We have saved many doctor bills since we began using Chamberlain's Cough Remedy in our home. We keep a bottle open all the time and whenever any of my family or myself begin to catch cold we begin to use the Cough Remedy, and as a result we never have to send away for a doctor and incur a large doctor bill, for Chamberlain's Cough Remedy never fails to cure. It is certainly a medicine of great merit and worth.—D. S. Mearkie, General Merchant and Farmer, Mattie, Bedford county, Pa. For sale by J. H. Ross, Linden Hall; S. M. Swartz, Tusseyville; F. A. Carson, Pottery Mills; H. F. Rossman, Spring Mills; J. F. Smith, Centre Hall.

Man's Best Friend.

The horse, the most useful and highly prized of all our domestic animals, deserves our best care and consideration. That invaluable boon of suffering mankind, the H. H. H. Medicine, was first prepared for use on the horse by its inventor, D. Dodge Tomlinson, 400 North Third Street, Philadelphia, Pa. He was soon convinced that he had discovered the best remedy known for the external treatment of Sprains, Swellings, Sore Joints, Thrush, Swollen Tendons, Lumps and Enlargements of any kind in the horse. He then experimented upon himself and his own family with the same brilliant success. He found that Rheumatism, Neuralgia, Headache, Sprains and other mysterious aches and pains vanish as if by magic after a few vigorous rubs, and massage with the celebrated H. H. H. Medicine. As inferior preparations afford a better profit to the dealer, worthless substitutes are sometimes sold. Look for signature and portrait of the inventor on the wrapper. For sale by J. D. Murray.
