

PERSONAL MENTION.

Coming and Going.—Visitors in and out of town.

John Hook, Boalsburg's plasterer, was in town last Friday.

Mrs. George Hoffer, of Altoona, is visiting at the home of J. D. Murray.

Blaine Loveland, of Mill Hall, came up to visit his friends over Sunday.

Rev. F. F. Christine went to Williamsport on Monday and returned again Tuesday.

Miss Jennie Stahl, of Tyrone, is visiting her brother, James Stahl, west of Centre Hall.

Mrs. Simon Harper visited among friends in Brush valley several days of last week.

Mrs. B. D. Brisbin and daughter Mrs. Beulah Boone, spent Saturday and Sunday at State College.

Our good friend, Jacob Wagner, of near Tusseyville, was a pleasant caller on Tuesday morning.

Mrs. Walters, of Middleburg, is visiting her daughter, Mrs. J. M. Rearick at the Lutheran parsonage.

Capt. A. C. Mingle and family, of Bellefonte, were calling on their many Centre Hall friends on Sunday.

Rev. and Mrs. W. W. Rhoades arrived home last week from a three weeks' trip to Philadelphia and Reading.

James A. Fiedler, former postmaster of Bellefonte, was in town Tuesday. He is soliciting for the Bellefonte Republican.

Aaron Thomas and son Calvin, our bustling carpenter firm, are back in town again after working a couple weeks in Millfin county.

B. H. Arney, who had a bad fall in his barn one day last week and severely injured his right shoulder, is getting around with his arm in a sling.

Mrs. W. Frank Bradford returned on Saturday from a trip to Buffalo and Niagara Falls. Her mother, Mrs. Mary Odenkirk, who accompanied her, is the guest of friends at Millfinburg.

Philip H. Meyer, the next Democratic Commissioner, was in Centre Hall last Friday, on a hurried visit to his friends. He reports a most favorable outlook for a big Democratic victory in the county this fall.

Farmer George Gingerich, east of town, is quite ill with typhoid fever. George has out a big lot of unhusked corn, and today his many friends in the Grange propose turning in and doing him a kindly turn by bustling that corn out of the way.

Michael M. Condo, our whole-souled butcher, last week hid himself off on a trip pleasure bent to some of his friends in the western states. He will stop in Ohio, and then to Illinois, where he has many Centre county friends to hunt up. He will be away for several weeks.

Wm. R. From, now located in Millfinburg, spent several days last week among his old Penns Valley friends, who are always glad to see him. He attended the Reformed Classis at Centre Hall on Friday. Miss Maud, his daughter, accompanied him to Spring Mills, where she spent several days with friends.

Mr. and Mrs. Ambrose Vonada, residing in Rosette, Lincoln county, Kansas, are in our valley on a visit among relatives and former friends. For several days they were the guests of Mr. S. D. Burris at Centre Hill. Mr. Vonada is a native of Woodward, where he was born and reared. This is his first visit east in twenty years.

Rev. Kreider, of Windber, Pa., was a pleasant caller and fixed his label for 1900, having been a regular paying subscriber for over 30 years. He informs us the town of Windber, Somerset county, started only two years ago, and already has a population of 6000, with 60 stores, electric light, telephones, telegraph and a railroad.

Samuel Condo, of Birmingham, Iowa, arrived here last week on a short visit among relatives in this valley, and over Sunday was the guest of his nephew, James Durst, whose mother was a sister of Mr. Condo. Mr. Condo was raised in Ohio, and then emigrated farther west where he has been successful in business life, although unfortunate in losing his left arm at the shoulder during the last battle of the civil war.

Why Reed Retired.

Ex-Speaker Reed the other day expressed himself freely to a southern Republican Representative on the causes which compelled him to quit public life. Mr. Reed is totally out of harmony with the Administration on the Philippine policy, and believes that the Republican party, if it carries out the present plan of subjugating the Filipinos by military power, will meet with disaster in the elections next year.

Another Way of Raising the Young.

When two boys, aged nine and eleven years, were brought into Snyder county court last week as witnesses, on being examined as to their knowledge of the nature of an oath it was discovered that neither had ever been to church or Sunday school.

MILLHEIM.

R. B. Hartman, a Respected Citizen, Died Sunday Afternoon.

Mr. and Mrs. Eugene Ricker are visiting at the home of Joseph Cantner, on Penn street.

Mr. Hoover and family, of Laurelton, were guests at the home of A. A. Frank on Sunday.

Miss Bertha Weiser, who had been spending the summer in Scranton, returned home on Saturday.

Mrs. Elizabeth Harshberger, daughter of the late R. B. Hartman, of Aurora, Ill., came to this place on Tuesday to attend her father's funeral.

Mr. and Mrs. J. W. Stover, Mr. and Mrs. A. A. Frank, Stover Snook and J. H. Reifsnnyder were among our town people who took in the Exposition at Philadelphia last week.

Diphtheria has subsided and all the patients have passed the danger line, and are ready to go out. There have been no new cases for the last ten days and everything seems to indicate that the town is again free of it. At no time was it one-fourth as bad as reported, there having been only a few severe cases. The majority of the patients were up and around all the time.

