Creasy Helped With Figs.

"Farmer" Creasy, candidate for state treasurer, during his visit in McConnellsburg, a short time ago, made himself solid with an Ayr township Republican farmer. Mr. Creasy, in company with the county chairman was making a canvass of the town and he met this farmer from Ayr township, who was trying to get a couple of pigs out of a wagon and into a pen. Seeing that the farmer needed some assistance, Mr. Creasy promptly laid hold of one of the pigs and helped to get it out of the wagon.

After the pigs were unloaded, Mr. Creasy was introduced to the farmer, who said : "Well you act like a farmer and I guess you would make a good state treasurer. Anyhow you will be good enough for me."

Mr. Creasy will get his vote and a great many more of the farmer votes of that county.

Three Doctors in Consultation. From Benjamin Franklin.

"When you are sick, what you like best is to be chosen for a medicine in

the first place; what experience tells you is best, to be chosen in the second place; what reason (i. e., Theory) says is best to be chosen in the last place. But if you can get Dr. Inclination, Dr. Experience and Dr. Reason to hold a consultation together, they will give you the best advice that can be taken." When you have a bad cold Dr. In-
