We always give a bargain when we get a bargain.

We certainly got one when from a leading manufacturer who needed the cash we purchased a line of Men's and Youth's Novelty Suits that other stores would call

CHEAP at \$10.00, but which WE SELL AT \$8.50.

It is not an assortment of the usual kind but an extraordinary one in which effects that reveal happy mediums to the mind predominate. No other collection can boast to have such range, completeness, variety and value.

Were'nt we Lucky To have them for ones when you can buy Fair Week!

You will be just as lucky if you come in time to purchase a suit out of this lot. No! We could as well say to our customers, "we will sell one \$10.00 suit for 98 cents, and the first person here gets it." There would be too many disappointed, so we have decided to class in with these a large assortment of Men's and Youths' Black, Blue and Oxford mixtures. These would mean a great bargain in themselves. The styles are the advanced guard of a host of wonderful values we have prepared for our clothing patrons.

After you bought your suit from us, would we leave you get an Overcoat elsewhere? Centainly not. So we are compelled to put some very winning values in at \$7.50.

Every garment being new you will find a peerless collection, surpassing in variety and assortment any line ever shown in Yes, boys, we will have some special suits and overcoats for you,

and you will get a ticket to the Fair with every suit or overcoat, just the same as the men. After looking at our goods, and comparing prices, you will come to

but one conclusion: "that it is expensive to buy elsewhere," Every purchaser of a suit or overcoat receives a ticket to