On last Sunday afternoon at three o'clock, R. B. Hartman died at his home at Millheim, after a lingering and painful illness. Reuben B. Hartman was one of the oldest, if not the oldest citizen of the town. He came to Millheim in 1839 and since that time has been a resident of the place. He was almost continually connected with the industries of the town. He was an unassuming, hard working man, paid strict attention to his business. He was the father of eleven children. Three of the children died in infancy; his widow and eight children survive him. The surviving children are, C. W., J. H. B. and W. M., sons residing at Millheim; Mary E., married to John Harshberger, and living at Aurora, Ill.; Anna M., wife of Willis Weber, residing at Rebersburg; Amelia M., wife of Leonard Stover, residing at Coburn; Lydia R., wife of P. P. Leitzel and Minnie, wife of A. F. Harter, both residing at Millheim. Politically, Mr. Hartman was a Democrat up to 1892, since that time he voted with the Prohibition party on State and National issues and Independent on local issues. He belonged to the Odd Fellows, being a member of the Millheim lodge. Religiously, he cast his lot with the Methodists, having served as class leader for a term of fifty years. While vigorous and able to attend services he took an active part in church matters. Being the oldest member of his church at this place, he will be greatly missed in the church boards. His age was 79 years, 5 months and 26 days.

TUSSEYVILLE.

Local Happenings and Personal Mention of Our Neighbors.

The farmers of our community are busy picking their winter apples.

A valuable cow belonging to William Mitterling died last week, from choking on an apple.

John Badger, of Millfinburg, was a guest at the home of William Bitner a few days during the past week.

Rev. Eisenberg will deliver his farewell sermon in our church on Sunday afternoon; we are all sorry to see him leave.

A pleasant little company of six, from our valley, crossed the Seven mountains on Saturday. We hope they had a fine time at Sigerville.

Mrs. M. C. Ishler will have her opening on Friday and Saturday of this week, when she will be prepared to accommodate you with a complete line of millinery goods.

John Ruhl Killed in Kansas.

John Ruhl, who was a former resident of Union county, living at Hartleton and in Buffalo township, was killed on Sept. 28 near his home at Highland, Kansas, by being thrown from a wagon and breaking his neck. His age was 74 years. His wife and five children survive.

The family has lived in Kansas for the past 20 years.

A Bad Steal.

Some weeks ago when county physician B. E. Leopold was attending the colored smallpox patients in and about Clearfield, he wore a certain suit of clothing on all visits, and upon returning home would repair to a room in his stable, divest himself of that clothing, use proper disinfectants and don another suit in an adjoining room. When all the smallpox patients recovered Dr. Leopold left the smallpox clothing in the barn and there it remained until last week, when some thief entered and stole the whole suit.

Every farmer of this State, who has any pride for his calling, should do his utmost from now until election day to elect an honest member of his own craft to the Treasurership of Pennsylvania. The farmers are seldom honored with an important nomination, and they will stultify themselves if they fail to support a worthy fellow farmer when they have the opportunity. Mr. Cressy, if elected, as now seems certain he shall be, will be a credit to every farmer in the State.

The Right Kind of Truck Farming.

Lewisburg Journal: We noticed an item going around in a few of the papers to the effect that a Centre county truck farmer raised 140 bushels of tomatoes on half an acre. He is not in the same class with our great truck farmer, Mr. Frank B. Rine across the river. Here are just a few items of things Mr. Rine has raised: From one acre he marketed 776 bushels of tomatoes; from four acres he had a crop of 3,000 bushels of beets; 80 barrels of peppers from three-quarters of an acre; 52 bushels of red raspberries from half an acre. Mr. Rine goes at farming in a scientific way and has the best kind of crops to back up his way of doing things.

Three Doctors in Consultation.

From Benjamin Franklin.  
"When you are sick, what you like best is to be chosen for a medicine in the first place; what experience tells you is best; what reason (I. e., Theory) says is best to be chosen in the last place. But if you can get Dr. Inclination, Dr. Experience and Dr. Reason to hold a consultation together, they will give you the best advice that can be taken."

When you have a bad cold Dr. Inclination would recommend Chamberlain's Cough Remedy because it is pleasant and safe to take. Dr. Experience would recommend it because it never fails to effect a speedy and permanent cure. Dr. Reason would recommend it because it is prepared on scientific principles, and acts on nature's plan in relieving the lungs, opening the secretions and restoring the system to a natural and healthy condition. The Trusts Closing the Plants.

From the Boston Advertiser: The complaints of the leather men at Woburn, because of the action of the trusts in closing down certain factories and shops, has attracted public notice; but months ago comment was made in these columns on the fact that quite a number of manufacturing establishments were being closed every month in Massachusetts, and the total number of persons thus thrown out of employment must be far larger than the public had come to understand. Most of the shutdowns so far, however, have been in places much smaller than Woburn—in little, almost isolated communities, whence news rarely gets to metropolitan journals. In such cases the cessation of work implies a blow to the whole community.
