To the leadership of Colonel Guffey during the Senatorial contest at 'Harrisburg, is due the brilliant record made by the Democrats and the noble stand made. At every attempt to disorganize, Colonel Guffey preserved fealty and harmony by his wise tactics and statesmanlike counsel.

The Pittsburg Chronicle-Telegraph, Rep., says: "The verdict in the Quay case has not been unexpected since his counsel plead the statute of limitations in his behalf, shutting out the evidence that Quay himself, while treasurer, obtained interest on the State deposits, and that the system has been a continuous one down to and including the Peoples bank transactions. So the case was limited to proof that Quay had Who are going to be the Quay and the use of large sums of money from the Peoples bank for speculative purposes without interest charge, and the fact of conspiracy was left to be inferred. This inference did not present itself to the jury as having been established by legal proof, and the verdict of acquittal followed. It is an escape for Quay, but in no sense a vindication, and if his friends accept that as a victory they are easily satisfied."

When a fellow wants to dodge paying his honest debts he pleads the limitation. That's what Quay did to gain a verdict from the jury.

I destre to announce to the Democracy of Centre county that I will be a candidate for County Commissioner, subject to the rules of the party. In 1894, I was a candidate for Associate Judge and went down with all the rest on the Democratic County Ticket, with no fault of any candidate, but due to a depressed and unsettled condition of affairs in the government, and a dissatisfied people all over the country and Democracy was swept out of sight and the Democratic County Ticket went down with the slump. All the candidates that were on that ticket came to the front, except Aaron Williams, dec'd, and asked the party for vindication, and it has been done, either by nomination or election, viz: Hon. Jas. Schofield, elected once; Hon. R. M. Foster, twice; C. M. Bower, Esq., received the nomination for Superior Court Judge. Now I respectfully solicit the same consideration and recognition, and submit my candidacy to the Democracy of Centre County for their judgment at the coming primaries and County convention.

I remain your most obedient servant.
