One Good Way.

Whistle away, my merry boy, With happy, face and heart of joy; If it will help you to be strong, Whistles the strong the strong, Whistle a tune when things go wrong. And whistling lightens it for you, If e'er your talk is hard to do. Whether it be sowing the seeds, Hoeing the corn or pulling weeds, Gathering fruit or raking hay, Or driving cows-whistle away.

Whistle a tune, if you can't sing, And that should seem the next best thing That you can do ; perhaps 'twill cheer

The hearts of some who chance to hear.

Better to whistle than to pout, And scold and fret, no one can doubt; So keep a merry heart, my lad, And thus make other people glad ; Do all the good you can each day, And as you toil, whistle away. -Toronto Truth.
