CENTRE HALL, PA., THURS. Nov. 16

Some fifty thousand voters cut Barnett, as a rebuke for his cowardice. All honor to them.

The fellows who voted for Barnett, the rice-dyke hero, endorsed Aguinaldo's firing at the flag.

The machine ticket carried in the state by a reduced majority of 75,000. Another such a victory and the machine is undone.

Those fellows who voted for Barnett and "hurrahed for the flag," are a heap inconsistent. Barnett hid when the Aguinaldo forces were doing their best to shoot it down.

Some Republicans are trying to figure it out that Centre county is Republican in spite of the Democratic majorities. Consolation is easily had and no harm can come from thoughts such as these, but Old Centre is Democratic and always will be.

Admiral Dewey was married in a very quiet way, on Wednesday of last week, in a Catholic church in Washington, to Mrs. Mildred Hazen, widow of Gen. Hazen. He is 61 years old and his bride admits to 43. The Reporter, and the whole nation sends greetings and congratulations.

Ohio was carried by the Hanna-Trust party by a majority for Nash, reduced to 45,000, over McLean, Democrat. Then Jones, Independent Republican, had 100,000 votes, which leaves Nash a minority Governor to the number of 55,000 votes. Not much room there for expansion.

Centre county has proven true to her ancient faith by rolling up a good, round majority of nearly six hundred for the Democracy. All we need to keep the county in line, is clean men on the ticket. The people will vote for such, while nominees of sullied private character and crooked Democracy, will bring defeat.

If the Boers keep on as they have in the last few battles they will leave the British army in Natal without officers enough to go into action. The British forces, when in action, lie down, while the officers stand up, and this enables the Boers to pick off the officers with their unerring marksmanship.

The city of Philadelphia is determined to keep to the front and never believes in doing anything by halves, especially around election time, when the Republican machine gets out the vote in bunches of two hundreds. No voters are necessary—all those little details are unnecessary and annoying to the election boards. Majorities are made to order, and election officers are supplied in any quantities. Philadelphia always gets out the vote, and the voters can stay at home.

Gen. Lord Wolsley, the commander in chief, discussing the situation in South Africa, said:

"In my various commands I have learned much of Boer character, and I can say truthfully that the Boers, as a people, are the most ignorant with which I have been brought into contact. Their aspiration is to rule the whole of South Africa. This is a point the English people must keep before them. There are up and downs in warfare, and the disappointments we have suffered are having the good effect of bringing the English people closer together."

Two hundred marked Republican tickets were placed in the ballot box of one precinct in Philadelphia on the morning of the election. A detective who served on the election board that was arrested, declared that only one hundred and twenty-four voters legally cast their ballots, yet the officers made a return of 337 votes cast and of these five only were for Creasy. This corruption has been evident in the Republican party in Philadelphia for years, and the city knows not what an honest election is. No Democrat can possibly be elected in the face of such rank corruption as the Republican party there is guilty of. An election there is a farce. What this one board has done is but one of the many in Philadelphia and Allegheny county which are equally corrupt, and the stuffing of the ballot box is only a common occurrence, in keeping with the political methods of the Republican leaders in the state.

Quoting the record of Philippine towns and cities attacked, captured and generally destroyed and evacuated by orders of Otis, recently made public by the Chicago "Record" correspondent, the Washington "Post" says that it is only part of the record, but makes it a basis of calculation. Here are 21 Philippine towns which have been captured, many of them twice or three times, and one of them as often as six times. Of these we hold only six. We have attacked 39 times and abandoned the results of the bloodshed 33 times. Our soldiers, therefore, have been sent to needless peril and slaughter 33 times out of 39. Measured by military standards, we have made just six considerable movements. The other 33 movements were wanton and stupid. If we could not hold a point, there was no excuse for taking it. The lives lost in the 33 fruitless engagements were simply thrown away. The "Post" quotes the bulletins from Otis relating to five of these small skirmishes, and shows that 30 of our men were killed and wounded, and on this basis figures 250 killed and wounded in the list of engagements. This is within bounds. But, as the President told the Chicago negroes on Sunday, it was all for "liberty and hope to an oppressed people." The "Post" is a Republican paper.

Centre County a Surfeit of Journalism.

