DEMOCRATIC COUNTY TICKET. SHERIFF, MILLHEIM; TREASURER, BELLEFONTE; REGISTER, FERGUSON TWP; RECORDER, BELLEFONTE; COMMISSIONER, BENNER TWP; PHILIP H. MEYER, HARRIS TWP; AUDITOR, WALKER TWP; JOHN H. BECK, WALKER TWP; W. H. TIBBENS, COLLEGE TWP; CORONER, HUSTON TWP; Dr. W. U. IRWIN, HUSTON TWP

You can safely look for 1500 Democratic majority in old Centre.

There seems nothing the Republicans are so much afraid of as Bryan.

Beef Alger says all the stories printed about him have a bad air about them.

Secretary Alger, it is now reported, will resign January next.

Quay, the state's Nebuchadnezzar, is making his furnace seven times hotter than ever before for those who will not fall down and worship him.

Commissioner Wilson, of the internal revenue, has issued a circular absolutely prohibiting banks from affixing stamps to checks unstamped when presented, and requiring them to return the same to the drawers.

Governor Hastings, in addition to his past kindnesses, now intends to establish a large pottery at Bellefonte.

The Quay people of this county, at the primaries, next Saturday, will endeavor to defeat two old veterans as delegates.

Next Saturday's Republican primaries, in this county, are awaited with much interest by politicians elsewhere.

Because of insufficient appropriation the trustees of the Pennsylvania State College have been compelled to discontinue the 12 weeks' winter lecture course in agriculture and the cheese-making course.

Quay is the issue for Republicans in this county, and not Hastings at all—he is not a candidate for anything.

Another bank cashier goes as a thousand others have gone. This time the Perth Amboy bank gets left in the trifling sum of about \$120,000.

Almost complete returns to the bureau of immigration of immigrants arriving in the United States for the fiscal year ended June 30, 1899, show an increase of 82,579 over the fiscal year ended June 30, 1898.

Since January last the price of American tinplate to consumers has been advanced from \$2.65 per box of 100 pounds to \$4.37.

Germany still keeps fighting our beef. Both the Agricultural and State Departments have received information that Belgium has removed some of the restrictions as to the importation of American beef cattle and beef.

Germany immediately issued a decree unfavorable to beef products from Belgium, thereby preventing American beef from reaching Germany by re-shipment from Belgium.

Alger seems to have McKinley where the hair is long. The beef man threatens to divulge the part the president took in the mismanagement of the war with Spain.

And Quay, leading insurgents say, will not be elected senator at a special session of the legislature, which, it is rumored, the Governor will call if it is possible to get over enough Republican independents to secure the election of the boss.

The machine fellows of this county are fighting against the election of two old soldiers as delegates to the Republican state convention simply because they may not be for Quay!

The war in the Philippines having been attended with little success on account of blundering at Washington, it is now sought to put the blame on General Otis, and grave charges are made.

Some of the machine men seem to think that the Democratic papers should not take a hand in this fight against Quayism.

The REPORTEER has taken a hand in this fight for several years, and will remain in it until the curse is wiped out.

Three-fourths of the Republican papers of the state and all honest men of their party, are in this struggle against Quayism.

No patriotic citizen will be indifferent in this struggle against the despoilers of state William Penn.

BAD NEWS FROM MANILA.

It now turns out that an astounding deception has been practiced upon the American people as regards the Philippine war and that the entire campaign on land has been a failure.

Who is to blame? The administration lays the blame to General Otis, and when he is heard from he is likely to blame McKinley and Alger.

But while the blundering was going on in the Philippines the President was busy at Washington, abrogating civil service rules and laying plans to have himself re-elected!

he will have plenty to say. He will be able to accuse McKinley of responsibility for the entire misconduct of the war. It was by order of the President that General Miles was kept from the fray.

More Truth Than He Knew. Pittsburg Dispatch, Rep.: So Governor Roosevelt, fresh from Washington consultations, indulges in the stereotyped attempt to shoulder off responsibility in the following words:

Very well. Let us see who the people are that, by Governor Roosevelt's assertion, are responsible for the whole trouble. From December 10 to January 4 the treaty was in the hands of the Administration.

When in addition to this it is remembered that the expansionist party could have had the treaty ratified at any time, with a pledge guaranteeing ultimate self-government to the Philippines, it is tolerably plain who delayed the ratification of the treaty.

A Cure for Constipation.

I have been troubled with constipation for years. It was ruining my health, my comfort and my complexion, and I am glad to say that Celery King has restored all three, and this after trying many other medicines that were supposed to be good, but which were of no value whatever.
