Illinois in the Democratic Column.

## -M'KINLEY'S PROSPERITY WANING.

McKinley Retains Troops in China Against the Advice of Party Leaders.

If Mr. McKinley has no understanding with the powers operating in China, his actions are difficult to exthe longest headed men in his party, including the U.S. Minister to China, to take the advantage of the opportunnow that the American citizens who 1900 were \$243,696 78. were in peril are safe, and leave those nations which are hungry for Chinese territory to settle the squabble among themselves, he has declined to do so. Several days ago, when it was announced that all the troops now on the way to China would be sent to Manila, it was thought that he intended to follow that advice; but within fortyeight hours it has been officially announced that the troops in China Mary M. Todd, Philipsburg. would be kept there, and since then, the significant announcement was made that the troops which would go to Manila would not go to take the place of volunteers to be sent home, but to reinforce them, and that no troops are to be sent home until further notice. If that doesn't indicate an intention on the part of Mr. McKin- \$100.00. ley to play a further hand in the Chinese game, what does it indicate?

Now that it has been authentically announced that ex-Senator Gorman, now at Saratoga, will return to Maryland about the middle of September and take an active part in the campaign until election day, those republicans who have been actively circulat- sideration \$20.00. ing stories of his lukewarmness towards Bryan and Stevenson, must feel that Mathias Mayes, dated March 21, 1895, they are very clumsy liars. It has for a lot in Snow Shoe township; connever been doubted in Washington sideration \$20.00. that Mr. Gorman would do his full duty towards the party that has hon- dated August 23, 1900, for a tract of this place, shipped the balance to evening was largely attened. The net C. Krape placed a large street lamp ored him in the past and that is likely land in Walker township, containing Vicksburg, and will offer them at pub- proceeds amounted to \$60.00; the cele- just below his store room, which lights enteric fever more than two weeks ago to bonor him in the future.

Evidence continues to multiply \$850.00. showing that Illinois will be found in the democratic column this year. Af- Bowersox, dated April 2, 1899, for a ter expressing his opinion to that ef- house and lot and 11 acres of land in fect, Mr. W. H. Broad, of Chicago, Miles township; consideration \$890.00. said: "There are a number of reasons for believing this, but I am convinced Stamm, dated August 24, 1900, for all that opposition to Imperialism will the right, title, and interest in the cshave a greater influence in the undo- tate of Joseph Moyer, late of Harris ing of the republicans than any of the township; consideration \$100. other issues. There is a big German vote in Illinois, especially in Chicago, and the Germans, almost to a man, are opposed to the imperialistic policy of sideration \$125. the present administration. There is also a very bitter factional fight August 23, 1900, for a house and lot in among Illinois republicans, and al- State College Boro; consideration though it doesn't come much to the \$3000 00. surface, the feeling is so strong that it will be impossible for them to make a Barner, dated June 25, 1900, for oneprogressive and harmonious campaign fourth acre in Haines township; conin the state. Opposition to the trusts | sideration \$10.00. will also lose the republican ticket a good many votes, and with the labor Fleming, dated June 30, 1900, for a lot troubles in Chicago and all the suffer- in Snow Shoe township; consideration ing that has resulted from them, the \$50. republican orators will find it difficult | Elwood Shiffer to John W. Walker, the country is blessed with an overabundance of prosperity.

That the democratic leaders are thoroughly posted on what the republicans are doing and are meeting every republican move, is made apparent by the following remarks of one of them: "Against the prosperity statistics which are being manufactured by the Census Bureau, we will place some hard facts which indicate that many classes of men who have to depend on their labor for a living are not prosper-Take for instance the anthracite coal miners. The coal trust has cut down the number of work days so that the miners are expected to live on three days' work a week. This means that for those who are interested in huntthey can barely exist.
