Alger says he is out of politics. If he had kept out of the beef business he might have saved his reputation as well as the lives of many of our brave soldiers.

CORONER.

Dr. W. U. IRWIN.

The United States transport Panther is about to take 700 tons of food to the destitute of Porto Rico, for its storm stricken inhabitants, contributions by Philadelphia. Other cities and sections of the country are sending aid in money and food.

A call has been issued for ten regiments, and the army to be increased lishments. to ninety-five thousand soldiers. The purpose of the government is to supply Gen. Otis with enough troops to crush the rebels in quick time, and re-

The leading Jews of Europe are arranging for a meeting in Switzerland in order to form an inter-national association for their defense against the and other industries; hundreds of frozcrusade of the anti-Semites and to pro- en out establishments all over the Unfus court martial is ended.

The last report of the killed in battle, dead of disease, wounded and missing among our troops in the Philip- the Trusts. pines puts the total at 2,393. But this no account of the 4,000 or 5,000 sick or stand as regards the tariff? disabled for duty and in hospital. The Answer: It is opposed to a high prowounds.

A corn crop of 300,000,000 bushels is voiced from Kansas! It breaks all records for that state. It is beyond the comprehension of the rest of the country. The crop is "practically their fructifying and are turning dead brown. The ears are bending and the silk is blackening. If no more rain not fill out.

their own because of the high prices position Senators run out. charged by the trusts for an article of which they are among the largest con- that the Senate of 1901-03 will show as sumers, may indicate the ultimate fate safe a Republican majority as the Senof all the trusts. Their victims will ate of 1899-1901. Control of the delicturn and either manufacture their own erate branch of Congress is not likely goods or find some cheaper means of to be retained in Republican hands if procuring them, and then the trusts' inflated profits on inflated stocks will disappear. With both business and umphantly elected. This fact should politics working against them the day not escape the attention of those comof the trusts is likely to be short.

It is now reported that Secretary Root is disposed to act on General Miles' advice, and recruit five regiments of hegroes for service in the Philippines. The general holds there are plenty of black men of fine physique, who can be got for soldiers' pay, and as they would be officered by regular army men, they would be likely to take on very much the same discipline as the regular troops; and negro regulars have a fine record for behavior and service, except when they have been stationed in the South, where local race prejudice has stung them into occasional collisions and disorder. It is General Miles' theory that the col- town ored troops would endure the tropical climate better than whites.

On June 30 of last year there were Oliver. five widows of revolutionary soldiers borne on the pension rolls of the Gov- town, and T. W. Lauver, Milroy. ernment. One of these, Nancy Jones, has just died at Jonesboro, Tenn. She was about 90 years old, and married Darling Jones, who fought at Kings Mountain, S. C., when she was 16 and he was over 60. This would indicate that Jones was about 20 years old at made a desperate attempt at suicide by the close of the revolution, and that cutting his windpipe, is praying for he married the young girl about 1825. death. The jail physician is forcing POTTERS MILLS. Thus it comes about that the Govern- nourishment into his stomach through ment is paying revolutionary pensions a tube. more than 115 years after the close of the war. This makes it a reasonable by Sheriff Gamble, Hoover wrote the proposition that we will be paying following: pensions on account of the civil war in the year 1980, and how much longer

The temporary ruin of Porto Rico, stuffs, reports the Commissioner.

I understand that all the taxes on you. agriculture will be at once remitted. The market is bare; nothing comes

in for sale. A little milk that came in sold for 25 cents a bottle. #### Prisoner Prays for Death.

William Hoover, a prisoner in the Williamsport jail, who on Friday night

Next day, in response to an inquiry

"The devil made me do it. There was a binding over my heart, and my no one can venture to predict, for the head felt as though there was nothing sons of veterans will have their claims in it. Why don't it kill me? I don't want to get well. I want to die."

Grangers After Hamilton

of the situation is that no one has the er but not a farmer. There is such a money to buy afresh. No planting thing as a farmer and a farmer. A can be undertaken nor mills built. I bird painted white can't associate with see no real remedy except a large loan | doves and a pigeon painted black can't to be immediately employed in public mix with crows. So there you are, works and also the free entry of food Professor John Hamilton, and the grangers seem to know how to classify

At the Centre Co. Pomona Grange meeting at Milesburg, they proceeded to dissect Professor John, of State College and Harrisburg, in resolutions

That in the Department of Agriculture he has unfairly discriminated against the members of the order.

His action is ungrateful to the Patrons of the State.

He dismissed Patrons, to make room for partisan favorites. He has blindly burdened the department with incompetent officials.

He has unnecessarily increased the number of employes. He is using the contingent fund in

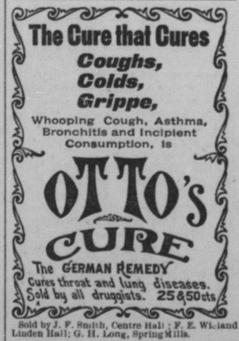

unlawful ways. Now, farmer Hamilton, if you can't answer Creasy's charges on the infamies of Quayism, then face these Patrons and answer them-they have used the late t improved sub-soil plow

the Motor Wagon,

It is becoming quite apparent from the success of the motor carriages that are appearing on the streets that the out of employment, and the Trusts | quickly, to become an important factor in the business of the world. The bicycle, a pioneer in vehicles propelled without horses, has so firmly estab-Answer: To put up prices and put lished itself that there is no possible question as to the motor wagons finding a field both useful and popular. The bicycle has settled several problems in conetruction, so that it is easy enough to build a wagon that may be driven with small power. Gasoline engines and electric motors are ready to afford the power, and the combination is complete. The self-propelling wagon has so many advantages over tect the Jews in France after the Drey- ion with thousands more to meet the the horse that, even though the horse has some advantages over it, the horse cannot even now retain his hold. As the wagons are improved the horse will find more obstacles. On good roads the motor wagon is faster than the horse, and for that reason it will be an argument for good roads. It is cleaner, which will be an argument total deaths now amount to \$26, of tective tariff because it robs the masses in its own behalf. It is comparatively whom 392 were killed or died of to enrich the few and is the founda- noiseless. In the long run it is cheaper. That alone would make it a favor-

> The motor wagon cannot plow nor It is evident that with the losses sus- haul a mowing machine. So the farm-