Few counties in this state, have as many papers, according to population, as Centre county. Giving them in alphabetical order, as to location and name, they are:

Democrat, Bellfonte.
Gazette, Bellefonte.
News, daily, Bellefonte.
Republican, Bellefonte.
Watchman, Bellefonte.
Reporter, Centre Hall.
Bulletin, Howard.
Hustler, Howard.
Journal, Millheim.
Journal, Philipsburg.
Journal, daily, Philipsburg.
Ledger, semi-weekly, Philipsburg.
Record, Philipsburg.
Times, State College.

Then there are two class papers: The Patron, monthly, grange organ; and a monthly Lutheran conference paper, published from Scalp Level and Rebersburg.

With only two-thirds of this number of public journals, Centre county would not be lost sight of, and the art preservative decently remunerative.

The county has about one newspaper to every 3000 of population, men women and children—or a newspaper to every 650 voters.

A Family Tragedy.

Isaac Sticker and wife quarreled eighteen years ago and separated. Last Thursday he came from Philadelphia to Milton, where his wife lived, for the first time in many years. He walked to the store conducted by his wife. On the doorway he drew a revolver and shot himself through the head, dying almost instantly. He was aged 71 years, and leaves a wife and two daughters. Suffering from remorse over the quarrel and separation with the tragic death of her husband, Mrs. Sticker attempted to commit suicide on Saturday by hanging herself. The body of her husband was lying in an adjoining room. The woman swung from a chair, a clerk heard the scuffle and cut her down.

The Girl Who Helps Mother.

The girl who gives way to a desire to gad about the streets and cultivate the acquaintance of young men who act the simpering simpleton, is laying the foundation for a useless life. Ten to one after she is married she will develop into a slatternly gossip, if no greater misfortune befalls her. It is the girl of good, sound sense, the girl who loves home and helps mother, who wins the model husband and becomes an ornament to womanhood. The girl who does this and devotes some of her time to reading, tries to win the esteem of everybody, while a gadding street ornament wins the admiration of those whose admiration is not worth anything.

A Good Show.

The people of this community will be afforded an excellent opportunity to witness a high class entertainment in Grange Arcadia, on Saturday evening, next, Nov. 18th. It is a large company and seldom appear in towns the size of Centre Hall. The company had an open date between Chambersburg and Meadville. Admission, 25 and 15 cents.

Transfers of Real Estate.

C. W. Luse to W. H. Meyer, house and lot in Centre Hall, $1200.

Nittany and Brush valley Turnpike Co. to John M. Long, two tracts of land in Walker twp., $1000.

Wm. Colyer to M. N. Garver 20 acres land in Potter, $100.

Wm. Colyer to M. N. Garver, 12 acres in Potter, $64.

Building a New Line.

Manager of the Bell Telephone Olie Campbell, with about ten men, are working in the town replacing their old poles with new ones. An additional line has been put up, and from Centre Hall to Bellefonte a new line of poles will be erected.

Oysters and Strawberries.

The oysters and strawberries have played a prominent part in the world. They have built and furnished more churches, paid the salaries of more preachers and helped more heathens than any two other natural agencies in the world.

Greatly Neglected.

The law as to the duty of supervisors in Pennsylvania in the matter of erecting and maintaining guide posts or finger boards at the junction of public highways is: The supervisors shall cause posts to be erected at the intersections of all public roads within their respective townships (where trees are not convenient) with boards firmly fixed thereon, and index hand pointing to the direction of such roads, on which boards shall be inscribed in large and legible characters the name of the town, village or place to which such road may lead, and the distance computed in miles. If any supervisor shall, after ten days' personal notice, neglect or refuse to put up or keep in complete repair index boards as aforesaid, such supervisor shall for every such offense forfeit and pay a sum not exceeding $10. Constables are required by law to make a sworn statement to each court of quarter sessions, stating whether or not all index boards are up, reporting particularly any that are not up.

Foster's Weather Forecast.

My last bulletin gave forecasts of the storm waves to cross the continent from the 11th to the 15th, and from the 17th to the 21st, and the next will reach the Pacific coast about the 21st, cross the west of Rockies country by the close of the 22nd, great central valleys from the 23d to the 25th, and eastern states 26.

A warm wave will cross the west of Rockies country about the 21st, great central valleys on the 23d, and the eastern states on the 25th. A cool wave will cross the west of Rockies country about the 24th, great central valleys on 26th, and eastern states 28.

