According to the figures from the record there were killed in the Civil War on the field or by fatal wounds, 110,007; disease, 199,720; other causes, 49,708, making the grand total of 359,528. It is believed that the deaths attributed to disease is too low in this estimate, and that the total death list approached 400,000. This of itself would constitute a mighty host, eclipsing in numbers both of the armies confronting each other in South Africa, without considering the Con-

federate death roll.

ANOTHER REPUBLICAN VICTORY. The Standard Oil Trust a few days ago declared a quarterly dividend of \$20 a share. Cardinal Gibbons Tells Truths as to the Woman's Sphere

The eminent Cardinal Gibbons, in his sermon, in the Baltimore Cathedral, Sunday, 4, pronounced golden truths fitting many women at this day. He said :

"I regard 'Woman's Rights,' women and society leaders in the higher walks of life as the worst enemies of the female sex. They rob women of all that grace of character and give her notha word to say about her duties and responsibilities. They withdraw her from those sacred obligations which properly belong to her sex and fill her

"Under the influence of such teachers we find woman, especially in highduties, never at peace, unless she is in perpetual motion, never at peace unless she is in a state of morbid excitement. She never feels at home unless and responsibilities of domestic life. Her heart is abroad; it is exulting in imagination in some social triumph or reveling in some scene of galety and dissipation. Her afflicted husband comes home to find it empty, or occupied by a woman whose heart is empty of affection for him. She is ill at ease. Hence arise disputes, quarrels, recriminations, estrangements, or the last act in the drama is often divorce.

There is no better medicine for the babies than Chamberlain's Cough 74t Remedy. Its pleasant taste and prompt and effectual cures make it a favorite with mothers and small children. It quickly cures their coughs and colds, preventing pneumonia or other serious consequences. It also cures croup and has been used in tens of croup and has been used in tens of thousands of cases without a single failure so far as we have been able to learn. It not only cures croup, but when given as soon as the croupy cough appears, will prevent the attack. In cases of whooping cough it liquefies the tough mucus, making it easier | settlement. to expectorate, and lessens the severity and frequency of the paroxysms of coughing, thus depriving that disease of all dangerous consequences.
