President McKinley has had more changes in his cabinet than any previous administration.

There is some trouble between Quay and his lieutenants as to the make-up of their state ticket.

John Hamilton was in Bellefonte a few days ago but wouldn't talk in regard to the late wipe up.

There is no prospect for the election of any part of the Republican county ticket except Commissioner.

No Republican is recognized as in good standing unless he bows to the Quay machine. Ex-Representative Harry B. Curtin, of this county, who is now a pure food agent, will be asked to retire for a Quay man at the close of the month.

Right Rev. Frederick Temple, archbishop of Canterbury, the other day rendered an important decision in the ritualistic controversy, announcing that the burning of incense and the carrying of candles in the Church of England services is henceforth forbidden.

The report of a committee appointed three months ago to examine the records of county officers for the past ten years shows that during that time illegal fees and salaries drawn by different county officials aggregate \$56.200 for the county in which Hillsboro, O., is located. Suits against the various officers to recover that amount will be insisted on by taxpayers. Of this sum \$22,500 is chargeable to County Auditors. Auditors can be held accountable for not doing their work properly, same as other officials.

Rossman, Spring Mills. the manufacturers of the United States, notwithstanding an enormously enlarged production, have been enabled to sell their surplus at advantage in foreign markets. Demand has outrun supply. The United States have taken a permanent place among the iron exporting countries and the tariff upon iron and iron ore has, in consequence, become a hindrance instead of a benefit to the ironmakers. In the face of these patent facts, however, the absurd Protectionists continue to cackle about the benefit of inoperative tariff duties and seek, as of old, to throw dust in the eyes of the workingmen.
