Would Not Suffer so Again for Fifty Times Its Price.

I awoke last night with severe pains in my stomach. I never felt so badly in all my life. When I came down to work this morning I felt so weak I could hardly work. I went to Miller & McCurdy's drug store and they recommended Chamberlain's Colic, Cholera and Diarrhoea Remedy. It worked like magic and one dose fixed me all right. It certainly is the finest thing I ever used for stomach trouble. I shall not be without it in my home hereafter, for I should not care to endure the sufferings of last night again for fifty times its price.—G. H. Wilson, Liveryman, Burgettstown, Washington Co., Pa. This remedy is for sale by J. H. Ross, Linden Hall; S. M. Swartz, Tusseyville; F. A. Carson, Potters Mills; H. F. Rossman, Spring Mills; J. F. Smith, Centre Hall.

BOALSBURG.

Mr. Edward Myer and Miss Virginia Myer Married Tuesday.

A number of our people attended the commencement exercises at State College this week.

Prof. and Mrs. Hower left the first part of this week for Turbotville, Pa., where they will spend a month with their parents and friends.

Rev. Hepler, Ex-Judge Riley, Scott Bricker and William Goheen were fishing at Rock Springs last week. The party caught 86 speckled beauties. William Goheen says "the party will not divulge the number caught by each individual." A little bird told us Mr. Goheen caught 0.

Miss Margaret Sparr died on Tuesday afternoon, at her late residence below town, from a complication of diseases, at the age of 82 years. She had been sick but a short time. The funeral will take place this, Thursday afternoon, interment in the Boalsburg cemetery. Rev. A. A. Black of the Reformed church, of which she was a member, officiated.

This is an eventful week at Boalsburg. On Tuesday evening at seven o'clock, Edward, son of Wesley Myers, and Miss Virginia, daughter of Wm. Myers, in the presence of a few guests, were married at the home of the bride's parents above town. Many presents were received. Rev. A. A. Black officiated. We wish them a long and happy married life.

J. M. Garbrick, one of Harris township's school teachers, has been admitted upon recommendation of Prof. Hower, to the Freshman class, classical course, of Franklin and Marshall College. Mr. Garbrick graduated from the Central State Normal school two years ago, and has during the past year and a half been a private student under our Principal. He has been a faithful student and will, no doubt, be an honor to our valley at Lancaster.

Foster's Weather Forecast.

About the date of this bulletin a high or cool wave will not be far from longitude of Troy, New York, moving slowly eastward and a low or warm wave will then be on the Pacific slope. Temperature of the week ending 8 a. m., June 25 will average about and rainfall will be above normal east of the Rockies; the reverse west.

We are now at the beginning of a ten days drouth east of the Rockies. Not a general drouth but one that will affect a large part of the great central valley. It will probably not do much damage in a general way but some localities will suffer severely.

If Afraid, Put on Your Rubbers.

The Scientific American suggests that if you are afraid of lightning, simply put on your rubbers and stand up so your clothes won't touch anywhere. Whether you are in doors or out of doors you are perfectly safe, for rubber is a non-conductor and you are completely insulated.
