers.

Always in the Lead.

The Christmas number of "The Pittsburg Sunday Post," issued last Sunday, was the finest newspaper in appearance and all-round excellence ever published in that city. It consists of 32 large pages, every one filled with interesting and timely matter. There were 44 half-tone pictures, 63 zinc etchings and over 200 columns of reading matter. "The Sunday Post" is certainly Pittsburg's best newspaper.

Death of Mrs. John Mullinger.

Catharine, wife of John C. Mullinger, of Pleasant Gap, died last Friday morning at four o'clock, of pneumonia, at her home at that place. She had been ill but a short time; she was an adopted daughter of Gottlieb Hagg, of Bellefonte. The funeral took place on Sunday morning at ten o'clock. She leaves a husband and seven children to mourn their loss.

Teachers' Institute.

The 52nd annual session of Centre county teachers' institute is being held in the court house at Bellefonte this week. There is a full attendance of teachers and the sessions are largely attended. Co. Supt. Gramley has provided an excellent corps of instructors for the week. The sessions will close tomorrow, Friday.

Christmas Entertainment.

The United Evangelical Sunday school of the Bethany church, near Tusseyville, will hold an entertainment on Sunday evening, Dec. 25th. A complete program has been arranged, consisting of recitations, dialogues, and fine music. Great interest is taken to make it a success.

Rush for a Fat and Soft Snap.

Many are electioneering for position to do the Helling-ing in the Commercial Telephone Co's exchange which is to be established at Centre Hall. These fat places and soft snaps, worth about \$5000 per month, are worth hunting for, even with a lantern.

No Entertainments.

None of the church congregations or Sunday schools in Centre Hall, will observe Christmas with special services beyond the regular assignments. The day will be quietly observed from present indications.

Public Sale.

Mrs. Wm. Bradford, of Old Fort, will sell all her farm stock and implements, consisting of horses, cows, young cattle, etc., at public sale on March 14th.

The school board at a meeting last evening decided upon opening the schools again on Tuesday morning next, 27th. No holiday will be allowed on New Year.
