We will inaugurate our usual Semi-Annual Inventory Sale of Merchandise. It's sale intended to help us lighten our stocks before we take inventory.

As it is much easier to keep track of cash, than goods, we have cut the prices on the latter in order to convert as much of them as we can, into cash before stocktaking day arrives.

It means a saving of money to you to take advantage of the reduced prices that will prevail here during the Ten Days of this sale.

The Old Way.

In the early years of the political history of this country it was customary to choose as the President the candidate getting the highest number of electoral votes and to make the candidate (usually of the opposite party) who got the second largest number of votes Vice President. This plan was adhered to until 1824, when the present system of popular vote for Presidential Electors was inaugurated.