The temperature of the week ending on the 27th at 8 a. m. will average normal in the great central valleys, and below in the Atlantic and Pacific slope states. The rainfall will be above normal in the great central valleys, and below on the Pacific slope and in the Atlantic states.

The date of this bulletin will be near the end of a cold period, and a warm wave will then take 10 days' lease on the country, following which will come the worst storm of the month, a cold wave, blizzard and snow in the northern states. These spells of severe weather will reach the southern states in a much milder form than in Canada and our northern states.

A great rise in temperature was predicted from the 7th to the 18th, and a great fall will occur from the 19th to the 28th.

Checks Without Stamps.

It doesn't appear to be generally known, that when a man draws a check to his own order he need not put a two cent stamp on it. If you, for instance, want to get out some money from your own account, all you need to do is to change your check so that it reads like a receipt. Write "received of" in front of the bank's name, cross out the words "pay to the order of," and then fill in the spaces with the amount of money required and sign as usual, and you have there a check that is legal without a stamp. The government decided that this could be done last August, but it gave no great publicity to its decision, and probably not one private person or business house in ten has heard of the matter.

The United Christian Church.

The United Christian Church exists that it may publish the glad tidings of our Saviour's Redemption among all the accessible millions of earth. It looks out upon "a world lying in wickedness," and seeks to make known to men everywhere the great practical, humbling and sanctifying doctrines of the cross. Her ministers all stand upon an equality: none higher or lower than his brothers. Her lay-members are expected to labor personally, for the conversion of sinners and the advancement of the Redeemer's kingdom upon earth. The warrant for the disciples of Christ in personal labors for the conversion of sinners, in cooperation of the sacred ministry is found in the dictates of humanity, sanctified and directed towards those in spiritual bondage; in the necessity of such labors, in order to the complete evangelization of any portion of the world; and in the repeated injunction of the word of God, such as "Let him that heareth say, come;" "Let your light so shine before men;" "Would God all the Lord's people were prophets. The promises, too, are made to all believers: "He that converteth the sinner from the error of his way, shall save a soul from death;" "He that goeth forth and weepeth, bearing precious seed, shall doubtless come again with rejoicing, bringing his sheaves with him;" "They that turn many to righteousness, shall shine as the stars for ever and ever." The example of Christ and his apostles, and of the early disciples, is full of instruction on this point. Paul, at Ephesus, "by the space of three years ceased not to warn every one night and day with tears." The more than ten thousand disciples who were "all scattered abroad, except the apostles," after the martyrdom of Stephen, "went everywhere preaching the word," and the Philippian Christians "shone as lights in the world, holding forth the word of life."

Some meddlesome, fastidious, and supercilious individuals say that the the United Christian church, "is not a legal denomination." As to that unkind accusation, we would say that the United Christian (or Waldense-Moravian) church was organized, or rather a reorganization was effected on the 11th of March, A. D. 1876. Shortly afterwards a charter was granted by the proper authorities and the charter was placed on record. See Amendments to the Constitution of the U. S., Article 1, as regards religious organizations. Also, see Constitution of Penna., Article 1, Section 3. The Pennsylvania Conference of the United Christian Church, was organized and incorporated under their charter as an ecclesiastical body.

A candidate for the ministry is examined on all the doctrines of the Word of God, by a special committee consisting of three ordained ministers. If the examination of the candidate is satisfactory the committee recommends him to the conference for licensure and ordination, and a certificate of licensure is granted him by the Conference and is signed and sealed by the chairman and secretary on behalf of the Conference. The license invests the preacher with full and plenary power and authority to solemnize marriages, baptize, and administer the communion or Lord's supper, and to perform all the functions pertaining to the ministerial office. Some persons in the neighborhood of Colyer, have asserted that the marriages solemnized by Rev. Andrew J. Horner, (one of the ministers of the U. C. church) are illegal. The accusation is false, as Rev. Horner is invested with all the authority that any ordained minister can be. His license was granted him Oct. 29, 1897, at a regular meeting of our Annual Conference, and the license was signed by Nelson Knight, chairman, and P. A. Baker, secretary, on behalf of the Penna. Conference.

Any one having a desire for any more information as regards the United Christian church, can have any proper question answered by writing to the undersigned, inclosing a two cent stamp to pay return postage.
